

I Am the way, the truth and the life

THE WAY TO LIFE

The account of a divine miracle recently published on our website has received feedback expressing questions and doubts. For accuracy and honesty, these questions have been addressed by the person who experienced the event. Here is his answer:

“For the Spirit searches all things, yes, the deep things of God. For what man knows the things of a man except the spirit of the man which is in him? Even so no one knows the things of God except the Spirit of God.”

(I Corinthians 2:10-11)

Dear Reader,

The Lord says, “He who speaks from himself seeks his own glory; but He who seeks the glory of the One who sent Him is true, and no unrighteousness is in Him.” (John 7:18). The Lord asked me to tell the things which He did for me. He said to me, “This is for my sheep and my people whom I will recognize my voice, for I have many of them in affliction and pain, and they wait to hear My voice to console them.” But for me, when I finish telling my story, I consider my mission is accomplished and I don't want anything else from this world. I even did not mention where I live now whether in my own country or abroad. For the Spirit searches everything, and nobody knows the things of God except the spirit of God whom dwells in man. So, who have the spirit of God, who knows and searches the truth and knows the things of God? And he who needs the word of God, he will delight in the word and the truth, because the Lord told us, “He who is of God hears God's words.” (John 8:47) and “Everyone who is of the truth hears My voice.” (John 18:37).

Truth is truth whether you believe it or not. God wants His Truth and Word to reach His people. **God knows beforehand to whom His truth will reach and who will accept it with joy.** I believe He has asked me many times to write down and share what He did in me.

I have been sustained on my journey by God's word to me, as well as by the help of my spiritual mentor. As a spiritual father, my mentor confirmed that I should record the word of the God to me. I am thankful to my spiritual mentor who has helped me on this hard road through this dark world. With that help and the comfort of the Lord, I would not have survived (or had been destroyed).

Because of our weakness in this physical world, God sometimes allows the presence of saints in this world to be a tangible support to us. There are many who have sent me letters telling me that I'm a liar, while others said, “You want to be

known to all.” Others said, "It is the devil who is appearing to you and who deceives you." Their responses as understandable as I know that indeed the devil as many tricks. There are also those that worship their ego—desiring to be famous or to satisfy themselves.

I want to ask a question: “What is the devil’s main goal?” The devil desires to draw the world away from the truth, eternity and knowledge of God. God, on the other hand, wants everyone to know Him. Sometimes, he chooses to use one of His sons, to whom He reveals Himself, to tell others about God that they may know Him. As for me, I did not ask to be well-known. I did not even mention my real name or initials and I prefer that no one knows about me personally. God wants to console people by His words through me. Those people are His sheep who recognizes His voice and waits for Him.

So, what I will gain from this disclosure while I am nobody before the world? Consider that I did not ask to be known or that anyone should know my name. Nobody saw or knew me. I even refused being in this world, and moreover cried bitterly every day to return to the desert monastery where I stayed for a year. The experience was a paradise for me, even Eden itself, because God told me about **the way to salvation**, when He said to me, “Whoever **loses** his life for My sake will **save it**. For what profit is it to a man if he gains the whole world, and is himself destroyed or lost?” (Luke 9:24-25) “Assuredly, I say to you, there is no one who has left house or brothers or sisters or father or mother or wife or children or lands, for My sake and the gospel’s, who shall not receive a hundredfold now in this time—houses and brothers and sisters and mothers and children and lands, with persecutions—and in the age to come, eternal life.” (Mark10:29-30) Then the Lord reminded me of the person who wanted to walk with Him but he asked first to farewell his family. And the Lord said to Him, “No one, having put his hand to the plow, and looking back, is fit for the kingdom of God.” (Luke 9:62) “Vanity of vanities, all is vanity.” (Ecclesiastes 1:2) “And indeed all was vanity and grasping for the wind. There was no profit under the sun.” (Ecclesiastes 2:11)

Because God put a great assurance in my mind about **the truth** of His coming at any hour, my mind became continually aware of this truth, as He commanded us, “Therefore you also be ready, for the Son of Man is coming at an hour you do not expect.” (Luke 12:40) God always reminds me to warn everyone I meet about this truth. He said, “But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come on you unexpectedly.” (Luke 21:34) “Do not labor for the food which perishes, but for the

food which endures to everlasting life” (John 6:27). The Lord told me that the prince of this world seeks, with all his strength, to make people forget about it especially in His first sermon on the mount. “Do not worry about your life, what you will eat or what you will drink; nor about your body, what you will put on. Is not life more than food and the body more than clothing? “Therefore do not worry, saying, ‘What shall we eat?’ or ‘What shall we drink?’ or ‘What shall we wear?’ For after all these things the Gentiles seek. But seek first the kingdom of God and His righteousness, and all these things shall be added to you.” (Matthew 6, Luke 12)

God didn't allow me to continue my devotion in the desert of that monastery which was like a dream to me. So He put me on the altar as a **burning sacrifice**, not only a sin sacrifice [which indicates the death of sin], which must be done by continual repentance to be born of water. That root of sin, that causes man to sin continually, which is his self, has to die. As Paul says, evil is present with me (Romans 7:21). The Lord worked in me that everything which belonged to the world should die, in the same way that the burned sacrifice, when the priest put it on the altar, and was burned **until it became dust**. The Lord told me that I should live according to the Bible, not just knowing old ceremonies, because the Bible is a life that should be lived by every man; that's why I commanded, “**Only let your conduct be worthy of the gospel of Christ.**” (Philippians 1:27) Man must walk in this way because living practically according to the word of God is the way to God. Now, I don't need anyone or money or anything of this world, because I realized that everything in this world is vain, and I choose to be in God forever and not to live for vain things. [The Lord put in my hands a lot of money and many estates which the Lord and my spiritual mentor asked me to keep for ministry--many people, whom God has brought in my way, come and live with me.] Please, my beloved ones, think about these things, what is the purpose of this work? So, you can easily know that I'm telling the truth and also by asking the guidance of God, He will give the desire of your heart.

I have no personal agenda except helping everyone to know God, and this is what He asked me to do, for God searches the heart and this appears clearer in not mentioning my name or where I live. **When I finish telling what God has done with me, my role will be finished.** Through the word of God and His work, the faith of many people may grow and their joy may increase. The devil wants to attract people towards him or towards his followers in order to keep the world away from seeking God and eternity. But any wise man will realize that there is no profit from writing this story, while the world does not know who I am, but I write to comfort

anyone carrying their cross and to strengthen their faith, as the Lord asked Saul and many others in old times or recently Nahed Metwali (Febi Abdel Massieh) who was Muslim and came to Christ, God asked her to tell others what He did in her life, not to become famous but to comfort all people and strengthen their faith. The difference between me and her is that I'm not known to anybody.

Whoever reads my testimony should focus on the purpose. I'm still nobody so why should any man think that the devil is deceiving me or that I want anything? In what way am I to take anything from anybody? Many have said to me, "This is a work of the devil because the devil can appear as an angel of light." I don't blame them. For me, the devil cannot appear to me because I know God very well and by truth. Does the devil want me to know God well and leave the world? Does he want me to lose interest in things which are seen, even my body? There is a difference between delusion and the truth. There is tangible evidence that still remain from God's work: my hair was curly and became soft, I used to wear glasses but now I don't, and I don't feel heart pain anymore even if I stay without food for a month despite the continued presence of the disease. How did this happen?! There is a difference between illusion, delusion and the truth.

The most important thing of all of this is that I don't care about the reactions of the world or what the people say, because my main concern is to know God well, and this is the purpose God has succeeded achieving in my life through knowing Him and bringing me close to Him. Whether the world believes it or not, **what will change this reality?** Actually I don't feel my presence in this world and life, for me now, is Christ. Whatever happens, I don't care. When God sends me to someone and he does not believe, I don't try to convince because this is not my role; I stop seeing them because I don't want anything and I leave them to God.

My beloved ones, my desire is that you concentrate on all these things. When Paul said, "I labored more abundantly than them all," (I Corinthians 15:10), and "**Imitate me,**" (I Corinthians 11:1), he did not intend to be proud of himself but God **asked him to speak thus**, even if he was seen to be proud. By focusing on the purpose, you will find that Paul didn't desire anything for himself and was not attracting attention towards himself; instead, he was attracting the whole world to Christ. I wish we remember God's words, "He who speaks from himself seeks his own glory; **but He who seeks the glory of the One who sent Him is true, and no unrighteousness is in Him.**" (John 7:18). Of course this is not the devil's desire and also there is a great difference between the circumstances of Saint Paul and mine; I'm still nobody to the world and no one sees or knows me.

There is a difference between delusion and the truth. God really healed me to raise my faith in order to be a witness for Him in a world that lacks spiritual truth especially in the West. Regarding visions, these days God visits many people in visions because the spiritual level of many is very weak, so the Lord has to visit people by Himself, as He promised, “And it shall come to pass in the last days, says God, That I will pour out of My Spirit on all flesh; Your sons and your daughters shall prophesy, Your young men shall see visions, Your old men shall dream dreams. And on My menservants and on My maidservants I will pour out My Spirit in those days; And they shall prophesy. I will show wonders in heaven above And signs in the earth beneath.” (Acts 2:17-19) I think you have read the story of Nahed Metwali, to whom, while she was Muslim, God started to show visions. The devil cannot change the nature and the shape of anyone. If what happened was from the devil, **what is his aim?** Does the devil want man to know Christ and love Him very much as God did with me?! This is impossible. I came close to God and I truly knew Him. This, of course, cannot be the aim of the devil because I left the world and I don't feel its presence anymore. I'm sure about one thing; that is, when I speak about myself, even as a nobody, I feel uncomfortable and feel like God puts me in front of a gun. What comforts me is that people don't know me in person and, most importantly, that I have no personal desire to take anything from the world. The devil and the famous people in the world desire to satisfy themselves and refuse to let God be known to the world, so my beloved ones, think carefully about this idea: **one who seeks to make Christ be known to all and help people come close to God cannot be motivated by the devil?**

The Bible says, “**For the Spirit searches all things, yes, the deep things of God.**” (I Corinthians 2:10) This means you can ask God by yourself to understand the things that belong to him and to believe all His word because it is written, “The God of Israel grant your petition which you have asked of Him.” (ISamuel1:17) God promised that whoever asks, shall receive and He promised, “I will not leave you orphans.” (John14:18) Because God is real, even if we don't see Him or feel His presence sometimes, we know in our minds very well that He is hearing us. You can ask Him personally to show you whether any man is honest or not and you can ask Him to show you His thinking in order to recognize which things are from Him and which are not. That way you can recognize **the presence of God in their lives** and you will truly know them. God gives man the desire of his heart.

In some countries, people asked me to give them a videotape containing pictures of my face in the past. When they saw it, they couldn't believe that these

pictures belong to me--my skin was dark, I was wearing medical glasses and my hair was curly--but now everything is changed. The Lord asked me several times to send this tape along with my graduation certificates and my passport containing different visas to some people, to prove that I'm not a liar. **This wasn't my desire**, because I asked God to allow me to be alone with Him only and leave the whole world not seeing anybody, **but I didn't want to hinder God's work or to be a stumbling stone to anyone** and let His will be done not mine.

I wish now that you seek God to know Him and know His ways, for He is inside you and He dwells in you; He is omnipresent.

Listen to me now, all I want you to do is to focus on God alone and make Him your only comfort. **It doesn't matter who is the true one and who is the liar**, the important thing is to know Him personally before the end of the world because "time is very short." (I Corinthians 7:29) If the whole world is full of liars and evil, it won't be your responsibility or guilt but theirs and they will lose.

Whoever comes close to God and is born again will win everything, but whoever is not filled of God will lose everything. It is written, **"Be anxious for nothing** but in everything by prayer," bringing every thought into captivity to the obedience of Christ," "pray without ceasing," "He who called you is holy, you also be holy in all your conduct," "you shall be perfect, just as your Father in heaven is perfect." God will ask about your salvation and your fight in the difficult road which is the only way to Him.

It is important for every man to know God personally before it is too late as our holy fathers did when they escaped from the world; they did not waste their time thinking about vain things but turned to God and He saved them. When someone gets a miracle from God or a revelation of God in a church, we ask God to examine this in His light because He promised that anyone asks, shall receive. That is in case if anyone is concerned.

For me, as I finish telling what God have done with me, my role will be finished. I'm still nobody to the world and that's what I want. I want everyone to focus on God and be filled of Him to fullness and to love God from all their hearts, from all their minds and from all their souls because God is near at doors.

"Now we have received, not the spirit of the world, but the Spirit who is from God, that we might know the things that have been freely given to us by God. These things

we also speak, **not in words which man's wisdom teaches** but **which the Holy Spirit teaches**, comparing spiritual things with spiritual. But he who is spiritual judges all things.” (I Corinthians 2:12-13,15)

“Then one of the elders answered, saying to me, ‘Who are these arrayed in white robes, and where did they come from?’ And I said to him, ‘Sir, you know.’ So he said to me, ‘These are the ones who come out of **the great tribulation**, and washed their robes and made them white in the blood of the Lamb.’”

(Revelation 7:13-14)

The story of a man who lived the fully cross throughout his whole life and experienced a miraculous healing that led to know the truth, the way to life and wholeness.

The story of this man and what he passed through is written down in another note, so in this one we will focus on the miracle he had and a brief about the painful times/the cross he passed through.

A lot of people didn’t believe the pain and torture that he passed through since he was born, and he asked to delete them from the website due to people not believing what he passed through whether from his parents, people wanting to kill him (like Cain), hatred towards him, injustice throughout his educational years, though he was very intelligent. It was continuous physical pain and hatred from those he loved, continuous pain in his soul and mind. That was all because this person wanted to know God since he was young, as it is written ‘when Jesus was born Herod was troubled and all of Jerusalem’

As Herod tried to kill Jesus for months and years, the prince of this world tried to kill Christ that is residing in that person in many ways. Any person that is not led by the spirit will be easily led by the prince of this world, as it is written in Eph. 2:2 “in which you once walked according to the course of this world, according to the prince of the power of the air.”

That is why many people persecuted him including the people of his own family, as it is written in Matthew 10:36 ‘a man’s enemies *will be* those of his *own* household,’ and that besides the heart disease that he was born with and continued till he received a healing miracle. It was intense pain for him that those he loved hated him, besides the physical disease (three diseases in the heart), sickness in his heart and soul, which led to a pain we usually don’t expect from people that we love. The continuance of the diseases was more difficult than the disease itself.

That is why the person thought it is enough to just mention the vision that he had as a child at a time when he was awake, as well as the vision in which he saw

Saint Anthony when he was in high school, and after that the miracle itself, when he was transported and his spirit ascended out of his body and the Lord showed him things in heaven and outer space. That is the third adjustment that the person made in the story due to the unbelief of many, but this time the Lord told him that time is short and it is time for judgement to start from the house of the Lord (1 Peter 4:17).

When I was 6 years old I had my first vision and I remember it well as if it is happening now and I can feel everything in it. I had a strong fever, and suddenly things around me looked dark and started perishing and saw in front of me a pearl that was light green in color and it was magnificent. I wondered where this came from?! It started coming close to me and I saw inside of something dark and ugly like burned cloth or burned rat tail. The Lord gave me understanding of what I was seeing, and I said to myself: what a loss! I wish this pearl was without that dark thing inside of it!

I felt there was someone in the room who brought that pearl, and I realized immediately it was God Himself. I heard the voice of the Lord speaking very tenderly: this pearl my precious son is you! And you are the only one who is able to get that dark thing out of it. So would you like to see what will happen to the pearl when that dark thing gets out of it? I said: of course. Immediately He brought another pearl and put it in front of me in the air. It had the same dark thing that is in the first pearl, and the Lord removed it in a marvelous way, and the pearl started to grow bigger and fill the room. It looks indescribably beautiful.

I heard the voice of the Lord saying: the first pearl is you, and that ugly thing has to be removed. So I asked the Lord: why didn't you remove it from the first pearl?! HE said: you are the only one who has the freedom to remove it, and when you do so your small pearl will grow bigger and fill the room like the other one. I asked the Lord: can I be like that? HE said: well, why then did I show you all this? I said to Him: How Lord?! Immediately I found between myself and the small pearl (me with the ugly thing inside) a road that is full of thorns and it looked extremely terrible and fearful. The Lord said to me: this is the only way that will get you there. I understood when I grew older that the Lord meant the narrow road that is **the only way to life**.

Another time I saw Saint Anthony appearing beside me while I was studying and said to me, 'this is the first cross you have; the pain in your soul; don't be afraid the Lord and all His saints are with you and praying for you'. Then St. Mermina appeared on the mirror and left the handprints of his hand lift up for prayer, and the

prints were white in color like the hand of someone that has been put in something white like wheat. They were left on the mirror in a very clear manner to encourage me. They stayed for months on the mirror and I showed it to many people. During the last year of my studying I was really down and when I raised my heart and started crying to the Lord to have mercy and justice on me, I would see the ceiling of the room parting, heaven opening up, and Jesus seated on a throne of great light. When I would wake up, things would disappear, I thought it was just my imagination, but the Lord would fulfill His promise in Job 5:18 “He wounds, but His hands make whole.”

I finished high school and got into the Faculty of Commerce. I had a heart disease since I was young and I was in intense pain, but the physical pain was incomparable to the pain in my soul, to the extent that one time I had a vision of Saint Anthony when I was in my college years, in front of him were many monks walking in the narrow road, and it was as if the monks of all times standing in one very long queue. Beside him was a big pile of plastic crosses, each of them weighs between 10-20 grams. Jesus was standing beside him and giving to each monk a small plastic cross, and each monk was shouting: help me Lord.

St. Anthony was holding in his other hand three metal crosses that weigh 5 kilograms each. I got afraid seeing the reactions of the monks who were shouting once being handed the plastic crosses, and I thought he will hand me a plastic cross like the one he gave to the others, and my fear was escalating seeing the monks shouting, especially that they were strong men. But to my surprise, he gave me the three metal crosses, which resulted in me falling in an unconscious state, yet St. Anthony awakened me and told me that I will pass through the most sufferings any man can go through, but he told me that this is all so that it would fulfill His will and be transformed to His own image and likeness.

My physical pain increased significantly to the point that I entered the hospital with a severe pain in my heart, due to the intensity of the pain that I have been passing through in the last 20 years on all levels; spirit, soul, and body. And the pain increased with accusations from people around me and my closest friend casting me out though I owned an apartment. My intention was to leave it to him because I didn't want it, and I was happy with that decision, but that didn't change things. The pain in my soul increased unexpectedly which increased my physical pain in the heart, as the priest believed my friend and stood on his side. And that was allowed by the Lord who is full of mercy and love that is unstoppable, He was drawing me unto Himself without me realizing it.

I went to the hospital in this foreign country and stayed there for 5 days, and the doctors found that an operation has to be done to expand the heart arteries. I began to cry out to the Lord as I was in intense pain in my soul as I heard that the results of that operation are not fully guaranteed. I started thinking of my mother that I love beyond description and what she would go through if I didn't survive. That all caused wonder among those that heard me! I started crying out to the Lord and said to Him: I know I'm a sinner, and I know that You allow all those sufferings due to all my sins, I'm the worst of sinners, and you want me to focus on You. **I promise you if You would heal me, I would live for you all my life**, and I won't do the things that displease You, and I will be more attentive to what You say.

To my surprise, I went into a sleep state, which I thought to be an unconscious state, but I opened my eyes and found myself getting out of my bed and standing on my feet in the room. I saw what my mind couldn't imagine when I looked behind, that I was sleeping on bed but in reality it was my body that was lying down. I wondered who I am and who the person that was asleep!! What happened at that moment is that the Lord took my spirit out and I saw the ceiling of the room as it parted and a strong light from heaven with its rays descending on me and I heard a voice saying 'Let Me show you something important' I said 'How is that? Can I fly? Indeed I did feel that I was in my body, and suddenly I found myself in an indescribable place, we can call it 'a palace', but it had no beginning or end, and the ground was in white marble, I could sense things so strongly that I felt it was reality not a dream, and I said to myself 'who got me here' I was afraid if the owner of the place comes and asks me 'how did you get in here'? How will I answer him?! The place was so glorious like the palace of the greatest kings of the earth, I was afraid that he could come and think I'm a thief that went in, It felt so real being there, not like a dream!

All my reactions were natural like in reality, I found myself wearing a white robe and a rope tied around my waist, my feet were bare, I could feel the marble ground, it had a strange feeling to it, I looked before me and there were stairs, at the top of them was the embrace of the father, like in any church. Suddenly a ray of light passed before me, and a man came that looked so bright, like the owner or the king of the place, thought he wore a simple white robe, had golden hair, his skin so white yet a bit reddish especially on his cheeks. He looked so beautiful; I left everything to look at his indescribable beauty. His beauty was not a physical or natural beauty, but emotions and affections flowing out of him and **captivating me!** Though his eyes were closed and he looked sad and in misery.

I looked on the right side of the robe he was wearing, it was open and had the remains of the wound in it, and the opening on his side was so large that I could see his bowls inside. It was a terrific scene and I couldn't look for more than a second. Blood was flowing heavily and spilling on the robe. It was a painful scene, I thought for a second: could it be me that caused the king's misery, because when I looked at him I felt as if I have been looking for something for long years and found it. But how come I be the source of misery to the one I found my delight and fullness in? So I started asking in a lot of fear the king who owned that palace: am I the one causing your cry? Am I the cause of or partner in that injury on your side? I have been looking for you since I was young!! And I want to be with you forever! And I don't want to gaze upon anyone but you.

As I was saying that, I really felt that all I need is to stand before him and gaze upon Him forever, knowing that I won't grow weary or tired of looking at Him, and I realized the answer to the question that I have been asking myself whenever I read the biographies of saints like St. Ana Simon, St. Maximos, St. Domadius; why did they leave the palace and run away? Couldn't they pray while being in the palace? Why did they go to the desert? When I looked upon that king, I found the answer; how would they allow anyone or anything to interrupt them from gazing upon that indescribably beauty.

The Book tells us that His love is better than wine, more powerful than the influence of wine, and man doesn't need physical pleasure or love of another person or other things to fill his mind, because in that king there is all the delight and fullness for the mind, the heart, and the body as well. After all that, I was greatly afraid that I be the source of the pain that He had. I started asking again in a low voice: Am I reason for His crying? His tears were heavy and had a light heavenly color.

The king started speaking: you bring me sadness every day, you torn me and crucify me all the time. What saddens me is not that you so, but the fact that you and many others don't even realize that. not doing bad things is not what holiness is about, and it is not the road that leads you to Me or what pleases Me, **but you do sin as long as you don't try to reach the purpose I made you for**. The actual sin is not laboring to enter in the narrow road every day all the time. You sin when you don't obey My word and live it out. You sin when you don't live the same way I lived on the earth. You sin when you refuse the cross and dying to yourself, you sin when you don't labor to reach the purpose I made you for; which is to bear my image and likeness.

Sin is not doing negative or bad things, but not fulfilling the commandment itself. Haven't you heard what is written 'Whoever knows to do a good thing and not do it is sin' and 'the wage of sin is death'. So you can't truly worship Me or have a real relationship with Me with your current state or nature because it's in enmity with Me and is not filled with Me, that is why it is in constant hunger to the world like an empty cup that is tossed in an ocean. That is why your current nature loves the world and tries to fill its cravings and lusts. You try to fill your emotional needs through another person's love, and to fill your senses with another person's touch. And because the love of the world is enmity with Me, and the mind of the flesh can't please Me. So you are born with a nature that is in enmity with Me as it is written 'you were dead in your sin and transgressions according to the prince of the air' so with your fleshly nature you are separated from me.

In order for you to fulfill the purpose I made you for, that you live and become a branch in Me, being transformed to My image and likeness, You need to start worshipping Me and not worshipping the world and your flesh, refusing to submit to your flesh and its lusts even in the least things, as it is written 'Those who are Christ's have crucified their flesh with its lusts and desires.' You worship what you are a slave of, so you can't worship something or someone else and worship Me at the same time. Many people haven't grasped this yet. You are My temple and My abiding place, and I am to be the only one possessing it, **in fact you are made to be a branch in Me.**

When I breathed into you the breath of life, which is the spirit of man, I entrusted every man to be My temple, and my longing has been that all My branches return to Me to be on My image. But they separated themselves from Me and refused that I be the head. They wanted to fulfill their own personal will and didn't accept being a member in the vine, they didn't want to enter in the narrow road, and they didn't die to themselves on the likeness of My death. They didn't sacrifice the Passover lamb and so they stayed in the land of pharaoh and accepted being in bondage. They refused to be liberated by abiding in Me, and not wanting to depart of the flesh and the foreign vine that they live in, though I am the only true living vine.

People didn't understand that they were born in a foreign vine, and that is not the image that man was created after. Many people lived and never understood this truth. I've created man as a branch in my vine, but I had to give him absolute freedom to choose the God that he wants to worship and the vine that he wants to dwell in. But Adam refused that I be His God and obeyed another entity, so I cast him out of My presence.

You were born and cast off in the wilderness, and your main purpose should be how to get back to the original image that I made man on. But very few of the shepherds preach this truth; that man should go back to the original nature that God made Him on; a nature that doesn't know evil or sin. That took place when we got reborn; we died to our old self with Christ on the cross and got resurrected with Him. As I mentioned in the beginning, 'be perfect even as your Father in Heaven is perfect'

As it is written in 1 John 3:9 'whoever born of God doesn't commit sin and cannot sin'

When man denies Himself and refuses to go with any will other than Mine, then he will live what is written in Romans 8:1 'There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the spirit' The book meant that we return to the original image of being branches in the vine, to live and move through Him.

All fulfillment is in Me; whether mental, emotional, or even physical. Ask yourselves: why do you still need other things in the world? In Heaven it's only Me! That is because you are living in a physical body that needs physical food that fills the physical senses.

I'm no longer the bread of life to you. But whoever wants to go back and live in Me to fulfill the purpose he was made for, he will have to go out of the physical body and begin to sacrifice the Passover lamb, and that is the beginning of being satisfied in Me and the beginning of the Passover.

When you are filled with Me, you will need less of the things of this world and its material. That is the true Passover; going out of the land of Pharaoh which is the land of slavery that we were born in.

All fulfillment is in Me; emotional, mental, and spiritual, as it is in Heaven! But why do people still need other things and in constant hunger like Solomon?! If we say because those people are living away from the Lord, well there are ministers and shepherds who are in constant need for the things of the world and haven't attained to the image of the fullness of Christ.

Why?

The nature that Adam had in the beginning was designed to be fully dependent on God and nothing out of Him, like the branch in the vine. And that is the way man

is going to live in Heaven forever, and it is the way God originally made man to be forever. No food or anything other than God. The Garden of Eden was a model to that life; the branch abiding to the vine and needing nothing out of it. Adam was a branch ready to unite and abide in My vine if he obeyed Me and let Me to be His head and started to live in Me the bread of life to be His main life source.

What happened? That nature got corrupted because Adam chose to take his instructions from another source (himself and Eve). He chose another vine and life source; the flesh. He chose to live, move, and be in it. Man became a slave to his flesh, and sin entered the world, which is life against the will of God.

Man became a slave not a son (you are slaves to whomever you obey). He became a branch in a foreign vine, and his nature got fully corrupted. I'm the true vine, and when Adam refused being a son, He was cast out of the Garden. The image of the son of God and God Himself became hidden from the world. Adam didn't only need to have his sins forgiven, but to be fully restored to the original image.

He was forgiven and the evidence of that is the sacrifice that was made and its skin that covered him and Eve. But more importantly, as long as he chose to live and abide in another vine, he had to be case out. **True rest is found only in living in the will of God.**

Don't forget about the little child whose father was a king, loved him with all his heart, and asked him not to get close to the walls. But the child tried to know why his father told him so. One of the ministers who was cast out of the kingdom deceived the little child and made him think that the king is trying to control him, so the child went out of the walls of the garden that was made on a high hill, and he fell down.

His bones were broken, his face destroyed, scorpions poisoned him. He cried out. Immediately the king came to his rescue. The child said 'Forgive me Father'...His father said "I didn't come from the top of the hill to tell me 'forgive me father' and I tell you 'I forgave you'".

My love is perfect and I'm not angry at you. Is the problem solved by just me forgiving you? You don't need my forgiveness now, but a whole solution to be restored to the original image that you were made and be able to abide in my vine. Remember I came to show you a practical example of how to get to that purpose and live that life so that man will have no excuse to not understand the way.

That is why it is written, "This is the one who came by water and blood--Jesus Christ." (1 John 5:6) **He did not come by water only, but by water and blood.** So

that is what I meant when I said I didn't come only for the forgiveness of sins, and that is what the word water implies, to be born of water. But My purpose was that you become branches in the vine and members of My body. That is what blood meant; I didn't come just to wash you and teach you how to go back to Adam's original pure image, **but my main purpose in the incarnation is the same purpose of creating man; that he becomes a member in me. That is what the grape juice symbolizes. That my blood would flow in you so that you become flesh of My flesh. That way you become restored to that original image; the ruins of the temple I entrusted you with got repaired and restored.**

This is the natural body that needs to be buried first, and afterwards you become on the image of the first Adam, get reborn in the spirit and become members in me, become my witnesses.

That is what happened on the fourth day on which the sun and the stars were created. Man gets to be a model, like the star the guides, it's a symbol of man becoming light to the world because I've worked in Him by My spirit to be like Me. As I told you, you will attain to the Fullness of Christ, which is My image. Every man will be a Jesus on the earth, and that is what the book meant by 'And there are three that bear witness in earth, the Spirit, and the water, and the blood'

I testified of the Father because I was on His image, and it is the image that I desire to see each person on. And the Father testified of Me. It is written "for this is the testimony of God that he has borne concerning his Son. Whoever believes in the Son of God has the testimony in himself. Whoever does not believe God has made him a liar, because he has not believed in the testimony that God has borne concerning his Son. And this is the testimony, that God gave us eternal life, and this life is in his Son." (1 John 5:10-12)

So every person will become like Me and **testify of Me on the earth**. And that is what the Book meant by the three that bear testimony on the earth; **spirit, water, and blood**. The work of My Spirit to birth you again and become members in Me. That is how the world will testify that I'm in you and My work in changing this soul will testify of Me as the God who is Able.

When I went to the temple and cast out the traders, the sheep, and the cattle, it was a symbol of work inside of you to liberate you of the bondage of the flesh and mammon. The Jews asked me: "The Jews then responded to him, 'What sign can you show us to prove your authority to do all this?' I said, 'Destroy this temple, and I will raise it again in three days.'" (John 2:18-19)

What I mean is that **the greatest sign that testifies of Me** on the Earth is birthing man of water, spirit, and blood. That is the greatest sign of my existence and My Spirit's work on the earth. The greatest miracle is man's conversion from death to life. I have also said that 'the spirit of truth that comes of the Father testifies of Me'....so the main testimony of My presence is you going from death to life.

The main purpose in creation is that you be on the image and the likeness of God. And when any person is changed to my image, My spirit that dwells in him will testify of Me. As I told My disciples: **you are My witnesses**. It is also written that the spirit testifies because it is the spirit of truth.

Water symbolizes the work of My spirit that washes and gets you reborn of water and spirit. It is the work of the Spirit that is a testimony of My presence and ability. **As each saint became a witness of Me and My work in him** like Moussa the black and Saul.

So not only do you need forgiveness of sins, but to be restored to the image that you lost. That is what happened to Adam; his nature changed and eyes opened, his eyes were not opened before that. He started to sense what he didn't sense before. He started feeling hunger that he didn't have before. Hunger for another body or source. The issue is not just in sin but the change in his nature and all humanity lost record of what it looked like in Eden and the pure nature man had back then.

That is the purpose of My incarnation; to remind you of the image that Adam lost and reveal it to you by Myself and show you how to get and live that image, and open the door of the kingdom through redemption. People forgot that image and the fact that God's original idea was that every person be a son of God, to be on His image and likeness, like a father and son.

The foolish virgins are ones who don't abide in the world neither have a love for it. 'they went out to meet the bridegroom' they had the will for that...but being a virgin with a will is not enough for uniting with God, and that doesn't mean this soul went to hell, but that soul has not become a member of God neither a branch in the vine. They had lambs without oil. Oil comes as a result of pressing the seeds, meaning that they didn't labor and get pressed to release oil.

Those people didn't seek to know how to get the oil, they didn't learn or have the type of zeal that the wise virgins had, though they live with one another. They had a lamp which is a symbol of mere external worship. Our soul is like a lamp, either it has oil or not, burning or not. The foolish virgins are people who have the shape of a

lamp, and they can be in church serving Christ, but in reality there is no laboring and dying to one's self to enter the narrow road, there is no oil. You can't tell from the outside whether a lamp has oil or not, but every person will be tested at Christ's coming. Difficult times show who really has oil and who doesn't.

The wise virgins are people who have been enlightened and realized that the way to reach their purpose is to labor to be liberated fully from the foreign vine. Even though they gotten weak and fallen asleep like the foolish virgins, but that happens with all the saints, they grow weary at times. But the Lord does remember their labor, the oil doesn't get wasted, and the lamp can be quickly fixed to return to be a burning lamp that is usable and filled with oil that makes it burn.

That is the purpose of my reincarnation; I came in flesh to redeem people and open the door of the kingdom for them and reveal to you the image that I long for you to live on and a real example to follow. Being the Son of God doesn't mean being a relative of God, but I came in the image of a son, the likeness of man, as It is written In Phil. 2:6-8 "who, being in the form of God, did not consider it robbery to be equal with God, but made Himself of no reputation, taking the form of a bondservant, *and* coming in the likeness of men. And being found in appearance as a man, He humbled Himself and became obedient to *the point of* death, even the death of the cross"

Like when we say 'this person is as strong as lion', that doesn't mean that the person is an actual lion, and having the strength of a lion doesn't mean he became a lion or an animal. I'm trying to explain to you the image that God wanted man on as a son, bearing the image and likeness of God. Being the Son of God doesn't mean I have a separate entity, like a natural son who is a separate being from his father, but I'm an extension of the light rays that is coming out of the sun and enter the room, and in that case the ray is not separate from the sun itself or a sample of the sun, but it is an extension of the sun itself, and so am I. I am a spirit that came in flesh, it is written 'God didn't send a man, but the spirit and the word became flesh.'

In that sense, I'm not the Son in the sense of a son that is close to His father, but I came in the image of the Son of God to show you and teach you how to live that image as well, and I said of Myself that I'm the son of righteousness. That is why the sun has been created with its features to give you an image from which you can grasp My nature of coming of God and being a spirit in Him, the same way as the ray came out of the sun and yet it is not separate from the sun itself.

I came from God the Father, from the same being, the same way as the ray that comes out of the sun and enters the room to fulfill a specific purpose. I'm the perfect example of being a son, and my first purpose is to show you the image and likeness of God that I longed for Adam to bear and represent, but unfortunately man forgot it completely as Nebuchadnezzar did.

That is why I told you 'Abide in Me and I abide in you' I didn't say abide in the Father, meaning that I and the Father are one, that is why I said 'no one can come to the Father except through Me' because I am one with the Spirit. The same way the room doesn't have light except through the sun rays entering it, without Me the spirit that came out of the Father no one can come to the light and be with the Father.

I said 'I am the true vine', I didn't say My Father is the true vine, but He is the vinedresser. I said I am the vine and you are the branches, and so I am the source of life, the same life-giving spirit that came out of the Father. I came as a man to fulfill a certain purpose as the sun rays come out of the sun to fulfill a specific role then it goes back to the sun itself. The same way, I am a spirit that come out of the Father to fulfill a certain purpose and after that I ascended and returned to the Father as the rays return to the sun. The sun and its rays are one entity in essence. I and the Father are not two separate entities, but ONE. I said without Me you can do nothing. I didn't say without the Father! That is because I am the same spirit of God that proceeded of the Father; I and the Father are one.

I wanted to awaken you and remind you of your image and purpose, as when I raised Lazarus from the dead. You being separated from Me, the source of life, is death. I didn't come and show it to you in words, but gave you a real example and showed you how to labor and work to return to that original image, which you will bear if you walk as I walked. I repeat it; this will happen if you walk as I've walked. That is why I said 'I came to give you life' like the child that fell from the top of the palace.

When I fasted for 40 days, I became like you even in your weakness. I wanted you to understand that original image I have for you. The spirit of God can revive your body more than it does to plants and other creatures. That is what you will be like in heaven. Enoch and Elijah are both in this body till now, the spirit of God is their source of life. That is why I said 'Father I want them to be one in us as You and I are one'. Man is not trusting the ability of the spirit of God to create and revive.

It is written, "The land was empty and formless" like the water that doesn't mix with oil. The same way with the nature of Adam after he refused God to be His

head and source of life. That fleshly nature became needy and dependent on material food to fill it and the love of other people to fill his emotional needs, and another person to fill the needs of his other senses. Man became in deep hunger and his body burning, as the Apostle Paul instructed people to get married instead of burning with desire. I allowed and blessed marriage in case the person can't contain himself. As it is written in 1 Cor. 7:9 'But if they cannot contain, let them marry, for it is better to marry than to burn.'

So the one that decided unforcefully to remain unmarried and has self-control, let him be so. The one who marries let him do so, and the one who remains unmarried in understanding and maturity, let him do so. The spirit of God (who is like oil) can't fill this nature now. You've become like water that can't mix with oil and humanity became like a branch that is abiding in another vine. As it is written in Song of Songs 1:6 "They made me the keeper of the vineyards, *but* my own vineyard I have not kept."

Man resorted to another vine and life source, a source that is enmity with God and His will. God didn't create man to feed and live on the flesh, He didn't create man to be a separate entity on his own, but to be a member and a branch in the vine. But man chose another vine to feed from, and so it becomes impossible for him to live and have God's spirit as his life source; he simply has another law and force that is in control, and no matter how much he tries with all his will to be a branch in the vine, his being is dwelling and feeding on another source.

As apostle Paul wrote in Rom. 7:14-17 "For we know that the law is spiritual, but I am carnal, sold under sin. For what I am doing, I do not understand. For what I will to do, that I do not practice; but what I hate, that I do. If, then, I do what I will not to do, I agree with the law that *it is* good. But now, *it is* no longer I who do it, but sin that dwells in me."

Those words he said after years of the grace and work of the Holy spirit in him, and not only that, but he said: I do what I will not to do do, and I still serve the law of sin that is inside of me. How come you didn't think of this? Paul was born in a foreign vine as I mentioned in the beginning of the book, as the earth was empty and formless, darkness on the face of the deep, and you agreed with the world and its ways. Remember when Pilate wanted to release me at the time of the cross as he realized I am righteous and no blame is in Me, and he repeated that three times. But the law of sin of people made him accept my crucifixion because he is still under the dominion of another god.

That is why Paul wrote ‘those in the flesh cannot please God and I said ‘those born of the flesh are flesh.’ All his needs are fleshly and material, and what makes it more difficult is that the flesh is always desiring against the spirit, and that is why I said that you need to be born again. In fact, you need to return back to that original image, and that is not you being born with a fleshly nature and need to rise up to another creation or become deeper spiritually, but it is to return to the image and nature that you once had, the image of God, like a branch engrafted in the vine. God’s purpose now is to restore that lost image, not to rise up spiritually or even go deeper, but to return to the original image, stature and nature that you once had.

In order to see the picture more clearly, let us think about the devil for example, suppose he want to be an angel; we will not say he have to be a new creation and put off the old one to become an angel. But we say: the devil should **seek to restore the last image**, which he had lost by his foolishness, and go back to the old stature, the image of an angel. Because he was in a superior nature, and although his disobedience to God, not doing the will of God, he fall and lost this image.

Suppose he want to be an angel, we will not say. He want to be in a new creation more purified or he should be in a new creation. But we say he want to go back to the original pure nature and restore this nature and his former image.

This is what I always wanted to attract your attention to it. Also, this is what I meant by saying resurrection from the dead. To be raised from the dead does not mean to be promoted from a low to high level, but you were born dead in the nature of Adam. That is separated from God, As written, "And you *He made alive*, who were dead in trespasses and sins, in which you once walked according to the course of this world, according to the prince of the power of the air, the spirit who now works in the sons of disobedience, among whom also we all once conducted ourselves in the lusts of our flesh, fulfilling the desires of the flesh and of the mind, and were by nature children of wrath, just as the others." (Ephesians 2:1-3 NKJV) And I want you to become alive, means **in the nature which only live by my spirit, as in heaven.**

That is why, I taught you in the daily prayer to pray: let your will as in heaven be on earth, I intended to ask for this, to be in, and according to my will, according to the pleasure of my will, to live as they live in heaven, and as you going to live forever, to start new from here on earth, through by resurrection from the dead in which you were born.

Adam was **upright**, not in a fallen state or **subject to fall**. This is what it mean an upright person, only if he want, as he did, Adam was completely pure, he was not under the authority of the prince of this world. And the prince of this world was not his head that control him. But he was in such a case that he is **prepared and ready** to be a branch in my vine. Like the lion, which Daniel saw, with the two wings and ready to fly, but because of his disobedience, **its wings were plucked off**, and given a heart of a man. And as the fine looking seven cows **which were eaten up by the seven ugly cows**.

So Adam lost his beautiful image and the eagle which Ezekiel saw which **cropped off its topmost young twig** and pull it up and he thought he made another new vine but it withered. Also like the lion, which Ezekiel saw, which entered the palaces of the nations and destroyed their cities, and made the land to be laid waste filled with roaring, and also the dreadful and terrible, exceedingly strong beast which Daniel Saw, it had huge iron teeth it was devouring, breaking in pieces, and trampling the residue with its feet and as the statue which Nebuchadnezzar saw with the head of fine gold, but this picture is deteriorate from silver, to bronze, to iron, to clay, and at the end, **it broke in pieces** and carried by the wind. And like the male goat also which Daniel saw, with its horn which grew up and cast down some of the stars to the ground and by him, **the sacrifice was taken away**, this is the soul that imagined to be a god.

Adam was at a crossroads and had to choose: either to live move and have his being by me; if he would have remained a branch in my vine, by obeying me alone; or to become a branch in the prince of this world's vine, by obeying him. Adam chose to obey other gods, when he obeyed Eve and the prince of the world. They became idols to him. The prince of the world deceived them when he swindled them saying: "you will be like God" They accepted his offer, not understanding that they were created to become body members in me, not separate independent entities. **When man obeyed another entity, he became this other entity and the entity became a god for him. Man became like a member of his, in his vine.** He lived, moved, and had his being by the flesh and the prince of this world whom he accepted to obey, thus worship instead of me. By this, man's return to the initial state of Adam was not easy at all...He needed to be uprooted of that vine he used to live in for a long period.

Adam not only needed forgiveness of sins ... but also he needed to pull off himself from this foreign vine and walk a long way back to the state He was in before his fall.. His nature completely changed, serious illness

penetrated him. A long treatment was required to remedy and restore his nature as it was, liberated and free.

Man became dead, he needed resurrection, and actually, he needed a Resurrection from the death he became, because he has lived by the flesh and self. This was not the image I created him to be like... I explained this in the story of the children of Israel when they were in the grip of Pharaoh, and were born in slavery; the return to Canaan was not easy....

You were born in this state of bitter bondage... and you became as though the branches of a foreign vine... **You became at home in the body** of a vine that is not mine, controlled by the prince of the world...It is not merely about forgiveness of sins to return to me. It is only the beginning. If all your sins are forgiven do not be deceived thinking that by this you came back as branches in me. The road from Pharaoh to Canaan has many steps. It starts with escaping and liberating from the grip of Pharaoh. As though the branch uproots from a huge tree, of **which it used to live out for long years**. Your nature now completely changed than of Adam's in creation. Forgiveness of sin does not bring back the pure nature of Adam. It is to cancel the negative effects of Sin and to pay the debt that was on you.

If there was a poor man in prison who owed ten thousand pieces of silver as I told you, and another man came and paid his debt, the poor man barely has become free, but did not become rich on that day. The image I wanted you to have is of a rich man.

Now, you don't need just forgiveness of Sin [which is a tantamount to pay the debt] but you need to change your nature and get liberated from this bondage to be able to merely start worshipping me; for you worshipped foreign gods... You wouldn't be able to worship me if your nature wouldn't change by stopping worshipping Pharaoh... Remember how Pharaoh tried to deceive you when he said, "Sacrifice to your God in the land." You must be liberated and fight the good fight that would emancipate you from Pharaoh's bondage, otherwise you would keep on sinning every hour. You couldn't become my image in the land of bondage to this nature, for you became flesh of animals. You became dead in trespasses and sins, according to the course of this world.

It will **require a change of nature, a change of the source of life you were born to live off**. Instead of remaining branches living in a foreign vine which is the flesh and the prince of the world, start living in me. I am the true vine. This is what means competing according to the rules... **This is the narrow**

difficult way, I came to teach you. **Total absence** and alienation from this entity you were born to be at home in. As it is written: While we are at home in the body we are absent from the Lord. For we walk by faith, not by sight. We are confident, **yes, well pleased rather to be absent from the body** and to be present with the Lord.

This is the way of healing from this dreadful disease, which is living in a foreign vine that became your source of life -in place of me- being your God -your source of life- the vine you should live off.

You are now at home in another entity that became **your source of living**. To be absent from this vine you have to start contending and laboring in the difficult way...by dying to your flesh of animal's life. If this flesh is not totally dead and buried and your outward man is perished, The Spirit won't be risen in you. **Die to led-by-flesh life...and start living by me, by The Spirit**. All sacrifices in Leviticus were a symbol of this matter; especially **the sacrifice of burnt offering** with its three stages, for me to smell a soothing aroma.

Sacrificing the offering **the first day** and in the first stage is like the acceptance of man to die to his old life, and that happens by Light for those who open the door to me; similar to what happened the first day of creation when I knocked at your doors saying : Let there be Light". Who opens the door, Light will enter his life and he will understand all these matters.

Then on the 2nd day, in the 2nd stage, the sacrifice was cut in pieces... a symbol of accepting suffering for my sake. The order of offering the sacrifice is for man to perceive that allowing suffering is by order to purify his inner man. For this reason, the sacrifice was washed with its legs and entrails. On that day, your purification commences. This is the firmament that divided the waters under the firmament i.e. mire. Exactly like your status you became. The sun turns it into water above firmament in form of clouds.

As for the third day and in the 3rd stage, the sacrifice was burnt until it turned into ashes; a symbol of **your outward man perishing**. Only then I start to be found in man and be renewed day after day. The end of the third day is the resurrection. This is "the way" I have come to teach you, not that I needed to walk this way. **I did not need a resurrection**, you needed it. **I have come to show you the way to the resurrection**.

Don't be deceived thinking that the goal was to merely make you enter Heaven, and that as soon as your sins are forgiven the purpose is accomplished...The purpose was for you to become like my image if you would walk the way I walked. I am The Way. If one thinks that the purpose was to enter Heaven as soon as being forgiven, where then is "the way" in his life? Where is the growth in stature, favor and wisdom? I am God. If you believe I am God, would I have needed to increase in stature, favor and wisdom? You need to grow, you need me to increase in you gradually the more you die and continue to die like the buried grain.

Adam is no longer in a state of Resurrection. He is no longer standing. **He fell** because his nature has changed the moment **his eyes were opened**; because he has become in the flesh i.e. the flesh controlled him, which is also under the dominion of the prince of the world. Adam no longer only needed forgiveness of sin, but needed also to be back to his free pure nature.

When you rise from dead, it is neither an evolution nor going to bigger depth. It is a return to the state you were in before. The state in which Adam was- at zero point. This is what I called a baptism of water. Adam was born from water...He was neither under Law nor slavery. Not that he didn't do evil, but he was in a complete purity washed by water **and had no need to be born from water because he was in full purity and did not understand evil. He needed to be born again from The Spirit; to be filled with The Spirit.**

Now, you did not you return to the image of Adam the day He was created, the image of the standing man. You became below zero point and needed three steps towards resurrection on the third day. The very same state of Adam before falling.

That is why the first three days of the six days of creation were the adaptation and the birth from water stage; to return to the first image of Adam, the zero level... the stage of the standing man. This is the resurrection from dead. If you have died with me, and have been united together in the likeness of my death, certainly you also shall be in the likeness of my resurrection, as I have shown you. I did not need resurrection. (This is if you believe that I am God who appeared in the image of man). You needed resurrection. You celebrate Easter the Day of my Resurrection and you don't realize that you are the ones who need resurrection. Feast and Celebration should take place when you know the way and walk in it. When you die in the likeness of my death and rise as I was risen and have shown you. This is the secret of The Saints' good fight of faith, through the ages.

As for the next 3 days of the 6 days of creation, they were symbols of the birth from the Spirit towards a perfect man. In other words to be filled to the fullness of my Spirit as Scripture said, "to the measure of the stature of the fullness of Christ." (Ephesians 4)

This is the resurrection point. The state I came to show you **how to attain**. My image is not the image of a man born of water but rather the image of a man in a standing state. **Being born of water and The Spirit is the real baptism, which is the beginning of the way that brings you back to the image of Adam. It doesn't begin in the ritual of baptism while you are children with no clue... Despite the fact that I give you through this ritual the token of the Spirit so when you grow up you could decide: Do you want to live up to the real baptism, which is laying one's life as I walked?**

Any deed without labor has no value. Similar to the foolish virgins who thought they could buy oil, are those who thought that by fulfilling the ritual or the order they would be transformed into a high spiritual stature. They think they could become saints by fulfilling that ritual; which I didn't say. I assured you that it is a long way in which the old man you wore dies till I am born in you and make My Spirit grow in you. The more your outward man perishes which is the old man, the more My Spirit [the new man] grows and renews day after day.

It is also written "For if there had been a law given which could have given life, truly righteousness would have been by the law". This means the change doesn't happen by observing an order, but by hard work. It is not an ordinary warfare, but **it is resisting to bloodshed, according to the rules.** Or else **had all who practiced the ritual of baptism and communion become saints?** It did not happen and will never do. Have you eyes, and you don't see yet? And minds that do not understand?! Examine yourselves: Have you already become saints?!

How narrow is the gate and difficult is the way which leads to life. Those who run the race don't all obtain the prize, with much better reason, **would you think that a child who doesn't know , perceive nor understand to decide, would he take a prize while being in that state of ignorance ?**

It is written:" Now He who has prepared us for this very thing is God, who also has given us the Spirit as a guarantee." (2 Corinthians 5:5) The word guarantee is like an earnest or a down payment, i.e. a pledge and a deposit paid in advance. It is like my pledge to those who decide to worship me by obeying me and walking as I walked. By rejecting the love of the world, rather, dying to all the corners of the

world. Refusing to live by the flesh and start living by The Spirit. On that day, I pledge to them to start working in them by my spirit the same way water has its work in the seed. However, if man wouldn't start dying off his old ways, he wouldn't benefit from the guarantee, the deposit placed for him. **Same as seeds that wouldn't benefit from water and manure unless they are first buried.** It is also written "while we are at home in the body we are absent from the Lord. We are confident, yes, well pleased rather to be absent from the body and to be present with the Lord so that mortality may be swallowed up by life."

Have you forgotten what Paul said: For the creation **was subjected** to futility and I gave it hope to be delivered from the bondage of corruption into the glorious liberty of the children of God" My son Paul whom I gave an amazing grace, assured saying: "but we also who have the first fruits of the Spirit, even we ourselves groan within ourselves, eagerly waiting for the adoption, the redemption of our body." He confirms many facts by the light of my revealing Spirit. First, the fulfillment of the ritual of baptism is a first fruit of the Spirit, the guarantee and the deposit with which he could start striving against sin. Although he struggled for a long period of time and for many years, yet, he declared to you in the scripture that he still groan and whine because of his nature, the fact that he confirmed in the previous chapter when he said : "O wretched man that I am! Who will deliver me from this body of death?" This is the old nature that was still forcing him to do evil which he distinguished evil - the same as a man wakes up- willingly and completely rejecting the law of his mind.

In spite of all that he was doing the evil which he hated. As if this law is a giant ruler over this soul, albeit the soul wanted and decided to worship me, by breaking free of this foreign vine and bondage. A man shall not be emancipated in a day or in a month. Warfare shall continue as Paul my son told you. He who doesn't feel, discover and realize this war, won't be walking the way. He would continue being a dead man all along the way. It means that he will remain striving to die, given that he started to walk in the light, until he reaches victory, by my grace.

True baptism is the life of death to self all along the difficult way, **in the likeness of the seed and its necessary burial for true life to start in it.** This is the true way, the difficult way that ends by resurrection. It is written "Buried with him in baptism". Therefore, baptism is not about practicing a ritual; rather, it is a life of death all along the difficult way that ends by the resurrection, the resurrection of My Spirit in you.

The latter didn't happen in the ritual of baptism. For you didn't return to the image of Adam who couldn't comprehend evil. The example is made clearer in the example of the Baptism of adults. When a non-Christian adult decides to become Christian through baptism; we see that he doesn't come back at once to the image of Adam; for he still understands evil and sin. Still another law in his members, warring against the law of his mind, and he still needs warfare and a mortification path till what is holding him by dies.

Some thought that by practicing the ritual, they become after My image and likeness. Neither did it happen nor did I say it. I called baptism "a birth of above, a birth of water and of The Spirit".

Birth is the beginning of a thing not its end. Birth is not the ritual itself. It happens when man starts his labor in the difficult way by dying to self and flesh. On that day precisely, when he is buried like a grain, it is his first day of true baptism done by the work of My Spirit. He took the balance and the guarantee in the ritual. To those who started and stopped in the stage, I said: But woe to those who are pregnant and to those who are nursing babies in those days! What is the use of being birthed in you if you don't fulfill the growth conditions? To those who started to be pregnant in me, and then they didn't grow; I gave those woes. For much better reason, **what do you think I would say to those who didn't begin their difficult way and their death with me? Those who didn't even start to be pregnant in me?** What do you think I would say to them?

The difficult way is not practicing the ritual. Practicing the ritual is not the difficult way. I said "Narrow is the gate and difficult is the way and there are few who find it." Practicing the ritual is not difficult to reach, not few who found it either. I was talking about **labor**, the good fight itself. As for baptism, it is the life of continual death and this is the secret of the Saints' labor. When I commended John the Baptist, I wanted to exhort you to change, and show you how to reach the image of perfection. It is by fighting as this Saint did. Haven't you read the Bible? Did you think it is a mere historical story? Every word that proceeds from my mouth is life... It gives you life if you live it. It is a step in the way.

I told you what was John eating and wearing to inform you about his labor according to the rules, how the death he lived led him to resurrection. Declining to live in pleasure of the flesh, helps accelerating the death of the old man; it liberates you swiftly from the bondage of the prince of the world, thus you could be uprooted from his vine. That is why I told you: "But what did you go out to see? **A man**

clothed in soft garments? For the soul that lives in pleasure is dead while it lives." It is also written: "In the measure that she glorified herself and lived. Luxuriously, in the same measure give her torment and sorrow." For that reason I said "Come now, you rich, weep and howl for your miseries that are coming upon you." My Spirit is the treasure, the true and only richness. I opened the minds of People of Nineveh to understand the way of death that liberate them from their inborn bondage, so they could beseech me. They realized that not only they needed forgiveness of sins but also they had to be liberated from bondage, by disciplining their bodies and bringing it into subjection, by crucifying the flesh with its passions and desires. This is when they wore sackcloth.

Daniel perceived this truth when he said: **I humbled myself in ashes... wore sackcloth. I ate no pleasant food, I didn't anoint myself.** Why an Old Testament man would do these things? Whereas you keep on saying we are saved, we don't need labor or death!!! Look at the greatest saint in the church history; who labored more than the disciples and apostles. He said: "that I may know Him and the power of His resurrection, and the fellowship of His sufferings, being conformed to His death, if, by any means, I may attain to the resurrection from the dead. Not that I have already attained, or am already perfected; but I press on, that I may lay hold of that for which Christ Jesus has also laid hold of me. Brethren, I do not count myself to have apprehended." (Philippians 2)

Those who think they have attained and are saved; haven't they read the words of this saint which are my gospel's words?!! That after all these years he didn't count himself to have apprehended. That he has to keep pressing on. Rather, he said that he is the first sinner and has nothing good in him" Please remember always the labor of John the Baptist in the wilderness for 30 years. Remind yourselves why did he do that? If the purpose was to enter Heaven as you may suppose; why did he labor for 30 years? Why did Paul say: **I do not count myself to have apprehended. ?**

It is because he was fully enlightened and aware that the goal was not to enter heaven, but the goal is to be transformed into My same image. He was talking about very long stages of growth in the long way of anguish, and he realized he did not attain much... My son Paul had obtained the forgiveness of sin for so many years...He also grew... But he realized that the entry of Heaven is not the goal... otherwise he would have said: **I am saved, my sins are forgiven and I'm going to Heaven with no doubt.** Yet, he didn't speak about that; rather he talked about the difficult race and that not all who run it shall receive the prize. For this he said, "Not that I have already attained, or am already perfected; but I press on, that I

may lay hold of that for which Christ Jesus has also laid hold of me." Again, if the goal was to enter Heaven, he would have said: I labored more than all apostles, for sure The Lord forgave my sins, with no question, and I will enter Heaven at the cost of the blood. I will be next to The Lord, I will wear crowns. Do you have eyes that don't see that far? Minds that don't perceive and hearts that are hardened?

Many say: The Lord paid our debts, debt is paid once and for all. Where is that from the difficult way? Which stage do you mean? Paul my son didn't say such things. He was groaning because of his old nature saying: "O wretched man that I am! Who will deliver me from this body of death?" Can't you see this matter as well?

It is not about paying debts or forgiving sins, it is about transforming nature. This change happens by striving against sin, resisting to bloodshed in the long difficult way of struggle and long-lasting warfare. I said "Narrow is the gate and difficult is the way which leads to life" - not to forgiveness. Life means life in me. Can't you see my words and my life? How I withdrew in wilderness, fasted and how did I refuse to eat a loaf of bread after fasting that long! Do you have ears yet you don't hear? Do you have minds yet you don't grasp these matters? Look at yourselves, did you become like John the Baptist, or Elijah?! Do you have faith that moves mountains or that cures any sickness among you?! Those who think they are in faith. Don't they go to a doctor with faith in me, in what I promised to heal their bodies? In the scripture that says "Is anyone among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord. Or do you still deceive yourself and those around you by claiming you are in faith?"

Reaching the purpose requires running a race. It is not a stance taken in a certain moment like forgiveness of sins. If it was about just paying a debt, Paul wouldn't say twice "I do not count myself I apprehended" Forgiveness of sins and paying debts are fulfilled in just one day. If Paul had this concept he would have said, **"I attained everything and The Lord paid my debts. I apprehended everything and I don't have to press on. I am forgiven and will enter heaven on the account of His Blood. I don't need the fellowship of his sufferings,** nor fighting the good fight nor resisting to bloodshed nor any sort of laboring." Debt is paid; sins are forgiven once and for all simply just because I believed. On the contrary, Paul was fully enlightened so he said "Not that I have already attained, or am already perfected; but **I press on...**" **Shall continue pressing on. Shall continue running the race,** that I may, I may... I may attain and win the prize. "We see that the words of this enlightened saint were not

affirmative as he said: **I may lay hold**” It is not like he is not sure that he will enter Heaven. Nay, he was very sure. However, He realized fully that this wasn't the purpose he was created for, rather it is to be transformed into the same image like what he said "to attain a perfect man, to the measure of the stature of the fullness of Christ" This is what he meant by saying "that I may lay hold". In another word, that he may lay hold of this stature, to be transformed into this same image and stature that requires resistance till bloodshed. Entering Heaven doesn't require any struggle or pressing on... It happens when debts are paid the same like what happened with the thief on the right of Jesus.

Those who think they are saved simply because they have escaped from the destroyer, do they really realize what salvation means? Do they realize the goal? No man could attain this goal which is reaching my stature in one moment; no one could say I attained in one moment the stature of the fullness of Christ.

This salvation is a pre step in the way. For the way starts with true baptism symbolized in the crossing of the Red Sea... Moreover, those who ate the Passover lamb or Manna haven't all come through. Only Joshua and Caleb came through **If Moses, the greatest prophet, didn't enter the Promised Land; all the more reasons, where do you think you are going?**

How did you forget all this? Those even who were running the race like Moses didn't enter that rest? Which is the symbol of being in me like branches in my vine. How would you think that by repentance only, your salvation and attainment are fulfilled? Did you forget Moses the great Prophet? **The goal is entering The Land of rest and not just escaping the destroyer.** "Therefore, since a promise remains of entering His rest, let us fear lest any of you seem to have come short of it". As it is written "And we desire that each one of you show the same diligence."

You are still below zero point, for the pure image of Adam was distorted and lost. The purpose of my incarnation was to restore this image in you... For you to **recover the lost image.** The pure image that doesn't know evil. By this, you are qualified for becoming branches in me... I showed you that you are in the same state as people of Israel when they were under the grip of Pharaoh; they were born in bitter bondage.

Adam was free the day I created him. When he refused me as Head and source of his life he became dead and under bondage. You were born under this condition. Faith in me alone doesn't liberate you from this bondage but rather by struggling. I said I am the way. **Strive to enter through the narrow gate** it will lead to life,

to the return to the pure image. To live, move and have your being in the vine. I didn't say **"Believe in my incarnation and crucifixion and you will become at once my image and my likeness."** Many are deceived when referring to: "Just believe" But on the other hand I said "Narrow is the gate and difficult is the way **which leads to life, which leads to the purpose... To become my body members.**

Believing in my death on the cross forgives sins. I take away men's sins no matter how many. Because the old nature is still working in you, your sins are recurrent. I want you to be saints the same way Daniel, Elijah, and John the Baptist had closeness, reverence and faith. The old man that you were held by must be crucified and died to **what it was held by.** You must struggle; keeping from obeying your flesh, the world and people. Like the seed, you must be **united in the likeness of my death.** This is the secret of Saints' labor. They realized the cause and the purpose. The purpose is that the body of sin might be done away with, so it doesn't have control over you. For it is written: **"For if we have been united together in the likeness of His death, certainly we also shall be in the likeness of His resurrection, knowing this, that our old man was crucified with Him, that the body of sin might be done away with, that we should no longer be slaves of sin.** For he who has died has been freed from sin. (Romans 6: 5-7)

The scripture said: "Knowing this, that our old man was crucified with him". It didn't say: Knowing that your sins are forgiven. By dying to your old nature and by the perishing of the outward man and this happens after a long difficult way... The old man will be crucified and the body of sin will be done away, so that the other law stops having dominion over man. So you may say with Paul: "But now we have been delivered from the law, having died to what **we were held by.**" Forgiving sins is like saving a man from a pit and washing him. But he will remain at a plain level.

Salvation is a pre step in the way. Baptism was fulfilled at the sea... Because the way towards baptism should be a period of enlightenment, conviction and acceptance of remaining dead to all sinful passions of the flesh and the world all along the difficult way.. Realizing it is a foreign worship.

Friendship with the world is enmity against God. Disobeying acts as **ceasing to worship these gods.** At this moment like in the example of the work of water in the seed. I will work in you. The virgin started to be conceived with me after the good tidings of the angel. The scripture is not just about my story on earth. **You**

should live every word of it. From the angel's announcement till resurrection, that was the way. Live it.

Those who allow me to reach them through sermons of scripture have accepted the good tidings as Mary did. She believed she will conceive in her womb **without knowing a man. It means it is my work alone.** As you see, Mary was a symbol of the souls which accepted the good tidings and are convinced that I could be born in them. On the other hand, Zacharias is a symbol of those who said "How shall I know this?" It wasn't just a question from his part like the Virgin, but he deplored and called into question my promises. I made him mute to tell him that worship is not repeating words only. It has no use if he doesn't understand and live the purpose. Exactly like those who engage in rituals while they don't understand the purpose and refuse to be convinced they could become saints like Elijah and John the Baptist.

Those who believed like The Virgin are like Elijah who was a man with a nature like ours. They are like John the Baptist. Trust in me and my power. Even if it sounds difficult to become like those saints; put in mind that nothing is too hard for me. Remember the angel said to Mary "The Holy Spirit will come upon you, and the power of the Highest will overshadow you." So it is by the power of the Most High the Lord Almighty. I grew in her, I dwelt in her, and I grew in her house. Then she took care of me till I grew in stature, wisdom and grace.

If you want to return to Adam's original image, trust in me like The Virgin Mary did. I could be born in you and recreate you, make you Holy, in my image and likeness. Don't be deceived like those who reduce salvation in just forgiveness of sins. This is the belief of people whose purpose is just to escape from Hell and enter Heaven. I created you not just to enter Heaven but to be in my image and to **be filled to the fullness of me to be in the fullness of my stature. This is the image I want for you.**

If your purpose is just to escape Hell then **you are full of yourselves, and you don't love me.** Those who love me, will die for me, will be crucified with me, and will unite in the likeness of my death to become a member in me. I told you are members of My body, **of My flesh and of My bones.**

Slavery will make you sin. For whoever shall keep the whole law, **and yet stumble in one point, he is guilty of all.** Don't you understand that by this he remains lawless? Whoever commits sin also commits lawlessness, and sin is lawlessness.

It is a long way with several stages. Full of warfare against spiritual Hosts of wickedness and darkness. People of Israel after sacrificing the Passover lamb had to walk a long way towards freedom. [Salvation from the destroyer] is just a start. I wrote to you: **work out your own salvation** with fear and trembling (Philippians 2: 12)

Reaching Canaan is the purpose. This is what it means working out your salvation. **Salvation** from the destroyer is just **a predisposing to the way. Baptism starts at the sea and not in the land of Pharaoh.**

Man wouldn't be convinced to quit the mundane things unless he is enlightened. My Grace and my Light enable him to see and renounce things. They enable him to be buried like a seed. To stop living according to his flesh, the glory from people, money and worldly things. The seed when buried, doesn't bring fruits same day. **The beginning of salvation is the day the seed falls into the ground. When it gives fruits is the day when salvation is fully accomplished. Like entering Canaan. Like the day you are formed as an embryo comparing to the day you are born. No man would think of a new born as an adult.**

You do not become holy or a mature Saint just the day you decide to quit doing evil. Completing your salvation is a long way in which I test you so you could grow in stature, wisdom and grace. People of Israel didn't enter Canaan after being saved from the destroyer. The seed didn't become a tree the day it fell into the ground. The embryo didn't become an adult the day it is formed in the womb.

[Crossing the Red Sea was a symbol of this birth of water and the time I **commence being born in the soul.** I set the sea apart and killed Pharaoh]. In the way, when man is crucified with me, he shall rise with me and I will rise in him. For it is written "Whoever has been born of God does not sin, for His seed remains in him; and he cannot sin, because he has been born of God".

It is written: for **His seed remains in him;** means he will be a branch in me, returning to the image of Adam the day he was created (not knowing evil). Some may think that as long as we are in the flesh we must sin. It is partially true but only valid for the birth of water stage; in the struggle period. But when you abide in me, I become your head, so you don't sin. It is written about this man: But he who does the truth comes to the light, **that his deeds may be clearly seen, that they have**

been done in God. (John 3:21). Also it is written "There is therefore now no condemnation to those who are in Christ Jesus, who do not walk according to the flesh, but according to the Spirit". (Romans 8:1)

"Because through Christ Jesus the law of the Spirit who gives life has set you free from the law of sin and death. For what the law was powerless to do because it was weakened by the flesh, God did by sending his own Son in the likeness of sinful flesh to be a sin offering". (Romans 8: 2-3).

There was no condemnation to Adam the day he was created. This is the image I want you to be. You have to start laboring same way Adam had to struggle to reach the fullness of me to be my image and likeness. I mean to have same character of me as I was on earth showing you the likeness of the perfect man and how he becomes a son of God as well.

The beginning of the seed's life is its death. Accordingly, you could test yourself, are you risen and bearing fruits? Am I really your head? **Do you love your enemies?** Are you able **to forsake all what you have** as I told you? **"Whoever of you does not forsake all that he has** cannot be My disciple." Would you lose your life for my sake? He who finds his life will lose it. **He who loses his life for My sake will find it.**

Do you always pray without losing heart? Paul has discovered this when he said: "For we know that the law is spiritual, but I am carnal, sold under sin". (Romans 7: 14) He realized this truth after coming to faith for long years. He confessed that I appeared in flesh, yet he was even more enlightened to understand the purpose. He had to step forward the predisposition stage that was under the leadership of Moses and John the Baptist to return to the initial image of the first Adam as I am risen in him. Only then he will enter Canaan; symbol of man becoming a branch in me. Only then he could walk the way Adam had to walk to be born of the Spirit which allows him to live by me and My Spirit; till he is filled to the fullness of God as it is written **"to the measure of the stature of the fullness of Christ"** Reaching resurrection i.e. being born of water is symbolized by the first 3 days of creation. That is why I am risen on the 3rd day. The second stage which is the way Adam had to walk is symbolized by the following 3 days of creation. I.e. from day 4 till day 6. The real rest for me and for that man. That is why I rested on the seventh day.

Creation was not an effort for me to need rest. I just said "let there be" and it came to being. I didn't create the universe with my muscles to need to rest. Real rest is when man becomes part of me and one in me. This is the image I had in mind and wanted man to become, and for that reason I created him.

Paul, my son, realized that the way is long and difficult. It required many steps and stages. After so many years he said: "I don't count myself I have attained".

When on earth, I showed you the image of the free man led by My Spirit. I was a practical example. I was led by the Spirit to the point I didn't need food for my body... Ask yourself why I did that.

Adam was all set the day he was created to live by me alone; like a branch in the vine. I want you to come back to this state...to live by me as you will be in Heaven. Needing nothing and living for nobody else but me. It should be your major concern to restore this missing image.

Any sane person when infected with cancer, hurry to see a doctor because he is aware of the seriousness of the disease and he realizes that his treatment is at that doctor, as if he says to him "**please remove and cut off and slay this part** to be saved from death." But when another uninformed man, unaware of the seriousness of his illness, went to the doctor who found his cancer and had to excise the infected part" ... Then this non-enlightened patient would answer him saying "What?!! ... Do you want to take off a part of me and deprive me from a part of my flesh?! Do you want to also rob my money?! Do you want to torment me hurt me and take my right?! You are such an evil man!!

What would say about such blind man? The man who is not in The Spirit would say same thing to me. Many refuse pain and cease to be my sheep. They are goats who refuse to obey me, and become members in me. They refuse my dominion over them. Joseph son of Jacob was an obedient sheep. He endured injustice and hater without grumbling. He knew I loved him and wouldn't allow anything to destroy him. He had complete faith and submission to me. He was a real sheep following The Shepherd. But better than the lost sheep is the prodigal son. The sheep accepts to be tied up and put on the altar of burnt offering without moaning. On the other hand the son goes voluntarily and tie himself up saying: **I have been crucified with Christ; It is no longer I who live, but Christ lives in me.**

All saints were sons not sheep. The Light that entered their minds was major. They had a strong will as they sought to **know the way at noonday.** They

willingly went to the altar of burnt offering. Like the example I gave you of the cancer patient. The doctor didn't have to beg him to operate him. On the contrary, the patient asked the doctor to operate and excise the disease. This is the secret of Saints' labor.

Those who didn't allow Light to enter them will refuse to be sons, even sheep... or maybe after a long time they would. Remember Jacob. Who moaned and groaned for so many years thinking that I stormed him and usurped his right. . He didn't realize that I was striving to save him and make him go deep. But at the end **he understood the use of the narrow gate**. Like a burnt offering **the outward man perishes till the cross**. Then the veil is torn, the old man dies together with the other law and the foreign vine. Then he would say: **I have heard of You by the hearing of the ear, but now my eye sees You**.

The moment Adam's carnal eyes opened, his spiritual eyes shut down. Job knew the purpose of the cross when Eli Hu reproached him. I was talking in him by The Spirit. Read what Eli Hu said to Job in The Spirit:

Surely you have spoken in my hearing,
and I have heard the sound of your words, saying, 'I am pure, without transgression;
I am innocent, and there is no iniquity in me. Yet He finds occasions against me,
He counts me as His enemy; He puts my feet in the stocks,
He watches all my paths.'

“Look, in this you are not righteous.

I will answer you,

For God is greater than man. Why do you contend with Him?

For He does not give an accounting of any of His words. For God may speak in one way, or in another,

yet man does not perceive it. In a dream, in a vision of the night,
when deep sleep falls upon men,

while slumbering on their beds, Then He opens the ears of men,

and seals their instruction. **In order to turn man from his deed, and conceal pride from man, He keeps back his soul from the Pit,**

and his life from perishing by the sword.

“Man is also chastened with pain on his bed, and with strong pain in many of his bones, So that his life abhors bread, and his soul succulent food. His flesh wastes away from sight,

And his bones stick out which once were not seen. Yes, his soul draws near the Pit, and his life to the executioners.

“If there is a messenger for him,
A mediator, one among a thousand,
To show man His uprightness, Then He is gracious to him, and says,
‘Deliver him from going down to the Pit;
I have found a ransom’; **His flesh shall be young like a child’s,
He shall return to the days of his youth. He shall pray to God, and He
will delight in him,
He shall see His face with joy,
For He restores to man His righteousness. Then he looks at men and
says,
‘I have sinned, and perverted what was right,
and it did not profit me.’ He will redeem his soul from going down to the
Pit,
and his life shall see the light.** (Job 33)

That is the purpose of the cross, this is what I have spoken through Eli Hu ... the death of the old man who was feeding on the world, worshipping himself being his own head...in order to feed on me The Bread of life. To the point that he detests his old life...and become born again like children living on me.

I strive to your salvation by tying you up and putting you on the altar of burnt offering. The problem is that you don’t have a spiritual insight ...You still reject remedy. Because you didn't ask for Light, you still don’t understand the purpose precisely. You thought that it is all about going to Heaven by having sins forgiven... You don’t walk the way like I did. You don't live the gospel till now. **You have lost majorly that you could regret all eternity.**

Ask yourselves: **Would I give you eternal life so you could only ask for forgiveness?** Would you think that thousands of verses and chapters in the bible are only **to teach you to just ask for forgiveness?** I told you that the tax collector had beaten his breast and said 5 words and I did forgive him. I granted all forgiveness without tiring out. It doesn't need teaching. It springs from a true will and a spiritual reproach. **If one's goal is only to enter heaven by repentance, he needs not the whole Bible.**

You only concentrated on Me being the way of salvation and justice to the point that **you lost track of following my example** and you misinterpreted the goal and the steps of the way. When I said I am the way I meant you should walk as I did. Elijah was just a man like you; did you ask yourselves how he reached this high spiritual stature? How a king would bow down to Daniel? While Abraham lied, David killed, Peter wasn't straight and Paul was sent to him. Did you ask yourselves **from where came this disparity?**

Even Moses with all the great wonders I did through him didn't have the same honor as Daniel who didn't do any single miracle before the king. I did not support him in any significant form usually measured by humans! Daniel didn't preach about me. I did not give him the gift of making miracles to draw attention, though he had the anointing of John the Baptist, The honor. As I promised " I will send My fear before you, I will cause confusion among all the people to whom you come" Indeed I will make those of the synagogue of Satan, who say they are Jews and are not, but lie—**indeed I will make them come and worship before your feet, and to know that I have loved you.** (Revelation 3: 9)

I sent Gabriel the archangel to Daniel to tell him "and I have come to tell you, **for you are greatly beloved**". He was beloved by all Heaven habitants. The verse I said to Isaiah was applicable on Daniel: "The Lord has called Me from the womb; from the matrix of My mother He has made mention of My name. And He has made **My mouth like a sharp sword**; in the shadow of his hand he hid me; he made me into **a polished arrow** and concealed me in his quiver. And He said to me, 'You are My servant, O Israel, in whom I will be glorified.' I will also give **you as a light to the Gentiles; That You should be My salvation to the ends of the earth.**' Because of the Lord who is faithful, The Holy One of Israel; And He has chosen you." I will preserve You and give You as a covenant to the people, Kings shall be your foster fathers, and their queens your nursing mothers; **they shall bow down to you with their faces to the earth, and lick up the dust of your feet. Then you will know that I am the Lord,** for they shall not be ashamed who wait for Me." (Isaiah 49)

Ask yourselves on whom those words would be applicable? The answer will inform you about who did become my image and who didn't. This is the criteria and the measure to gauge you. When David abode in me, Goliath was defeated; He even killed a lion and a bear. But when he started to live by the flesh he lost his mind and killed an innocent man for a woman. My fear and honor was taken away from him

and I expelled him from the palace. Same goes for Abraham who hadn't enjoyed this honor for long period of time. Even Moses, after all the mighty wonders, he was scourged by Pharaoh who said to him: Get away from me! Take heed to yourself and see my face no more! For in the day you see my face you shall die!"

Nebuchadnezzar didn't even dare to say such a thing to Daniel. Look at how Daniel and John the Baptist lived; you would then understand why Daniel was beloved of Heaven and why The Baptist was the greatest among those born of women. He ate wild honey. Never had enough bread. Daniel was chief governor yet he was very strict with himself. He ate only vegetables and drank only water. He could have eaten meat and pleasant food from outside the palace. He could have bought animals to feed himself.

I gave him the gift of disclosing mysteries and dreams. My honor inhabited him. I made the greatest king of all the earth, bow down before him. While Moses was chased by pharaohs and his hosts. **Again look at how Daniel and John the Baptist have lived.**

The scripture prophesied about The Baptist because he reached the fullness of my stature. He was perfected to my image. If you don't love me enough you can't labor for me. For this I said: **He who has My commandments and keeps them, it is he who loves Me.** If one forces himself to walk the way without loving me, there is no use of his labor. As I said "and though I give my body to be burned, but have not love, it profits me nothing". If a man would give for love. All the wealth of his house, It would be utterly despised". He who has My commandments and keeps them, it is he who loves Me. I kept my Father's commandments. I acted as a son of God showing you how any man could be a son of God.

It is like the example of the foolish virgins who didn't have vessels for the oil, unlike the wise virgins who understood that by being prepared for the way, prepared for being filled by me they made themselves ready vessels for my dwelling in them. As John the Baptist said "Prepare the way of The Lord" The vessels are the sanctuary of each person and the stewardship you were entrusted to prepare the soul for my dwelling.

Your age is a timed chance. I told you that from the days of John the Baptist until now the kingdom of heaven suffers violence, and the violent take it by force. He was a practical example, as he walked the way he was calling others to prepare. You have no excuse. You ought to take the kingdom by force for it is the hidden treasure. **I resembled myself to a thief** who comes at midnight to steal what is not mine...

Actually I want to snatch you like a thief from the prince of this world. **You presented yourselves to him and you stopped being my belonging.** I had to snatch you like a thief.

When I strive for your salvation and come to save you from the city of doom ...You make me look like a thief.

When I died on the cross, the veil was torn in **two from top to bottom.** This was a symbol to teach you that when you crucify yourselves the old man will be separated from the new man. The dominion of Esau over your lives will perish. You will be absent from the body because **it was torn like the veil.** The solution was **not to hide like Adam did.** But by circumcising your hearts and knowing the weakness that is in you. I want you to be spiritually circumcised as I clarified to you in the New Testament many times in Paul's epistles. You could test yourselves: are you freed? Or still in slavery with the foreskin.

Are you fully in control of your body or is it still in control? Are you liberated from the old serpent? Or is it still in control? I was very strict with Moses when he didn't grasp the idea of circumcision and didn't take it seriously for his son. I appeared on the way and made it like I would kill his son. Then Zipporah took a sharp stone and cut off the foreskin of her son and cast it at Moses' feet, so I **released** him, then she said, "Surely you are a husband of blood to me!"

Many didn't understand the spiritual circumcision. It is like seeking to be naked before me and discover your weakness. You didn't grasp the meaning of the Circumcision of the heart by the spirit. Actually you cannot enter a new covenant with me unless you are spiritually circumcised. It is not just an old testament ritual...**Many of you are still in the Old Testament and need to be delivered from the bondage of their bodies and cease being naked.** When you become crucified you will see **that even rocks will split as they did when I was crucified. This is what I wanted you to attain. That every single stumbling block in you impeded growth to split. Only then the graves will be opened; I will rise in you.**

In The Old testament people needed priesthood and rituals as **the veil was still standing. That is why you needed a mediator between you and me.** Enmity was still there represented in the veil. **Being in the Old Testament**

means you are still in your old man. Like a girl unmarried who remains in her old house.

When she decides to be committed to her bridegroom, she would leave her old life and her father's house and dwell with her bridegroom. Her life would completely change. She would automatically reject all what was old including her old character. She enters in a new covenant. Only then the veil is torn. She doesn't need any more a mediator between her and her husband as she became so close to him. **She becomes herself the mediator like a priest.** This is the step that many refuse to take, because they are reluctant to leave old desires and self for my sake. They live in hunger not knowing that I am the source of fullness. I told you I am the bread of life. Your ancestors ate the manna in the wilderness and even died. Do not labor for the food which perishes, but for the food which endures to everlasting life" I wanted to draw your attention to the life of everlasting fullness; that People of Israel refused and inclined towards the life of slavery under Pharaoh's grip, despite they were **in bitter bondage**. Because of the pots of meat, fish and melon they refused me The Bread of Life. They didn't realize that they should live by me and walk by the spirit. They even said: our soul loathes this worthless bread."

The same thing reoccurred in the New Testament. I told the assembly not to repeat the mistakes of People of Israel and understand that **I am the bread of life**. I created you to have your fullness of me and live as in heaven. But many people including [my own disciples] found these words difficult to understand. It is written "From that time many of His disciples went back and walked with Him no more". People of Israel repeated the same mistake of their ancestors not realizing the purpose. I didn't create them to live according to the flesh. For this, I told them: "You seek Me, not because you saw the signs, but because you ate of the loaves and were filled". **"Do not labor for the food which perishes, but for the food which endures to everlasting life"**. On the other hand, John the Baptist and Daniel and thousands of saints I mentioned in the bible: of whom the world was not worthy. They wandered in sheepskins and goatskins in deserts and mountains, in dens and caves of the earth for the sake of their love to me.

Those who didn't die and didn't understand the purpose yet are like the people of Israel or the disciples who walked away from me. They are leading an Old Testament life style. They go to churches and practice rituals like the Old Testament. For this reason **I didn't incarnate right after Adam's fall, or in the days of Noah or Abraham. I left humanity for some time and meanwhile I arranged rituals and legislations to be a picture of those who didn't**

enter the new covenant to let them know they are still in the Old Testament and that I am still a stranger to them. Those people still worship their flesh, selves and the world. They remained under the old covenant. Going to churches and their worship are just rituals and orders. All because they refused to die with me and be buried with me. The moment the grain accepts to die of the old self through real fasting as I showed you... this grain or the soul proves that it **wants to be crucified with me and die with me to enter in a new covenant**. Only then the veil is torn in the life of this soul, needing a mediator no more. This is what the saints lived when they were crucified with me tearing the veil between us. Rituals to them are no more lifeless as they got united with me completely. Even without orders they reached perfection like John the Baptist and several others about whom it was written "They wandered about in sheepskins and goatskins, in deserts and mountains, in dens and caves of the earth being destitute, afflicted, tormented—of whom the world was not worthy.

See, the Ninevites whom I told you shall judge the world, ask yourselves: **How many times did you do just like them and wore sackcloth** and repented their repentance? **Did you do like them even once in your life?** Did you remain days wearing sackcloth and stay in ashes as Daniel said “remained in ashes and wore sackcloth”. Don’t you feel once in your life that you need the Ninevites repentance? Ask yourselves: why didn’t you do as the Ninevites had done throughout all your life?! It is a proof that **you don’t feel your need for such repentance**. Do you think that since the day you were born, you are holy & you think you are even better than them?! Do you think that you are farther better than the Ninevites?! And also ask yourselves: Why am I telling you these things and speak with you about the Ninevites? Do you think that I tell you historical stories?! You didn’t learn from John the Baptist and you say “**What have we to do with John the Baptist?!** And why do we have to do like him?! **What have we to do with the Ninevites?!** And why do we have to do like them?!” You neither learned nor acted like them. When I told you “See the abomination of desolation, spoken of by Daniel the prophet”, I meant the demolition of human nature not a historical story or a historical event. You didn’t learn from Daniel’s life nor from his fighting for Me and you said “**What have we to do with Daniel?!** ... I, too, who came from the Heaven and took the likeness of man to show you the way...you say: “**What have we to do with Christ?!**” I, then, didn’t find a place to lay my head and I fasted **40 days** in the wilderness. You didn’t do like Me, you didn’t follow my steps, and you didn’t walk as I walked. Judge yourselves: **which god among the gods do you serve and which shepherds do you follow?!**

And when the Jews came to seek a sign from me, they remembered what I said to them: “An evil and adulterous generation seeks after a sign; and there shall no sign be given to it, but the sign of the prophet Jonas”...Have you realized the cause of my wrath?! For many want miracles; they want Me to **be just a means to achieve their own goals**. I – myself is not the core of their goals. Also, many seek Me for earthly bread and that also means they **want Me to be just a means and not a goal**. That’s why I got angry with them and told them that the real sign is for you to be transformed and die with me for three days; to be crucified with Me and buried with Me to be truly transformed as Saul and Moses The Black had been transformed. **This is the greatest sign**.

When I was baptized and went up from the water, **the heavens opened up to Me**. I want that to happen in the life of everyone who has been baptized; to see the heavens open up to him so that he can see Me clearly in his life. I showed you an example of the life I want you to live and the way that leads you to the goal. So the heavens should be opened for you and you should see that with your own eyes so that it’d be a proof that you had died and been buried and that death started to work in you. Ask yourselves: **Did the heavens open to you, did you see the Spirit** descending like a dove?! And did the spirit bring you to the wilderness with Me?! It’s written about Me **“I was with the beasts.”** Ask yourselves why?! I wanted to tell you that this is the image like which I want you to be. I want you to **return back to Adam’s image and even to his nature. He was living with the beasts in perfect peace. That’s a proof that my fear used to fill him.**

The whole aim of the Bible is to reach the goal for which God has created man. The Bible is like a map with all its books and chapters; a map which shows any person the way to the goal - to be in **the image and example of God**. This happens after each one becomes a branch in my vine for I’m the True Vine. He should be one in Me after his being in a strong relationship with me that is growing steadily.

I told you that difficult and narrow is the way ... but trust ... I’m the True Father **I’ll be faithful** with you to the end. Trust ... I’m your True Father; I have a permanent solution to all your human infirmities; I will not leave you, nor forsake you.

I always think about you, you are the core of my interest, nothing in the whole universe occupies my mind but you. I revealed all my feelings in the Song of Solomon which I called The Song of Songs and the Chant of chants because my delight is with the sons of Adam; my delight is with you **My pleasure is fulfilled**

with you. I will still be waiting for you. I stand at the door, and knock. I'm waiting and knocking till the last day of your life. I tell you: open to me, my sister, my love, my dove, my perfect one: for my head is covered with dew, and my locks with the drops of the night.

My son and My beloved; I have loved you with an everlasting love, unending love but you didn't even discover my love or else why you kept yourself tired in this mortal life. **I have all riches, all satisfaction, and all joy.** I am the True Vine; there in no satisfaction but in me.

If you kept your old nature, you'll see that lusts for the world, hungers for the world and loves the world. It finds its satisfaction in delicious food, dignity, money and people's praise. These are the descriptions of the old nature. I commanded you "Do not love the world or the things in the world because loving the world is enmity against God. I begged you and taught you how to be transformed and how it is necessary for you to be a new creature.

This new creation is the spiritual man who finds all his satisfaction and pleasure in Me - the source of The Spirit. This nature is what you will find in heaven. I asked you to be a new creation; this creation finds everything in Me. When the spirit is full, the soul will be full too and even the body won't need food. I modelled this for you and showed you this when I was in the wilderness for 40 days without food because I was led by The Spirit.. **I want you to be led by The Spirit just like Me** because I'm the way. This is what I meant when I said "I'm The Way". Everyone who drinks from the water of the world will thirst again and again as it makes man lusts for it just more; it increases the bondage to itself.

My son, as long as you still find your delight in the world and you desire money and honor, this means you still are not a branch in Me, otherwise you wouldn't have needed anything from this world. This is because the branch finds its satisfaction in the vine and it doesn't need anything from this world. Therefore, I told you about the image which I want you to be like. I created you to be like a branch in Me. By then, you wouldn't need anything from this world. All the saints who love Me lived this way; when they became a new creation, they found everything in Me. They discovered that I'm the source of life and the Bread of Life. With Me, they will not be wanting anything. They found out that everything is loss and **so they hated the world, they fled from it and sold everything** just as I commanded you "go sell what you have ...and follow me". They lived as in heaven here on earth. This is what I have commanded you and taught you to pray about every day: Our Father in heaven...Your will be done. On earth as it is in heaven.

I commanded you in the Holy Bible which is the good news, the message and the map which I drew for you. The Bible is like a way that brings you from the land of bondage in which you were born and from the enmity in which you were born to be in Me so that the aim is fulfilled. I said to you "**always ought to pray and Pray without ceasing**". To count the cost is to count how long you communicate with me every day. The time you communicate with me is the real prayer for **only at that time, you have life and you are in accordance with my will**. There is an aim to be reached and in order to reach it, you should remember three written truths in three verses. The first verse is "always ought to pray"; prayer is a mirror to see yourselves and see how long you are in accordance with My will? How long you are in connection with Me through prayer? The second verse and truth is that "**I'm the True Vine**". If the source of your pleasure and comfort is not me, so **you are not branches in Me**. The third fact is that **I'm the Head** and I created you to be members in Me as it's written "we are members in His body". No member can move without the head's permission. If any member moves without order from the head, it **won't be a member** in that body. The ego always feels that it's a head; it wants to drive, lead, rule over and control. That's the reason that made Adam and every human being refuse that I control and rule over him. The main reason for this is lack of aim understanding.

Do you think that the stature of the fullness of Christ is at a very remote end to reach? Is this a justification that no preaching about this image in today's churches?

When I entered the temple, I drove out all those who bought and sold in the temple and said "My house shall be called a house of prayer". They said "What sign do You show to us, since You do these things?" I told them that the greatest sign is to change the human being through **destroying his old vine and building a true vine in God**. Destroy that temple, refuse this nature and I'll restore your lost nature; I'll build the new temple in three days. If our earthly house, this tent, is destroyed, we have a building from God, a house not made with (**mortal**) hands, eternal in the heavens.

You will not restore that image by believing that I came in flesh and died on the cross. You don't understand sin just like Adam because he wasn't under bondage. I assured you that the way which gets you back to life is in Me. This is the new nature which is living in God and with God. It's a narrow way, how difficult is it! You should die with Me to let the old man die and be crucified with Me and realize that your old man will be crucified with Me. Also, when you liken Me in my death and

absent from this flesh, our outer man will decay, then our inner man will be renewed day after another.

When you are absent completely from the entity and the vine in which you live, the conditions of your membership in the True Vine which is Me will be valid. Many have really believed in my flesh and my death, but now they are not like the image of God and the evidence is that they still sin. The image of God and his example and my image won't sin as it's written: "...whoever is born of God does not sin" and can't sin. Exactly as the first Adam who didn't understand evil to sin.

Without light, man can't see his condition that he serves men and cares about them. This is the same spirit that was in Peter the apostle that I told him "Get behind Me, Satan!" not "get behind me, servant of Satan" because he wasn't in the light at that time. He didn't see that he was worshipping men. It's written "... for if I still pleased men, I would not be a bondservant of Christ." (Galatians 1: 10) Men can't see their condition without the light...

Whoever commits sin also commits lawlessness & is not born from God. Whoever commits sin is a slave. How could a person who commits sin & is a slave, think that he is a son of God and an image of God, or an example of God. How could he think that he could be a member in my body? Don't you understand till now what image I'd like you to be?!

From death to resurrection, not in depth but returning to life, to the natural state in which God created man. It is restoration of the nature prepared to live by God's spirit; it is the pure free nature not the nature that is absent from God (the bondage) wherein you were held.

As it is written: "But now we have been delivered from the law, having died to what we were held by." To restore Adam's pure image which has been prepared for you to be branches in the vine of God, the Son of God and the image of God, I told you that the way is to be born from the water, the Spirit and to be born again from above.

To be born again from above and from God the Spirit, it isn't of course through practicing rite but through resistance to bloodshed and striving legally in a difficult way whose gate is narrow. This will make you absent from the entity which is the strange vine that became the source of your life instead of God. That way is the narrow way which restores man to the lost image and nature that depended on God's

spirit for satisfaction. Therefore, I said "Because narrow is the gate and difficult is the way which leads to life". Life here is being a branch in the Vine.

Practicing any rite entails no striving or resistance; thus you should have understood that it was neither the narrow gate nor the difficult way that leads to life which I told you about and came to live it Myself. Now, what is your excuse?! Ask yourselves!!

The same mistake was repeated by the Pharisees who were slaves to rites. They **didn't understand the aim behind the rite which works like a fertilizer that has no benefit without the death of the seed.** You were not created and made for The Sabbath, but The Sabbath was made for you just like the fertilizer that was made for the seed to help the buried seed grow. Also, the ship was made to take you to the King, but if you only get on the ship, that is not the way God wants you to walk in. That's why I don't want you to fulfill an obligatory rite as if it is a god to be worshipped.

Men refused to worship of God because His way is difficult; they convinced themselves that by just following the rite and practicing it, they are religious and they worship God. They stick close to the rites **and they made them as a foundation instead of me.** This happens because they found out that the rite is a very easy way, but as it is written it is " for the indulgence of the flesh" (Colossians).

It is written " So let no one judge you in food or in drink, or regarding a festival or a new moon or Sabbaths, which are a shadow of things to come". (Colossians 2:16) "Therefore, if you died with Christ from the basic principles of the world, why, as *though* living in the world, do you subject yourselves to regulations, do not touch, do not taste, do not handle, which all concern things which perish with the using— according to the commandments and doctrines of men? These things indeed have an appearance of wisdom in self-imposed religion (will-worship that has only appearance of wisdom because it contains access of fake worship), *false* humility, and neglect of the body, *but are* of no value against the indulgence of the flesh. (Colossians 2:20-23)

Subdued voluntary worship: a kind of worship which man invents for himself, imposes it on himself and it contradicts the nature of faith that should be towards Me only. It is enthusiasm which missed its way, instead of leading to God, it is focused on man. All this happens if I was not considered as the foundation and the aim and also if man didn't die like Me and didn't walk in my footsteps.

The rite is a kind of credit that was made for everyone to use in joining an institute to study so that he is qualified to be an image and in my likeness. If man didn't withdraw from this credit, what would be the benefit?! He will then be like the one who took the talent then went and dug it in the earth, though the talent is a lot of silver and money. If man didn't fight a legal fight in that institute (in the difficult way) and didn't die to his old worship, what would then be the benefit?! This means he is still in the land of Pharaoh, serving him and didn't take a step towards freedom from him. The proof is seeing where you are now, you should ask yourselves: do we live according to the Bible?! Do you love all your enemies? Do you always pray? Can you sell all what you have? Do you think of heavenly things and live as in heaven? Examine your own selves before it's too late.

The superficial worship is to follow the rites in front of people not in the chamber as I told you and as I did. The Bible says about this worship "...are of no value against the indulgence of the flesh. This worship focuses only on the rite and its aim is not God, it doesn't bear fruit. It has no value, except to prove to the others that one is religious and it satisfies the ego as well. This worship is the Will-worship like the regulation "Do not touch, do not taste, do not handle". It doesn't make you come close to God, because the Spirit of God planned these rites to be as a means just like the ship. However, if a man is deceived and thought that just by entering the ship, he would arrive, he loses everything. As the Bible says "taking delight in false humility and worship of angels... and not holding fast to the Head, from whom all the body, nourished and knit together by joints and ligaments, grows with the increase that is from God.

The ultimate aim of Satan is **not making people sin, but to distract them from the aim**. His priority target is not to do evil, but on the contrary, there are monks who died as a seed and grew among the thorns, and they turned to be in distress and bondage even more than he who sins, because they thought they were worshipping God.

The man who commits sin, his conscience will awaken him, The Spirit that is in him would tell him: I could wish you were cold, while **Whoever doesn't make sin and does not focus on the aim, will not bear good fruit because he will dry. He'll be cut away and be ready to be thrown into fire.**

So, I warned you and said, "Take heed to yourselves" not from the sin (for the sin isn't the problem); I said, " But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come

on you unexpectedly. For it will come as a snare on all those who dwell on the face of the whole earth. Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man." (Luke 21)

Remember the foolish rich man who didn't commit sin as you might think, he wasn't interested in the aim. Remember the deceit of the ruler of this world, just like what the pharaoh said, "why do you take the people from their work ... you shall no longer give the people straw to make brick as before. Let them go and gather straw for themselves... and let them not regard false words."

The beginning of the sin was Adam's obedience of another entity, he became a member in that entity and the cure was only disobeying this entity. So I said **"Turn to Me with all your heart, With fasting, with weeping, and with mourning."**

True baptism is dying to the elements of the world as the burial of the seed. Death is the start, just like slaying the sacrifice. It's the start to reach perfect maturity, like the tree, so that we'd be an image of God. True baptism is to be have my own image. Baptism as a rite like what happens in the church is only a pledge to my spirit; it assures that I'll work with you as the Holy Spirit appeared in the form of a dove on my baptism day.

Baptism as a true life is, as I have shown you after practicing the ordinance and my departure to the wilderness, to die with the flesh from the world fasting for 40 days. Ask yourselves: did I fast to train myself to fast so as to be holy?!!!! I was teaching you the way as a way of life which means teaching you the beginning of death as a practical life to reach resurrection. It's not because I needed resurrection to prove my divinity and my strength, but to teach the way of resurrection of My Spirit in you. In this way, you'll be qualified to be members in me - The True Vine - and the Spirit itself.

The beginning which is baptism as an ordinance and as a struggle is not the end of the way. It is the beginning of true death and the end of the way is taking my own image. True baptism or **the fulfillment of baptism** will be at the end of the way; it's not as all people think that when they were baptized, it is fulfilled. When a student is enrolled in a medicine school, it does not mean he is already a doctor. Ordinance of baptism is the beginning of true death and the beginning of difficult way. It is even the entry through the narrow gate whose end is to become an image of God, as if you were born from God the Spirit. By your dying from the world, the Spirit started to be born in you and is starting to grow as long as your external man started to perish. It's

just like the seed, upon burying it, life starts in it. You started to be like my image, because I'm the Holy Spirit Himself.

Some think that practicing the ordinance is true baptism which is taking my image and that it's the true death from the world but indeed it's not even the true start of taking my image or dying from the world. When you go out to the wilderness as I did, behave like Me and die as I died, then, on that specific day, it'll be the beginning of baptism and the start of death and burial with Me. Then, you'll continue to be dead like the seed as in the verse "we are killed all day long"; death will work in us and we'll be unified in the likeness of His death. After struggling for some time during the day time by My grace and My light, the old man will die at the end. Then, you will rise like I did as the Bible demanded "For if we died with Him, We shall also live with Him". The burial of the seed (its death) is the true beginning; it is the start of life in it.

Even eating the sheep on Passover is not the beginning of the way, but it is a **preparation of way** (prepare the way of the Lord by repentance). The repentance of the Egyptian Mary qualified her to enter God's kingdom.

The beginning of the way of being an image of God is to leave the world. **That doesn't mean that all people should leave the world, but all people should die from the world.** When I said to the young man "follow Me", he said to Me "Lord, let me first go and bury my father ". Then I said to him "Follow Me, and let the dead bury their own dead." Another answered me "let me first go and bid them farewell who are at my house." I said to him" No one, having put his hand to the plow, and looking back, is fit for the kingdom of God, Foxes have holes and birds of the air have nests, but the Son of Man has nowhere to lay His head ". All this time, I was talking about practical strife in the way that only can lead you to live in Me.

Through light, man will understand the story and he will realize that he suffers from amnesia. He forgot that he is the son of a king who has lost the image. Through absence from the body and death, he'll return back to my Vine. Accepting death is the beginning of true baptism

The martyrs didn't fulfill an ordinance as we read " Therefore, if an uncircumcised man keeps the righteous requirements of the law, will not his uncircumcision be counted as circumcision?" Circumcision of the heart is the start of acceptance; God - in his turn - will give him grace and will grant him all what he needs. The ordinance is a pledge that is considered as a credit in a bank; it isn't a start of building the tower.

Giving the owner of the land fertilizers and all what is needed for a seed's growth (water and workers who symbolize the ordinance) is not the first step towards growth. Only the burial of the seed **ONLY** is the first step because it is the start of the life which leads to growth and ends with likening God's image; that is actually the meaning of baptism.

We find institutes which guarantee that its students would be doctors or musicians; they accept children from the age of 5 to qualify them to be doctors after finishing their study.

Does the child become a doctor on the day s/he joins the institute or even when s/he starts studying?! Or we just say that the child has been admitted to and enrolled in the institute, all expenses were promised to be paid, then the child starts his study and attendance! That is the start of the true way and the beginning of the way exactly as the death of the seed is the start to its life. This way is the only way that turns the child to be a doctor at the end of the study.

The day the child attends his school does not symbolize baptism, but it is a declaration that the school accepts his enrollment. It also means that the father granted his child a credit card that covers all study expenses.

In order for the man to be in God's image, he must be truly baptized, only then it is the end of the way. So baptism as an ordinance is a stage before the start of the way which leads to new birth from water, Spirit and God. It isn't as many people think that baptism day is the day that man is born from God to become his image and example. The proof is that many people were baptized, but who among all these numbers became perfect?! Remember every day the condition of the arrival when I said "Because narrow is the gate and difficult is the way which leads to life" (the life which is in Me).

Another proof: the way is full of distress, death, crucifixion, absence from the world and perishing. On the other hand, practicing an ordinance does not include any tiredness, strife, struggle, crucifixion or resistance till bloodshed. So, it is neither the way nor the condition that the Book demanded. The foolish virgins thought that going to the sellers is richness or stature. Another proof is that the way is a covenant between man and God.

The fulfillment of the ordinance is an assistive tool; it is a symbol of the life we must live. Without this kind of life, we will not benefit from this assistive tool. True life is my own practical life and the difficult way, therefore I said "do this in remembrance of Me". I didn't say do this work or ordinance only, but I said that the fulfillment of this ordinance should remind you of fighting, of the kind of life that you ought to live- the life of death that leads you to constant satisfaction just like the seed that should remain dead." The evidence is that martyrs didn't fulfill the

ordinance of Holy Communion, or Baptism. This also proves that it is actually a conditional practice.

Being conformed to my death is the only condition to be united with My own crucified body. It's written "For circumcision is indeed profitable if you keep the law." The living water [which is Me] exists but under the surface of the earth. I gave you an example Myself. No one can benefit from this water unless he dies like the water.

If a man who does not live in light, does not understand the way, and he was not crucified and did not die in the likeness of My death, partakes the holy communion, he will be like the foolish virgins who thought they could buy oil.

The Spirit indeed works in all ordinances in full power, but only to declare He will be always with you. He declared that earlier when He appeared like a dove during my baptism to increase your faith that the spirit will be very close to you. Don't forget that some people perform the ordinance of baptism, but The Spirit had fallen upon none of them (act8:16). They practiced it as a mere ordinance without full understanding just like many others who are not enlightened and are like children who didn't understand the bondage or the desolation which happened to humanity. The ordinance for them is merely an outward practice.

There are some people whom the Spirit has fallen upon without practicing the rite, because they accepted spiritual work and this is the essence. First, they should renew the mind, then seek through perfect strife to cease worshipping to any other god. They should be like the martyrs who didn't practice the rite as the uncircumcised person who didn't practice the rite and his uncircumcision was counted circumcision. The whole matter is spiritual work; the secret of change is in the Spirit not in the raw material which is water. Water is a symbol of purification and turning back to Adam's first image. It is not about a magic material which you think will release you from the bondage, but enlightening the mind will be through the light which you ask from Me. Your strife, as I showed you, is the only way to resurrection, for I'm the only Way. No one can come to the Father except through Me. You need to conform to My strife and to My death and to follow My steps as mentioned in the Bible.

The Spirit of God couldn't fill your vessels, like the foolish virgins who thought that oil could be purchased. The process of purchasing oil is as easy as practicing the rite only.

The ultimate aim of Holy Spirit is to strive, not to believe that you became rich & pure. The Foolish Virgins thought that the spiritual credit could be purchased.

Don't forget My words "**Strive to enter through the narrow gate**", and practicing of the rite isn't a narrow gate.

Also, don't forget what is written "You have become estranged from Christ, you who attempt to be justified by law; you have fallen from grace." This means that you lost the riches which I granted you.

The most significant proof is the circumcision in the New Testament. It isn't a rite and there isn't any room to practice it as a rite; but I told you about the conditions of circumcision as a life in all the epistles of my son Paul. The life of circumcision is preparation to be born from water; because, the more man is exposed to himself and God and he wants to declare this, the first veil will be taken away.

I have told you "For until this day the same veil remains unlifted in the reading of the Old Testament, because the veil is taken away in Christ." Through circumcision as a life, man will be baptized as a life. So, after I have been baptized, I went out to the wilderness to strive. The rite is a means that helps and urges you to struggle; it makes you obey God. The power isn't in the water, but it is the work of God's Spirit. Holy Spirit has fallen upon those who constantly ask Him to work within them. The most important thing is the result and the fruit.

Indeed, the Holy Spirit will not fall just by practicing the rite without any light or understanding or pursuit or strife. There were some people who were baptized and the Holy Spirit didn't fall upon them. (Acts 8:16)

"Strive to enter through the narrow gate, for many, I say to you, will seek to enter and will not be able", so many people found practicing the rite is easy because whoever goes to church fulfills the rite. It isn't the narrow gate, few people asked to be baptized and could not. This is a proof that I was talking about the strife in the difficult way, and about crucifixion and death.

If the change was only by practicing the rite, I wouldn't have asked you to strive to enter from the narrow gate. Many people wanted to enter but they weren't able and they didn't see it. Isaac was not born because Abraham fulfilled a certain rite or because Abraham saw Me, but it was after many years. This is to assure you that being born from the Spirit wouldn't be happen by practicing a rite. Isaac is a symbol of the Spirit's birth within you. He came based on a covenant and a long period of waiting. It's also written, "Yet the law is not of faith, but the man who does them shall live by them." (Galatians 3:12) It means that only the people who strive will benefit from the credit granted to them.

Abraham sought to bear fruit and thought that by relating to Hagar he'd have fruit, like those who thought that by their physical body and by practicing rites only, they'd have the fruit of the Spirit. Although Abraham's faith was perfect; he didn't begot a son quickly. Another example is Zacharias, the father of John the Baptist. He was righteous and blameless; yet, he had fruit only by the end of his life, after many years.

It's written "Behold, the virgin shall be with child, and bear a Son", so only the person who is not related to the world, I shall be born through. It's also written, "Do we then make void the law through faith? On the contrary, we establish the law." (Rom. 3) Don't you fulfill the rites? You certainly do fulfill them! It's only a proof that you obey me as I said, "For thus it is fitting for us to fulfill all righteousness". Ask yourselves, where did the fulfillment of these righteousness and these rites led you to? It's written. "Can anyone forbid water?" "For thus it is fitting for us to fulfill all righteousness"

Fighting in the way establishes the law; the rite will then be useful and constructive just as Abraham received the sign of circumcision as a seal of the righteousness of faith.

It's written, "For I through the law died to the law that I might live to God." This means that through the commandments of the Lord and His law, I could die to complete my life for the law.

If the king deposited a credit in the bank for his son which is true richness, he wouldn't have asked him to build a tower. If by believing in me and my death for you, the goal would be achieved, I wouldn't oblige you to compete according to the rules and to enter through the narrow gate which is like going through the eye of a needle. It's written, "for if righteousness comes through the law, then Christ died in vain." (Gal:2). This means that if the goal is achieved through the rite, what is then the use of My teaching you, My departure into the wilderness and My fasting?! However, when you die with me and walk in my way, the target is fulfilled. How then the Bible is veiled to that extent? The answer is obvious; there is no fruit these days, as there is no love or humility among Christians and shepherds. The proof of my point is that you don't see My image or My example in any shepherd; people can't see My image or My nature or My love in every shepherd. It was supposed that the world would smell My aroma and know Me through the shepherds even without talking or preaching just like Nebuchadnezzar who knew God without a word from Daniel or

the three men. He saw God's image in Daniel and the proof is that he knelt down before him. I hope you remember that.

Don't forget what is written, "The life of Jesus also may be manifested in our mortal flesh." I wish you remember the conditions written in the Bible: the life of Jesus may be manifested only in the mortal flesh, not by practicing rites. It is the only way that will make you be in the image of God or an example of Him.

It's written "our outward man is perishing, yet the inward man is being renewed day by day." Not by practicing a rite you will be renewed and become members in Me. Also it's written, "If our earthly house, this tent, is destroyed, we have a building from God" and not by practicing a rite you will be members in Me.

It's written "if we are absent from the body, we will be present with the Lord." not by practicing a rite you will present in God and become an image and an example of Me.

A man would be in God's image and example if he lived in labor, in sleeplessness, in fasting, in purity, in the word of truth, in tribulations, in needs, in distresses, in stripes and in imprisonments, not by practicing a rite. Not by practicing a rite you will be an image of God: "when our bodies had no rest" (2 Cor. 7)

Many people have insisted that water which fell on earth is the true water, like whoever insists that the bread on the altar is My flesh. The water which fell on earth has no benefit, unless the seed learns from it, is buried like it and die in the likeness of its death to be united with Me. Indeed, the water which fell on earth is the source of life and the bread turning into my body but who is qualified, worthy and fulfilled the conditions to be united with Me. It's only the one who died in the likeness of My death will benefit from my body and My Spirit, as it is all about spiritual matters; it's the essence and the secret of change, it's not the raw materials which causes change.

That is the way, that is the Bible; it's written, "Only let your conduct be worthy of the gospel of Christ." The book didn't say, "Baptize and you will have life." I said "Because narrow is the gate and difficult is the way which leads to life. Enter by the narrow gate. Take heed to yourselves." I didn't say, "Practice the rite," but I said, "Only let your conduct be worthy of the gospel of Christ."

Indeed, I said "Go therefore, baptize them in the name of the Father" but this is just a start to continue in their faith so that we don't make void the law. It is fitting for us to fulfill all righteousness through the Spirit. We should follow the shepherd who

after he was promised by the descend of the spirit as a dove, he went to the wilderness and fasted.

You have become estranged from Christ, you who attempt to be justified by law; you have fallen from grace. This means that you have lost talents, gifts and the credit given to you to help you struggle. What's more important is the result, as the student who says I'm the smartest, he will be judged as he is intelligent and he has all what he needs; yet; he didn't struggle. What then is the use of his intelligence?!!

It's written, "Therefore, leaving the discussion of the elementary principles of Christ, let us go on to perfection, not laying again the foundation of repentance from dead works and of faith toward God, of the doctrine of baptisms." Is faith in God's is considered of no value?! The rite of baptism -which is referred to as baptisms- is not of no value, but it's a start. It's a shadow and a guarantee. Is the fertilizer of no value?! Of course not, it benefits the seed which dies. Also, is the credit in the bank of no value?! Of course not; no one can start anything without money.

In the same pattern, without the grace of God, walls will not fall, the Pharaoh will not die and a way will not be made in the sea. The Spirit of God and His grace can do everything, for it is God who works in you to will. He completes everything, but when?! When the People struggled and knew how to fight, they made use from the grace and the riches of God.

Indeed you have been saved only by grace that represents 999999 out of a million and the rest is man's struggle. Still, struggle is the condition for God to work. He was blaming them, "Behold, the days are coming, says the LORD, when I will make a new covenant with the house of Israel and with the house of Judah-- not according to the covenant that I made with their fathers in the day when I took them by the hand to lead them out of the land of Egypt; because they did not continue in My covenant." (Heb. 8:8). So, many people took the credit and the riches under the assumption that they pledged they would walk in the way but they didn't.

The first step in the way of a dead seed is to be buried, just like you; the beginning of your life is in God's vine. When you start to die and be absent from the strange vine which is the flesh and the world, you then start the way. It is just like Me when I went to the wilderness after My Father declared that He'd be close to Me. I fasted for forty days to teach you how to declare to God that you don't want to live in the strange vine anymore and that you would like to live the life of death practically. This is because you have already received the guarantee and the credit. That is the way of the dead seed.

You have to declare to God that you want to worship Him truly by ceasing to worship anything else, being absent and refusing to continue living in the strange vine. The credit is not the tower itself, for it'll only be built through man's efforts. Yet, you can't build it without the credit.

For without Me, you can do nothing, only by striving against sin to bloodshed, I'll start working with you. Man cannot kill the pharaoh, make a way in the sea or make the walls of Jericho fall down. He has to do what I asked him to do and should follow My footsteps; otherwise, I won't work with him.

When I see the blood, I will pass with you and complete everything when I see the blood because it is a confirmation of your worshipping of the true God. I'll start with you, I'll help you strive and I'll help you reach the end; as it's written, "But may the God of all grace, establish, strengthen, and settle you". This happens when I see the blood, the burial of the seed, absence from the strange vine and stopping of your worship to any other god.

Do you think that I'll help he who worships another god or who lives in a strange vine?! Those didn't prove their acceptance to God; or their refusal to other gods because they refuse to strive or exert efforts or make any sacrifice. As it's written, "Strive to enter through the narrow gate."

I said, "Whoever desires to save his life will lose it, but whoever loses his life for My sake will find it." "There is no one who has left house or brothers or sisters or father or mother or wife or children or lands, for My sake and the gospel's, who shall not receive a hundredfold now in this time." How did you forget my words?! As I blessed marriage, I also blessed those who left their wives for My sake.

I stressed it many times and said, "If anyone comes to Me and does not hate his father and mother, wife and children, brothers and sisters, yes, and his own life also, he cannot be My disciple." I wanted to confirm that I'm the goal and the source of life; you won't need anything other than me. This is the life you'll lead in heaven and for which you were created. This life is the life of branches in My vine. I wanted you to lead a life just like in heaven, to be trained on it so that you are qualified for it. I didn't say "You'll be perfect in heaven" but I said, "Be perfect and be holy". You should have, "the stature of the fullness of Christ" here on earth not only in heaven. You start here and be my stature and my image or else why did I incarnate and live long years on earth?

So, I assured you also by saying, "If you want to be perfect, go, sell what you have," "sell what you have and give alms; provide yourselves money bags which do not grow old, a treasure in the heavens," "whoever of you does not forsake all that he has cannot be My disciple," "You are the salt of the earth; but if the salt loses its flavor. It is then good for nothing but to be thrown out." Then where is the ordinance in all these conditions?! If the ordinance is a step in this way, where can we find it on the list?! Which step is it?! Is the ordinance a step in the difficult way?!

The way is all resistance to bloodshed; it's a legal fight which means crucifixion, death and being conformed to My death. The proof is the answer to the question: Where is the fruit? Where is the fruit of The Spirit?

The living water is the only thing that turns the dead seed into a tree. It is non-negotiable; it's just as having credit and being rich. This will happen to you when you rise, do good things, die and are crucified and become absent from that flesh. When the seed dies, it will make use of the credit. The Spirit of God that hovers over the face of the waters, the cloudy pillar and God's power that worked when they fulfilled the conditions, will work as well. The water, the fertilizer and the good soil will work if the seed is buried.

But even after seeing the light and accepting burial; will the seed be a tree on the day it's buried?! It's not as you think. You also thought that the day you fulfilled your ordinance, you'd be actually born of water and Spirit, and that you have already My image which means you became perfect and in the stature of the fullness of Christ. Without the mediator, there will be no connection.

Then baptism is to give the king, the money and the building tools. Baptism is not the start of building the tower because the first step to build a tower is to put the foundation. This is fulfilled by driving the old out just like the dove that appeared to declare that God's power is with us as we read "But may the God of all grace, who called us to His eternal glory by Christ Jesus, after you have suffered a while, perfect, establish, strengthen, and settle you."

The Spirit of Truth will testify of Me. The Spirit of Truth will guide you into all the truth. It's written about Me, "And Jesus increased in wisdom and stature, and in favor with God and men."

Without light and wisdom, you can't understand or start your fight. It's written "Therefore gird up the loins of your mind, be sober, and rest your hope fully upon the grace that is to be brought to you at the revelation of Jesus Christ;" (1peter1).. "having girded your waist with truth, having put on the breastplate of righteousness," (Eph 6) .. and having shod your feet with the preparation of the gospel of peace.

Through the light, you will realize the disease and see your condition. Then, you will understand and accept to conform to my death. You will realize that it is the only cure and you will grow to the stature of the fullness of Christ. Then, grace will appear in your life which is God's work in the fruit.

There is no fruit in God's grace except by growing in stature; there can't be stature or growth except by God's wisdom and light as it's written, "And Jesus increased in wisdom and stature, and in favor with God and men." You can't grow in grace unless you grow in stature and in wisdom. All this happens when man decides to set God as the goal not his life or himself his own son.

It's not possible that God demands man to abandon the world and live in the desert or order him to leave anything for Him. If this happens, it'd mean that God oppresses man to do something. First, man can't do this. Second, love can't be imposed because it won't then be edifying. What happens and causes change within you is just like what happened to Moses the Black and many others.

When man starts honestly and willingly to establish a relationship with God, he'll be satisfied. The result will be that he won't be attracted to the things to which he used to be attracted. Change is a natural result because it is God's work not man's. That's why we read "by grace you have been saved." It's God's role not yours; it is internal change.

You only need to ask Me, come closer to Me and enjoy my being a true father to you. It's not as many people think that you'd be deprived from many things in the world; God doesn't want to deprive you from things which He made for you. The change will be the work of God and it'll be a natural result of your satisfaction. Saints didn't oppress or deprive themselves, but they have changed from their old nature.

The image is like a fish that can't live out of water; God transformed it to be an eagle which can't live any more in water, because its nature have been changed and it became natural for it to fly in the air. It is not logical that God would ask a fish to stay out of the water even for a minute; this is oppression to its nature. It is impossible for her and it will die because water is indispensable for it. When God changed its nature and it turned to be an eagle, it didn't come back and it even cannot do so; that is what happened with all of the saints.

To sum up, it's written, "I'm the way" and I didn't teach you that the foundation of worship is to practice an obligation, but the worship is to enter the chamber and close the door. You should understand baptism, it isn't as the sons of Israel who passed the sea and died, even not like them when they ate the manna and died.

Whoever thinks that as long as he is baptized in water; he doesn't need anything from the world, because he died from the elements of the world is mistaken.

Whoever thinks that when he eats My flesh (the bread of life), he becomes actually a branch in the vine, he is mistaken. Is this true communion?! Doesn't he need any satisfaction from the world?! Let every man examine his own work to see whether he was baptized with the Holy Spirit and whether he is satisfied by the bread of life or not. As I showed you myself that after I was baptized, I fasted for 40 days with the same nature as yourselves. How matters turned to be deeply hidden to that extent?!

Don't forget my words when I said: "He who comes to Me shall never hunger, and he who believes in Me shall never thirst. I am the living bread which came down from heaven." It is really critical that man will not be hungry to anything else, because in God we find everything.

Many people retreated and stopped to walk with Me. If I was talking about an ordinance, then why did they leave Me?! It is easy to fulfill an ordinance. If it was a matter of an ordinance, then I would've told them, "don't leave Me. I'm talking about a symbol and a ritual practice;" but indeed I was talking about the spiritual satisfaction from Me.

What is the concept of the Holy Communion in your life?! Holy Communion as a life is a result of the life of baptism. If you focus on the loaf of bread which changes to be my flesh, and you consider it as satisfaction from God, you then separate Me from the father and the Spirit. I want you to walk in the Spirit, and don't fulfill the lust of the flesh even with my own flesh.

I want you to be satisfied with spirit from The Spirit of God. How come that you still focus on the loaf that turns into My flesh and you consider it as physical satisfaction only?! Satisfaction must be spiritual. Do you think that satisfaction from God is only physical or emotional or spiritual?! Ask yourselves: what kind of satisfaction do you feel when you participate in the Holy Communion during all these previous years? Is the Holy Communion a spiritual or a physical satisfaction?

If you really felt a spiritual satisfaction, then it's a perfect one (just like what's going to be in heaven and just like what happened with all the saints who left even their parents and relatives so that you understand that when they were completely satisfied spiritually, their soul and all their being). If you're spiritually satisfied, you'd no longer feel emotional, physical or mental hunger for the world. If you were truly filled with the spirit, the fruit of the Spirit would appear completely: perfect love and

humility. It's written, "So he who feeds on Me will live because of Me forever." Therefore, I wanted to train the sons of Israel in the wilderness to dispense with meat, fish, and leeks...etc.

The wilderness is a state of being away from the materialistic world with all its earthly food, even if all these things surrounded him. As it's written, "using the world, not the world using us" I want you to walk in the wilderness mortifying your body to be absent from this strange vine which isn't my true vine. This is because not all goes out to the wilderness and even in the monasteries; you can find more luxurious food than in the world. What about mortifying your bodies which I lived and told you about; it is the same life that saints and holy fathers lived and you became proud to be their children (They are my children as well). How is it then that you didn't walk as I walked or as your fathers walked? I told you, "If you were Abraham's children, you would do the works of Abraham"

The sons of Israel represent those who only practice the rite while I was teaching them how to stay away from the world. They are just like those who come to serve in churches and monasteries; they eat my flesh, but they are dead because they didn't live according to the Spirit. They are like a seed under a waterfall, it can't benefit from the fall for it isn't buried.

The problem isn't that there is no water, there is actually a water fall but the problem in this case is the condition in which the seed should be; it must stop worshipping the world and refuse to continue growing in a strange vine.

How could a man think that he will be a branch in my true vine and he will start living in Me while he is still a branch in that strange vine; he still lives by the flesh and according to the world and he refuses to be absent from that vine and refuses to die from the things by which he used to live. He is then like the seed which was under the fall and refused to be buried. This happens when we practice the Holy Communion only as a rite. Baptism as a life is to die and be buried away from the elements of the world. As a result, man will start living by Me. The Holy Communion as a life is a result of Baptism as a life; it's a start to live a life of satisfaction by My Spirit.

If a man says, "I eat the best and the healthiest food in the world", but this man was very sick, very thin like a skeleton and can't move; he looks like a dead person. We usually tell him: either you think that you are eating, or you are eating unhealthy food; otherwise you are eating healthy food but your body doesn't benefit from it. There is a problem which he must know and this is the essence of the case "You are

still like a dead person” and this is what really matters. We believe you are eating but is it better to eat well or to be healthy? What is needed from you? You should know what I want; as I said: "Be perfect and be holy, therefore it is necessary to become my image." I told you that this will be fulfilled by being satisfied from me. If you don't reach that satisfaction, then there is a mistake: either in your concept about satisfaction or in something else.

In Baptism, you are fanatic and insist that The Holy Spirit is in the water and concerning the Liturgy you are fanatic and insist that the oblation is transformed into My flesh. I didn't ask you to get evidence that what is happening in church is true but I ask you to be My image regardless of the existence of a church or rites. Most of the early fathers like Enoch, Daniel and John the Baptist became an image of myself.

Don't forget "Therefore, if an uncircumcised man keeps the righteous requirements of the law, will not his uncircumcision be counted as circumcision?" See, what I have done, I'm the only way, the true way, and you can know which way to lead. I told you that the tree is known by its fruit.

Manna descended from heaven but quails didn't descend from heaven. The literal meaning of manna is (what's this?). I sent you satisfaction from heaven that was unknown to you. I Myself was unknown to them.

If a man worked for long years in a place, then asks a person working with him "who is that person?" This means that the person, who asks, never spoke or asked about the third person. This happens when the unknown person is ugly, or belongs to a low class. The person, who asks, didn't ask before about that third person because he thought he is worthless (according to his own criteria). He felt he is like a beggar that no one cares about; he is worthless.

It's the state of the sons of Israel after forty years (the period God granted them as opportunity for salvation). They kept saying: "What's this?" I did not represent anything to them; according to their criteria, I do not gave them what they desire. Therefore, when I was on earth, they all yelled, "Crucify him.... Crucify him"

“What’s your name?” is the same question the mother of Samson asked & I answered her: “Why do you ask My name, seeing it is wonderful?” His name was unknown to her.

When the virgin in the Song of Songs [she represents the one who truly knows Me] was asked: “What is your beloved more than another beloved?” She answered: My beloved is white and ruddy, chief among ten thousand. His head is like the finest

gold... His eyes are like doves by the rivers of waters...His lips are lilies, dripping liquid myrrh...His legs are pillars of marble... His mouth is most sweet, yes, he is altogether lovely.

Manna was like the layer of dew lifted ... as fine as frost on the ground. Dew is vapor that was condensed on a cold surface; it symbolizes me. I took the same image as the serpent and it's the same image that you resembled but now the image faded. I came to earth just like the sudden appearance of dew to satisfy spiritually whoever wants to return to the Lord's vine

However, the people said "...our soul loathes this worthless bread." It's also written, "And they tested God in their heart by asking for the food of their fancy. Yes, they spoke against God: They said, 'Can God prepare a table in the wilderness? Behold, He struck the rock, so that the waters gushed out, and the streams overflowed. Can He give bread also? Can He provide meat for His people?' Therefore the LORD heard *this* and was furious; so a fire was kindled against Jacob, and anger also came up against Israel, because they did not believe in God, and did not trust in His salvation. Yet He had commanded the clouds above, and opened the doors of heaven, had rained down manna on them to eat, and given them of the bread of heaven. Men ate angels' food; He sent them food to the full. He caused an east wind to blow in the heavens; and by His power He brought in the south wind. He also rained meat on them like the dust, feathered fowl like the sand of the seas." (Ps. 78: 18-27)

So, the Holy Communion is being filled from the Spirit which is a result of death and burial because baptism is life. The blood of the lamb is the beginning of baptism as life because it's dying from the world.

That's why He was called the lamb of Passover which means... Pass-through. It's through death which is the acceptance of entering through the narrow gate {the burial of the seed & the slaughtering of the lamb}. I started to give you a guarantee of being satisfied as if it is like a lamb which is the first satisfying meal in the way (The first Communion).

It is written, "For indeed Christ, our Passover, was sacrificed for us. (1 Cor. 5). It means that I am the Shepherd and I am the perfect model of the way. I passed it myself to teach you too how to walk in it. I was slaughtered, I was a sacrifice and an offering for you. Whoever died being conformed to my death, I will die for him. How come that I'd die for someone who still worships another god? Shall I encourage him to worship other gods?!!

After that, you follow the Shepherd and you walk in the way which is my life (going to the wilderness and fasting for 40 days). That's why, in the church rituals, no one eats the communion unless he was baptized because being satisfied with the Lord is the result of death. Communion is a symbol of the life of death and the life of satisfaction. Of course, a little child did not die conforming to my death and He is not yet satisfied.

It is not possible for a person to eat a lamb before it is slaughtered. Thus, you can't be satisfied from Me unless you slaughter your own will and you die, conforming My death. Man has to slaughter the lamb first; this is baptism as a life. Then, the lamb is roasted and one starts to eat and be satisfied. It is considered the first communion as a life and the first satisfying meal. Therefore, slaughtering the lamb – Passover- did not repeat again and I didn't ask the people to do it again because it happens only one time. That time is the acceptance of death by slaughtering the human will. It is just like baptism (as a ritual); it only happens one time in a person's life. Passover is the memory of the first death; I arranged that it'd be one time during the whole year. It is different from the Manna that was a daily food but Passover is a symbol of sacrificing the human will and this happens only one time in a lifetime. The lamb was a guarantee of satisfaction but I didn't describe it as "heavenly bread;" that's why I didn't say "Your fathers ate from the lamb... and are dead." Because it's a preparation stage. It is a start just like the dead seed and the beginning of life in it and the beginning of the difficult way. It is entering through the narrow gate; this needs encouragement from my side. The lamb is not a symbol for communion that is the daily spiritual satisfaction from me (Manna symbolizes this). The lamb is a guarantee and a proof of satisfaction all through the way. It is a symbol of the credit that is in the bank only and it is the proof of richness and an encouragement to whomever in the land of the pharaoh. The lamb of the Passover is a symbol of baptism and the first communion as well. It is the first meal of satisfaction for those in the Old Testament who were in the hands of the Pharaoh. The lamb is not for them to continue under the bondage of the Pharaoh but for them to be encouraged, flee away and reach the New Covenant; so it is the first meal of satisfaction.

Those who started their walk in the wilderness are those who started to walk in my way and started to get their satisfaction from God as their life. God has become a heavenly Manna for them in the wilderness which symbolizes the difficult way. I am Heavenly Manna for those who are in the wilderness and started to walk in the difficult way and for those who died to the world. For those who are still in the land of the pharaoh – under bondage – I am the lamb of the Passover.

The clay that was anointed on the blind from birth's eyes is the lamb of Passover. It was an encouragement for him to go to the pool and struggle to wash and to see. Only then, he could see the way and could walk in it just like Moses the Black. Whoever got the clay and was happy about it and said: "That's God's work and that is created by the Creator's hands" but he did not go to the pool of Siloam, his eyes won't open and he won't see the light. Also, He who performs the ordinance of baptism and did not go out to the wilderness like me and did not fast 40 days, this means he did not start struggling by fasting as I taught you and as I taught you to crucify the flesh. I will not be a daily life bread for that person. The lamb of Passover will not continue to satisfy you all the way and you cannot depend on it because it happens only in the land of the Pharaoh. It is only a Passing through and a beginning of satisfaction or rather a guarantee of satisfaction.

The way is a life of struggle and fighting and the ultimate aim is to be transformed into the same image and to be in Me. Whoever continues to perform ordinance and did not reach any noticeable growth, this means he was only performing a rite lifelessly because he did not fulfill the conditions. He is then just like the one who did not slaughter the lamb and did not march around Jericho and he imagined that God will make the walls of Jericho fall down flat for him, kill Pharaoh for him, bear him on eagles and take him to Canaan.

The way is life as it is written, "having been built on the foundation of the apostles and prophets, Jesus Christ Himself being the chief *cornerstone*." It is written also that, "And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers."

In Leviticus 10, Nadab and Abihu, the sons of Aaron, died because they offered profane fire. Therefore, Aaron refused to eat the goat of the sin offering and he said: "*If* I had eaten the sin offering today, would it have been accepted in the sight of the LORD?" So, does eating from the sin offering which is performing a ritual will be accepted in the sight of the Lord? That's why Moses was content and felt that what Aaron said was true even more that he had thought and felt. Moses had rebuked Aaron for not eating but Aaron was granted an insight that performing a ritual (a sacrifice) even if it was offered as a sin offering, it will not be accepted in the sight of the Lord. Did you now know? Are you offering a sin offering or your life is a red heifer, or a burnt offering? Do you realize the difference between offerings and do you distinguish them? Remember that I said: "You are mistaken, not knowing the Scriptures".

Do you consider me a Passover lamb or Manna for you?! Or do you still ask for quail because Manna is not enough for you? Eating from the lamb or eating Manna do not transfer the person to Canaan. Manna is satisfaction for those in the wilderness. I did not say “Your fathers ate the lamb in the wilderness, and are dead” but I said “Your fathers ate the manna in the wilderness, and are dead”. This means, they are actually out from the land of the pharaoh; they became in a new covenant and they left the old one but only outwardly. That’s why manna didn’t benefit them. The same applies to the person who is still in the old covenant and he did not benefit from my flesh just like the seed that refused to be buried and to die from all the things by which it was living. Therefore, this seed did not benefit from water. Millions of people in churches and monasteries did not benefit from the living water and the bread of life; they are still hungry and did not learn from the life of saints who were fully satisfied that they left the world behind.

Even the seed that accepted to die but did not get rid of thorns and rocks; it correctly started by its death but light was not thorough and the person was busy with other things {like Moses who made the land as his ultimate target}, he won’t benefit even from manna {the ordinance of the communion} and he won’t enter Canaan – My rest.

Whoever eats the Passover lamb will be rescued from Pharaoh but it is not necessary that he’ll enter Canaan. It is the beginning of his salvation but it is not its end. It is a guarantee, a pledge and an ability to start. Fighting, real relationship and true worship made both Caleb and Joshua enter the land. The flax and the barley were struck like Moses and those under 2 years were killed but the wheat and the spelt {Caleb and Joshua} were not struck.

Will it work out if we go to Moses the Black while deeply asleep {He is not aware and he is a killer}, then we dress him in white and tell him: “you are now baptized?” Baptism was by the sea after they passed through many stages because acceptance to die needs light, insight and persuasion. Baptism which is baptism in my image means that the old man has to completely die in order to be a branch in God the Spirit and to live and move and have his being.

Narrow is the gate and difficult is the way which leads to life in me that is being a branch in my Vine. It is the way that leads to baptism with God’s image, viz; leading to baptism. How could such a narrow and difficult thing (living in God and being baptized with His image) happen while you are not aware and you are like a child who is reluctant? Not all of those who desire enter through that door because they did not find the door and consequently, they did not transform to that very

image. How come that he who does not desire and is not even aware will go in and out and transform into the same image? I stressed that those who are only willing even if they were honest, did not enter or saved because will alone is not enough. Now, how you could possibly think that baptism which is with the image of God is performed to a person who is not aware and even does not want?!

The secret behind change is the Spirit and not the raw material which is water or the oblation in which the Spirit of God dwells. Being unified with God and being satisfied with Him is conditional. It is like the clay by which the eyes of the born blind were anointed. We should not be fanatic and say that the hand of God himself anointed his eyes. This is not the crucial point whether clay was applied by God – the Creator and whether water in the soil is the source of real life. The real crucial point is the following question: Did the blind man exerted effort and struggled to reach the pool and obeyed Me or not?

Also, the water that was split on the ground is not the point of discussion whether it grants life or not but the main issue is whether the seed was buried or not. You discuss and dispute over things like whether the oblation turned to be Christ's flesh or not {whether leavened or not}. The criterion is how to be fully satisfied from the bread of life and what are the conditions because God is a Spirit. The world forgot that the secret behind change is the Spirit not the raw material. It is important to {benefit from this richness and this satisfaction} under some conditions.

If the condition was not met, no benefit from the Spirit that dwelled in the raw material will be gained. Because I and the Holy Spirit are one. I am not a separate entity; I am not only flesh but I, myself, am the Holy Spirit. So, {how could you benefit} from that Spirit which is the secret of change. This should occupy the mind of many. What testifies this is that not everyone who eats Christ's body became a branch in the vine; or else whoever performs an ordinance would be satisfied and won't need anything from the world. Your criterion is still that I am like the raw material and the secret is in that material. It is written that, "Let no one cheat you of your reward...intruding into those things which he has not seen, vainly puffed up by his fleshly mind"

God *is* Spirit, and those who worship Him must worship in spirit and truth. This is the foundation of worship not the raw material. That's is the root and the real value that is given to the raw material like the loaf of bread and grapes' juice in communion and like water in baptism. The valuable Spirit that is the secret of change, can't work in you and you can't be filled with it unless some conditions are met. Neither the ordinance –which is not a spell over man- nor the faith that you

inherited –being born Christian- can make the Spirit work in you. Examine yourselves.

I stressed that you should “Strive to enter through the narrow gate”. It is a proof that the Spirit is not granted freely without any effort. I also told you that many have desired but could not. So, if some desired and realized but could not let the Spirit work in them, how could a person who did not desire and did not realize performs the ordinance of baptism in church thinking that the Spirit of God will work in him like the water in the seed? That’s not possible because the seed has to understand and be convinced that it’d die and be buried in the land so that water would work in it. How could water work while it is not buried in the land? Is it possible for that person to have life in him without wanting it or realizing it?

Indeed, I am standing at the door like in the Song of Songs but if the virgin did not rise and go about the streets, seeking me, then hold me and wouldn’t let me go, she would not have found me and won.

Many promote that the ticket to Heaven is so and so while I did not mention one verse in the Bible that says there is an aim behind entering Heaven. On the contrary, I have assured that Canaan is the place of resting in Me, starting from Genesis, through Hebrews, till Revelations. Rest is in God and the promise remains of entering His rest, let us fear lest any of you seem to have come short of it [The competition] (Hebrews 4:1). I meant by the competition, competing according to the rules which is dying conforming to my death. I did not say that entering Heaven is the True Vine but rather I said “I am the True Vine”. So, I am the true satisfaction not Heaven. I am Canaan; it’s me the place of rest. I want you to be in Me. **For I'm the true vine and not the heaven.**

It is not written, "in order to be in heaven, but to abide in me." Also it is not written, "To get into heaven, but to reach this same picture."

It is not written to be able to enter heaven or reach heaven, but to comprehend the width and length; to know the love of Christ which passes knowledge. And this is the aim.

It is not written, "To be filled of joy in heaven," but He said, "To be filled to the fullness of God, "not in order to reach heaven but to reach the fullness of Christ. I did not say, "Enter heaven," but I said, "stand fast in Me and Me in you."

The purpose of incarnation is the same as when God created man, because God's purpose did not change the fall of man.

When water falls on the ground and irrigates it, water is the source and giver of life. So the point is how to benefit from this fact, not just to defend it and refuse to discuss anything about it. This happens when man proves to God that they refuse to abide in any other vine than the one from which they were born.

Obedience and submitting to anything, without the agreement of God, is a worship to that thing. The life of Jesus and the Bible are the foundation on which the structure should be built.

If liturgy became the foundation, it would replace God because I'm the corner stone; the only foundation.

Find out the fruits in your life: Can you love your enemy? Can you sell your possessions? Can you pray always? Have you become a member of My body that you need nothing from this world? Examine yourself. Without light, many people think that way.

The hard way begins with falling water. Firstly, all people become dead to the world and become after my image. Secondly a man asked Me, "Are there few who are saved?" I did not say to him, "go and baptize," but I said to him, "Strive to enter through the narrow gate, and few who found it." Paul completed this knowledge by saying, "For if there had been a law given which could have given life, truly righteousness would have been by the law." (Galatians 3:21)

These words and My own life with My words together are the foundation and not the epistle. "He who believes and is baptized will be saved" is based on My life and among My living on Earth. It is written, "Having been built on the foundation of the apostles and prophets, Jesus Christ Himself being the chief corner stone." (Ephesians 2:20)

From the fruits, you recognize the tree. When there is no fruit after decades, that's because man didn't grow a relationship with God. Most people didn't make up their minds, because they didn't see the truth for they didn't seek to live in the light.

It is actually not the role of the church to bring new born from God, it is My role towards man, and thus it is not the church's role to bring new born from the spirit. It is not just to descend into water and attend the liturgy that can make man die to the world. If you recognize the tree from its fruits, test the outcome, the church can't walk through the hard way on your behalf.

When people asked John the Baptist, "Why then do you baptize if you are not Elijah, nor the Prophet?" John answered them, saying, "I baptize with water, for repentance." John meant two things:

- The concept of baptism was still understood as circumcision.
- "Sanctify unto me all the firstborn", means he belongs to Me.

When John the Baptist was baptizing the people, he was anointing them to be Mine, but also John said "I indeed baptize you with water unto repentance" (Mathew 3:11), which implies My role to help educate people, and that role was a symbol of the spiritual birth from water that referred to purification, to the same pure picture of Adam, to be back to the purest picture.

The church's purpose is to promote and aid people returning to God, but the church cannot help people die by the Spirit, as this is God's role. Man's role is to respond to the Spirit with perseverance, as it is written, "God is a Spirit, and they that worship him must worship him in heart and in truth" (John 4:24) and as Paul said "For God is my witness, whom I serve with my spirit." (Romans 1:9)

And that is exactly what John the Baptist was referring to when he said "who has the bride is the bridegroom" (John 3:29), to state that **only the bridegroom holds the possession of the bride's soul**, which is a forgotten principle these days that could be restored through sacrifice and crucifixion.

Another rule is that not everything needed is giving satisfaction when received, as God himself is not gratified with what He demands. Consequently, all the needs of the physical body for food, emotions and impressions will never bring satisfaction, and those living for food, or emotional satisfaction, or even a single physical touch are still existing under the flesh's authority, not the Spirit's.

And that is how the saints lived. They escaped to the caves, they left everything, everybody, even food, and they continued with Spirit. And so they found all their own satisfaction, they found the new creation which had been lost earlier by the first man's own will and stupidity. But now, they realized they needed nothing but God.

In mentioning "Man shall not live by bread alone, but by every word that proceeds from the mouth of God" (Mathew 4:4), the word of God is to enliven the human, it is how the human is transferred from the material status that depends and needs the physical food to the spiritual status that lives only with God. This is the real meaning of the "Passover".

"By bread alone...." Alone here means that Man is still living by the flesh, but in transition to live by God. This is the restored picture that Adam lost in the very beginning, and so all humanity has lost it.

So now, what is the benefit of any preaching that is not directing you towards Adam's picture? Your real reason for existence? What is the benefit of a historical story, or even a future one, if it is not focused on the main goal (Restoration of the Purist Picture of Adam)? Many preachers and priests are talking about the Bible as historical stories with no depth. Actually, every single word is a life giver for those who live by the Word and realize its depths. This only happens by the Spirit, to realize that every single word is a piece of the restoration plan.

The hard road from Pharaoh's land to Canaan had many steps. It is the same road from the prison of slavery (the material status that is dependent on physical and material things) to that perfect status of Adam before the fall (the spiritual status that depends on the Spirit to be satisfied), which will be our status forever in heavens. That is the purpose of our creation by extermination of our passé body exactly like the seed burial.

So, did you set your mind what road you want to walk down? How many steps have you walked? How many steps do you think it takes to reach the perfect status? Am I your destiny? Let every man examine themselves where they are.

Some people seek My face to be their only God, others want God to provide them with all their physical needs as if they want God to be a slave. It is written, "If in this life only we have hope in Christ, we are of all men the most pitiable."

The Shunammite woman (which means "weakness of comfort") refused Elisha's stuff and said to him, "I want you, not your stuff" (II Kings 4). Don't think like Peter when he said, "We have left all and followed you, therefore what shall we have?" He was asking about the price and not Me. At that time, he had not yet realized that I am the perfect riches and the vine outside of which he needs nothing.

That is why it is written, "They divided My garments among them, and for My clothing they cast lots." (Matthew 27:35). Many servants divided My garments which was My external image only. They didn't divide Me. It was not their aim to get fulfillment from Me alone. They cast lots on who would serve and who wouldn't.

I said, "Many people lived and died without calculating the cost, **they calculated the cost for their own life and their own good and they walked with Me with the same concept of Peter** who said, 'What shall we have?'" Like Moses,

who thought that the land was the goal, and I became a means to that goal. Their main concern is to get into heaven only.

Many didn't ask, "Why did not people transform to that same image?" Because they didn't know the illness in order to take treatment. Why didn't people change like Black Moses [famous monk in Egypt] changed?

Why didn't they recognize the illness? They didn't ask. Why didn't they ask? And those who knew, why didn't they begin? Because people love themselves. Those who love themselves, destroy themselves. Those who love themselves refuse sacrifices. Why does someone accept to die? So, the human race became blind and crazy.

I did not say to Peter, "**Go away from me, for you are worshipping the devil,**" but I said, "**Go away devil.**" Many didn't realize that they are growing in the prince of this world; that they become like his image. That's why Peter refused to testify for My name and ran away.

If the seed didn't die and immerse in water [daily praises and ministry], it wouldn't be a tree. There is a big difference between nourishment and treatment.

What do the New Testament and the Old Testament mean to you? Hebrews is written for those who passed from the Old to the New Testament in their lifetime. Many know that the nature of God can't commit a mistake or change.

Did you ask yourself why God commanded us to rest on the Sabbath, that man shouldn't do anything on it? Then I broke this commandment in the New Testament when I made most miracles on the Sabbath?! I allowed the disciples to pick up wheat. I opened the eyes of the blind. I healed the paralysed, the man with ascites, the woman with the bent back, the man with the withered arm, and Simon's mother-in-law.

I want you to understand two conditions of man: before the light is an old covenant with your nature being separated from My vine, and a new covenant.

During the Old Testament, while you were in Pharaoh's slavery and were dead having no life, I didn't ask you to build a tower or to love your enemies, because the law is spiritual and also its fruits are spiritual. In order to be in My image and My model, you need a perfect growth in spirit, so man becomes strong that he can fight. But now you are born dead under an old covenant.

I did not change but I cannot impose upon anyone to do anything under an old covenant. **The Old Testament is a condition, not a history.** I came because I want you to **live in a new covenant** without commandments or a mediator like it was in the Old Testament when man was in enmity towards God and needed a priesthood, sacrifices and a mediator. It is written, "That through death He might destroy him who had the power of death, that is, the devil, and release those who through fear of death were all their lifetime subject to bondage."

For if Joshua had given them spiritual rest and not the worldly rest, then God wouldn't, afterward, have spoken of another day. Hence, there is still a real rest which is available as God had rested after His works. So, whoever comes back to Him, finds rest.

It is written, "Leaving the discussion of the elementary principles of Christ, **let us go on to perfection.** But, beloved, we are confident of better things concerning you, yes, things that accompany salvation. And we desire that each one of you show the same diligence to the full assurance of hope, that you do not become sluggish." (Hebrews 6:1, 9, 11, 12)

Don't forget that your nature became like hungry gaps, and there is the flesh gap inside you (including heart and feelings) and your mind besides the spirit gap which is the main part. **If the heart and the mind are filled by anything of this world rather than Me, so by this, you have introduced a strange thing into My house and temple.** Firstly, you will have **kicked Me out** of My house and refused to let Me in. Your soul does not belong to you, but is a stewardship upon which I have appointed you, for it is My house and temple. Secondly, you will lose your presence in Me and your satisfaction from Me; you would have destroyed My house. Like when I have entered the temple in the past, I found sheep and cattle and money changers which symbolizes the concern of a human soul about flesh, world and money. So I drove all of them out and said, "My house shall be called a house of prayer for all nations, but you have made it a den of thieves." Thirdly, this way you will lose everything because you worshipped the flesh and the world, you refused to worship Me and to be filled of me, you robbed the right of your God, and so you don't deserve to be in My house.

If you want to achieve the purpose of your life, you have to start worshipping Me and stop worshipping and obeying anything else. So, now, you have been born like a dead seed which can't be connected to the source of life while it is outside the soil. **The first step in the way to life** is that you have to bury the seed. When you reject the world as your source of satisfaction, because you want Me to be the source

of your satisfaction and fulfillment, you refuse to live by anything of this world, because you want to live by Me only. This is when you realize that I am the true vine. When you start to refuse obeying your flesh, your lusts and your own will, **you refuse to worship your flesh and your ego**. That is what burying the seed or slaughter of the lamb means. This is the true meaning of baptism, baptism as a life, to be **stained by My image**. Therefore, **the life of baptism** is the difficult way which at its end, man is stained by My image.

This life and this way start by baptism in which I give My spirit to whoever asks, and that is the first fruit of the spirit. The one who asks and wants to understand the goal and its way, desires to die to the world and be buried. In that day they come to church and practice the liturgy in which I give them the power of My spirit, which empowers them to walk in the difficult way, the life of baptism, the life of death to the world and the death of the old man. This becomes true by the life of death and burying to the world, like all the martyrs, indeed, lived and died to the world because they loved Me. Therefore they became branches in My vine. The one who is dead to the world like a buried seed. I will meet their thirst and their hunger and they will find real satisfaction. **So whoever is baptized as a life only shall find fulfillment for their hunger and thirst in Me**. That is why I arranged for men, who are baptized, to be able to practice communion, to tell you that whoever is dead to the world and the lusts of the world, which is the true baptism, their thirst and hunger will be satisfied in Me. This is the meaning of eating from the bread of life, which means satisfaction from me. For I am life, and not from liturgies. Those who had wandered in the wilderness, I brought them manna from heaven. By this, man moves out from the Old Testament of their lives, when their worship to Me was just liturgy, into the New Testament. As written, "Or do you not know that **as many of us as were baptized into Christ Jesus were baptized into His death**? Therefore, we were buried with Him through baptism into death, that just as Christ was raised from the dead by the glory of the Father, even so we also should walk in newness of life." (Romans 6:3-4) This means that baptism is **the life** of death to the world, it begins when man **wants** to know the purpose of their life. So, I enlighten their minds. Then they are convinced and know that they must die to all lusts of the flesh and the world to live by Me. For this reason, they come and confess before the church that they will die for Me to complete the baptism in which I give them the deposit, which is the power of My spirit to walk the difficult way in which they die and are buried in resembling My death. They fight to die for a long time as written, "We are dead all day long." Death works inside us, not for forgiveness of their sin and not as **a sin sacrifice offering** to remove their sins so that they can enter heaven. Rather, with understanding and revelation, it is to be free from their slavery and their old nature

changes completely, that they offer themselves as **burnt sacrifice** until the old man vanishes, becomes free and restores the image of free and pure Adam. Then **he will be born of water**, which he becomes a member of My body.

Baptism is the life that contains death, burying and crucifixion to everything in the world, and the result of this death is resurrection. My resurrection in man, that way he is born again; therefore baptism is the death of the old man and the birth of a new man. After a long difficult way, in which man is subjected to death, I will appear in his life. I will be born in his life and he will be born again. In baptism, man makes a covenant to die and be buried to the world in resembling to My death. This is the meaning of what My son Paul said, "**We are baptized into His death**; we are buried with Him through baptism unto death." Paul wants to say that we fought to blood and walked like the Lord walked. He taught us "For if **we have been united together in the likeness of His death**, certainly we also shall be in the likeness of His resurrection. Knowing this, **that our old self was crucified with Him that the body of sin might be done away with, that we should no longer be slaves of sin.**" (Romans 6:5-6) Paul also said, "The cross of our Lord Jesus Christ, by whom **the world has been crucified to me, and I to the world.**" (Galatians 6:14) He understood the meaning of baptism, not just a rite in which he will be born again immediately, the old self will die and become free that My spirit will rise inside him. Then he changes and becomes holy and perfect that he will be filled of Me in one day. This was what the foolish virgins thought when **they foolishly thought that they can buy oil**, and thus buy and obtain the spiritual stature or the new nature and image. I did not say that, but when someone asked Me "Are there few who are saved?" I said, "**Strive** to enter through the narrow gate, because narrow is the gate and difficult is the way which leads to life." So reaching the goal is achieved by striving in a long difficult way.

He realized that it is a **life of death** which continues till **the complete death** as it is written, "Work out your own salvation with fear and trembling." (Philippians 2:12) If salvation is completed in a moment, you would have needed nothing else; you would not have need to complete the difficult way, nor to grow in stature or wisdom or grace. It is written, "**Foolish one, what you sow is not made alive unless it dies.**" (ICorinthians15:36) As I have shown you, death on the cross is the way to resurrection. Therefore, I made a comparison to you between **the baptism and the cross**, which is **the complete death** like when the fire burns the sacrifice completely until it turns into ashes. In this phase, baptism is perfected and the difficult way, its purification by water and being born by water are done. You have been set free from your old nature as Paul wrote, "we have been buried with Him into death and we are

baptized into His death." That results in resurrection from death, the body of death. Paul wrote that this is not taken by faith as many thought whom do not want to walk in the difficult way.

As it is written, "Beware lest anyone cheat you through philosophy and empty deceit, according to the tradition of men, according to the basic principles of the world, and not **according** to Christ. For in Him dwells **all the fullness** of the Godhead bodily; and you are **complete in Him**, who is the head of all principality and power. In Him you were also **circumcised with the circumcision made without hands**, by putting off the body of the sins of the flesh, by the circumcision of Christ, **buried with Him in baptism**, in which you also were **raised** with Him through faith in the working of God, who raised Him from the dead. And you, being dead in your trespasses and **the un circumcision** of your flesh, He has made alive together with Him, having forgiven you all trespasses, having wiped out the handwriting of **requirements** that was against us, which was contrary to us. And He has taken it out of **the way**, having nailed it to the cross" (Colossians 2:8-14), I want to remind you that the beginning of the destruction was caused by eating from the tree which was in **the middle** of the garden. This means that your worship is no longer the same and you don't belong to the Old Testament anymore where you were worshipping Me according to ceremonies and rites. You were not in the Spirit yet and the way was just **commandments**. But you have entered a new covenant and a new life - all that comes by light, so whoever enters the narrow gate and die in the likeness of My death as a slaughtered lamb. When I see **the blood** which is **an expression of your death to the world to live by Me** and an expression of your refusal to worship yourself and your flesh, then I will start to work in you like when the seed is buried and then the living water starts to work in it, giving it **roots** at first which starts to come out from that being (the seed) which was dead. That root is **the mediator** between the dead seed and the living water, like My spirit which I give you that works between Me and your dead nature. The root is a symbol of the work of My spirit in you. So as the root is miraculously created in the dead seed through water which is the source of life, just like **the gift of spirit** is imparted into you when you crucify yourself and your flesh like the seed that was buried.

The living water which was descended to Earth symbolizes **My incarnation** to teach you the way to life, to freedom from bondage. That is the way to salvation. I accepted to make Myself of no reputation and descended to Earth and took the likeness of the bronze serpent (like the water goes under the soil and dies to give life to the seed). Anyone who descends and is buried like Me, as I taught you that the seed descends into the soil and is buried after the living water is buried and

descended under the soil waiting for the seed, will die in the likeness of **My death**, and he arise as I rose. I will give him the Spirit that makes him feel My presence and start a relationship with Me, as the water gives root to the dead seed. That is why I commanded you, "**Consider the lilies of the field, how they grow.**" (Matthew 6:28) By that Spirit only you can communicate with Me and this Spirit is the only way to your communication with Me, like the root which is the only way that the dead seed can be connected to its source of life. This is the concept of **the mediator** without which two contradicted things by nature can never communicate together. Therefore, when the nature of man changed and all the human race became in bondage, you became enemies to Me. For you were created having the nature of a member. My purpose in creating man was to make him a member in Me, where I am the mind and the head that drives him, and I am the source of life by which he lives. That is why I created man with the nature of **a member** who needs a head to lead and a body to live through; this is what life will be through all eternity.

Anyone who chooses and accepts that goal and accepts to live this life as a member in Me, like any organ in a body, in order to "**live and move and have his being in Him**," has to ask Me the conditions for his membership in Me. This is the only goal which you and every man in this world should be occupied by, to know the purpose you were created for and to know the practical steps of the difficult way to achieve that purpose. This is what is written, "That you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service," (Romans12:1) which means to be occupied completely from all your heart, all your mind and all your strength to reach that purpose. I didn't create man for any other purpose, **so why and shouldn't your main purpose be to occupy your mind towards that goal?!** Where do you think you will go, if this purpose isn't occupying your mind and to know the conditions to reach that purpose, for it is written "What will be the end of those who do not obey the gospel of God?" (I Peter4:17) You should have known every written word, because every word from My mouth gives life to man. It is a step along the way, and even it is the light without which you can't see the way, as it is written, "Your word is a lamp to my feet And a light to my path" (Psalms119:105) and also written, "But even if our gospel is veiled, it is veiled to those who are perishing, whose minds the god of this age has blinded, who do not believe." (II Corinthians 4:3-4).

As I told you, "Stand in the ways and see, where the good way is, and walk in it; Then you will find rest for your souls" (Jeremiah 6:16). This is **the strive till blood and the legal fight** which I commanded you to complete and it is the condition to reach Me, that you should live every word in the Bible as written, "Only let your

conduct be worthy of the gospel of Christ." (Philippians 1:27) You should strive and walk as I walked as it is written, "Ought we also to walk just as He walked." No one can set a foundation other than that set by Me, which is My life and My practical strive which I showed you. **Who doesn't strive the way I did can never reach that goal and there is no other way to reach My image and My example except by the fight I fought.**

Haven't you read the writings and the conditions to reach the purpose, that is to die with Me, because if you don't die with Me, you will not rise with Me. As I rose like a man, so My sufferings and My cross had two goals. For I am a man and God. As God, My death was for redemption and as a man I strove to pray and fast for thirty years. I was growing and was empowered by the Spirit. These were the practical steps for **the legal fight**. It is like a **curriculum** for a person who is having an exam. Unless he studies and knows all subjects, he will not pass the exam. Like building a tower, the steps should go gradually; digging the ground at first to remove the old dust, secondly setting the foundations, then start the construction. That is why My fight was the perfect model for the ideal steps for those who strive to reach the purpose. Those who don't complete them all will not reach the purpose. What do you think? What made your God, who created you, to remain thirty years fasting, praying and growing in the spiritual stature? For if the purpose of My incarnation was only for redemption, as some think, I would have appeared for limited days to accomplish redemption. But this would not help because I wanted to assure that redemption is conditional, that you should fight a certain fight. Whoever fights this fight and dies in the likeness of My death and refuses to worship anything else is the man who deserves My death. How can I die for a man who is still worshipping other Gods than Me? Any man who obeys the world and their flesh is still worshipping another God. He will not be crucified and will not die with Me, so I will not die for them. The reason I teach you about crucifixion and death is so you refuse to worship other Gods and refuse to obey anything else, then start to worship Me. Man will be free from any other worship only through My grace. When this happens along with continuing the fight, he will be free from the membership in the prince of this world. This fight I taught you will free you from the bondage in which you have been born and this is should be the main concern of every individual. Sin is not the main problem or concern because sin is the result of bondage. Whoever is freed from bondage will be free from sin as it is written, "For when we were in the flesh, the sinful passions which were aroused by the law were at work in our members to bear fruit to death. But now we have been delivered from the law, having died to what we were held by." (Romans 7:5-6) Whoever dies is free from sin, all those who become true through the

legal fight till you go back to the pure image of Adam, who didn't understand evil or any of the carnal things. This is what I meant by being born of water.

After that, you will start the fight which Adam had, you will be born of the Spirit, to be in Me and to be born in Me through continuous prayer. Then you will achieve the purpose which is your membership in Me after approving the conditions. At that time, you become My image and My example, and in that way you live the life I created you for. You will be in continuous communication with Me like the vine and the branch. This is the kind of life which will be in heaven forever and this is the purpose for which I created man. Everybody has to choose because man is free to choose the life they want, to choose the God they want to worship.

Who wants Me will start to walk through the difficult way and stop worshipping the flesh and the self. When you die in My likeness as I taught you, through fighting for days, months and years and wrestling with the flesh and the devil's wars, your old self is crucified and the body of sin becomes without effect. Then you will no longer be in bondage. Haven't you read all this in the Bible? Haven't you read that you should be crucified with Me, to die in My likeness and to live My fellowship of sufferings? Not My sufferings for redemption because My part as God is to complete that alone, but My fellowship of sufferings and the likeness of My death as man and as teacher. I was teaching you the practical way of salvation and this is the only way to know Me. As Paul said, "I may know Him and the power of His resurrection, and the fellowship of His sufferings, being conformed to His death." (Philippians 3:10)

I have said, "Because narrow is the gate and difficult is the way which leads to life," (Matthew 7:14), which leads you to Me. Haven't you read this condition before? Few have found this gate and realized it. That means they saw the light, it is for them who sought the light. By My light only your minds are enlightened in knowing the truth and finding the gate and the way. That is why many are not walking the difficult way now, because they didn't seek the light and did not understand. They did not enter the gate. Reaching the goal is accomplished by striving to enter through the narrow gate. The way the people are attached to money makes it difficult for them to abandon it, so they can come to Me. That makes the issue of the narrow gate like the camel going through the eye of a needle. Think about the things you are bound to because of the severe hunger in your souls that are not filled with Me. Those things that bind you are accumulated like heavy burdens on a loaded camel. That is why the gate, by which the way starts, is very narrow and needs man to give up and sacrifice many things.

My incarnation was for two reasons. The main purpose is to teach you salvation. There are steps of fighting to be saved. I have saved you by teaching you the way to fight as written, "For to this you were called, because Christ also suffered for us, leaving us an example, that you should follow His steps" (I Peter 2:21). The second purpose is redemption. But to benefit from it, you have to fulfill the conditions by learning and completing the first purpose which is to fight as I fought. My death on the cross is like a door in the middle of the way. This door was closed and I came and opened it. So whoever walks through that way, the difficult way, will only benefit from this open door, which implies that your salvation is not conditioned by My death but by your fight. I died indeed but not everyone is saved. Salvation is achieved only by those who are crucified, those who die with Me and are united with Me in the likeness of My death as it is written, "For Your sake we are killed all day long", those who walk as I walked. Those who show and prove their sincerity when they stop worshipping and obeying anything else are the ones who deserve My death for them and their sins.

The perfect divine justice says that, "the wages of sin is death." Death of that man, not another man on his behalf, because if any other man dies for him, this would not be justice. But according to My mercy, I shall not leave you and I am also fair. The only solution is to execute justice and mercy. The death of a righteous man, and the sinner who unites with the righteous man to become one flesh with Him, should know the conditions for this union. No human being can fulfill this goal, because the righteous man has to stay dead throughout all that time to take the sin of any man in any place and at any time. This requires a man who does not belong to time. Because every man is subjected to time, I have come in flesh to solve that. I arranged the secret of eating My body that My crucified body continues in existence. When anyone dies in the likeness of My death fulfilling the conditions for union with My dead body, he will be one in Me. While I'm dead, this man also is considered dead, so his sin is canceled. This is accomplished during taking the communion as it is written, "For if we have been **united together in the likeness of His death**, certainly we also shall be in the likeness of His resurrection" (Romans 6:5). The death of the righteous man will be also the death of the sinner, but the core of this case is the condition for the union of the sinner with My dead body. This condition is achieved when you die to your lusts and stop obeying your flesh in any desire, this is the only request I ask of you. So when you eat My body, while you are crucified and dead with Me in the likeness of My death, you are doing what I taught you. By this obedience and crucifying the flesh to the desires and lusts as I did:

- First of all, you prove that you are worshipping Me.

- Secondly, when you eat My body, you will unite with Me and become members in My body. As I was hanged on the cross, slaughtered and dead, you also become dead with Me. In that way, divine justice is fulfilled.
- Thirdly, the most important thing, I will free you from bondage which makes you sin everyday as written, "But now we have been delivered from the law, having died to what we were held by."

The problem is not the sin which you commit, like many think, but the change in your nature that made you an enemy to Me. That is why I said that I came not to take sin away, but to give your life and a new nature. What happened is that you obeyed the prince of this world and consequently became members in him. Anything you obey becomes a head to you, so you fell under the authority of him. I created you with the nature to be a member, so you need a head to lead you and a being to live by. The moment you obey any man or the prince of this world, that will become like a head which leads you and so you become a slave. This is exactly what happened with Adam when he obeyed himself and Eve and the prince of the world He became a slave to them and Eve became like the head that leads Adam. **The evidence** is that when she gave her man the apple and he ate with her without speaking a word, he became a slave to her, as a member with no brain walking according the commands of that head. Adam didn't care for his death or My wrath or even hurting My feelings, or for anything else because he became a member without a head. My son Paul said, "For what I am doing, I do not understand." Haven't you read what is written, "**You are that one's slaves whom you obey**" (Romans 6:16), so you were born members in the prince of the world and you became, "**according to the prince of the power of the air,**" and members in other people. If you are slaves to the habits of people, and do what people do, you are not living the Bible and you are not obeying Me, the true God. Even if you want to obey Me now, you cannot instantly be members in Me, but only after a perfect fight in the difficult way. This is what Paul said, "For we know that the law is spiritual, but I am carnal, sold under sin. For I delight in the law of God." (Romans 7:14, 22)

Because Paul was still a member in the prince of the world, other people and under the bondage of his flesh, he also said, "For what I am doing, I do not understand. For what I will to do, that I do not practice; but what I hate, that I do. For the good that I will to do, I do not do; but the evil I will not to do, that I practice." (Romans 7:15, 19) How did man reach that condition? When he discovered the reality of the situation in which he was born, he cried and said, "O wretched man that I am! Who will deliver me from this body of death?" (Romans 7:24) All this

happened because man became a member in other beings not Me. You became like the children of Israel who were born in bitter bondage to Pharaoh who was like the prince of the world. Even if they sincerely wanted to go to Canaan, they could not go immediately. They had to fight Pharaoh first to be free from his bondage and then learn the way of slaughtering the Passover lamb to strive to be in the likeness of My death. I promised the children of Israel and promise you too that I will strike Pharaoh with My strikes and set you free from bondage.

The Passover lamb relates to the death of every man in the likeness of My death, but not as many think that the Passover lamb means My death. How can I ask you to slaughter Me?!! When I see the blood as a sign of proof that you are sincerely willing to be free from your membership in the prince of the world and from bondage of the flesh and self as I taught you that comes after the death of the lamb, which is the death of man in the likeness of My death and fighting till the blood, I will Passover you and accomplish your salvation. That way you will be taken from where you abide to become members in Me, so you can eat the lamb **to be satisfied by Me**, like those who slaughtered the lamb and died all day started to eat the lamb were satisfied by Me. After death, the lamb became a symbol for Me as you will actually be one in Me, while before death, it was a symbol for your fight in the likeness of My death.

I would like you to understand the concept of the mediator, as I was in My earthly body the mediator between you and God because the Father and I are one in essence. For I am God. In order to unite with Me, you need the Spirit which is the only mediator, like the root I give you and you are buried like the seed, fought and died in the likeness of My death. **The mediator is beneficial for both sides, which accepts the union of both sides.** Now, your nature is like water and Mine is like oil. Water and oil can't be united together (as you are in your old nature and cannot be united with Me). Unless there is a mediator, you cannot unite with Me like flour which can unite water and oil and can be obtained only by crushing the grain. Those who are not crushed through fighting to crucify their flesh and controlling and submitting it, I will not give them My Spirit, which is as the root, the only mediator through which you can communicate with Me. To begin a relationship and a connection with Me is conditional on your fight in order **to give you the spirit**, because without the spirit you can't feel My presence. For the dead seed, in order to start connection with the source of life, it must be buried at first to have life. You too, while you are slaves and enemies to Me, can feel My presence in prayer and love Me as you love any carnal person. The carnal person can only feel and love another carnal person like them because they can see and feel each other's presence. Their

feelings can move towards each other and their hearts filled by passion for each other. That way they can love each other. How do you think you can love Me with any degree, if you don't feel and sense My presence?! This cannot be accomplished without the Spirit, which means to be in the Spirit in order to feel My presence, that your passion moves towards Me and your heart be filled by My compassion. That is love, or until now you don't know what love is!

This is why Paul My son said, "God whom I serve with my spirit." Also, I said to the Samaritan woman, "God is spirit, and those who worship Him, must worship Him in spirit and truth, for the Father is seeking such people to worship Him." This is the only way to feel Me, know Me and love Me...by the mediator: the Holy Spirit. I give you this like the root, without which, there is no connection between water and the dead seed. The same for you. You can't communicate with Me, feel My presence and love Me except by the Holy Spirit, which I give to those who worship and obey Me, and prove to Me that they are honest in their will.

By not yielding his flesh or to the people, and not worshipping another god. How can you deceive yourselves that while you are worshipping another god, you think you worship me in the same time?! And as a part of one body, how can you be a part of another body, and yet be moved by the mind of that other body?! For you are servants to whom you obey. In order to be members in my body, to achieve your God given purpose and guarantee to live with Me always, you have to lay the right foundation first. You must be freed from Pharaoh's bondage! You will gain nothing from rites, secrets and ceremonies. How can anyone build a tower without laying a strong foundation first? First, you have to dig deep to bring the dust out and then, you can lay the sure foundation. No one can lay another foundation except what is in My life. There is no other way for salvation. For even to start a true relationship with Me, to feel My presence and to love Me; there is no way except through the strife which I have shown you. There is no fellowship between light and darkness, no one can serve two masters, neither can anyone be at two bodies at the same time, you cannot live and move in two separate beings at the same time, and you are deceived and deceive yourself? This is how you are lost, because you don't know the written word...and what I have written in the Gospel.

I have said, "My people perish from lack of knowledge," also I've said to Nicodemus, "you have to be born again," for the flesh is against the Spirit and in an enmity because the first man chose to abide in the flesh, to live and move by the flesh, in this way, became stranger to me. For it is written, "While we are at home in the body, we are absent from the Lord. We are confident, yes, well pleased rather to

be absent from the body, and to be present with the Lord," (2 Corinthians 5:6, 8 NKJV) "even though our outward man is perishing, yet the inward man is being renewed day by day." (2 Corinthians 4:16 NKJV)

As I was listening to God I felt as if I'm born again because I have not ever heard anybody speak like that to speak to me spontaneously with such knowledge, like hidden treasure that can't be evaluated by any price, I felt as if I got the whole richness of the world, and even became the richest of richest men. Then I said to the Lord, "So I was not praying to You before, and not communicating with You in truth." The Lord said, "Of course not, because if you fulfilled the conditions to be in touch with Me, you would be filled of me. You didn't lay a sure foundation because you didn't bury your natural body. As I told you, "Unless the natural body is buried, the Spiritual body cannot be raised, you are like a dead seed, unless you bury (to crucify) your flesh, and do not obey it in its lusts and desires, you will become like the seed which is left alone and I didn't give that root of My spirit. And without this, you can't truly communicate with Me in deep relationship with Me. Not only so, but the seed has to be buried continuously. Unless you keep your body crucified always, which means you stop worshipping it, you can't start worshipping Me, **the moment you obey your flesh in even minor things, you go back to worship it; in that same moment you separate yourself from Me, and you can't worship Me.**

In this state My servant, remember that Adam with one bite of the fruit, evil was introduced into the whole world. It is written "and those who are Christ's crucified the flesh with its passions and desires." (Galatians 5:24 NKJV)

Also, Noah after all the fight he fought, he drank a cup of wine, and was found naked. That is why I said, "Keep your heart with all diligence." (Proverbs 4:24)

So even if you fought for a hundred years and you then obeyed your flesh, you shall be his slave again. Samson could kill a thousand of Palestinians with a dead donkey jaw, and this is a picture of the carnal man who undergoes death by fasting to overcome the evil spirits. Whatever the strength of Samson, ten and hundreds of Philistines could not tie him. But when he killed the thousand Philistines, it symbolized the Nazarite (separated) to Me, that lives for Me with supernatural power. But because he relented and obeyed his flesh, he lost this power. They took his eyes out, tied him up in the prison, made him crush the grains, instead of the ox, and became a joke in front of his enemies. They, resembling devils, said "Let Samson play for us," and they strip him before all people! How did the strongest man in the human history become a naked and humiliated slave? Like Noah, after all these

championships. I wrote this to you that you may find the way. Look at how the people of Israel, because of their repletion and the hardness of their hearts, didn't find the way yet, and have no background for the spiritual fight. I committed them to fast in the wilderness by eating manna so that they may realize My intension to them...that to be satisfied by Me, and not of earthly food, and I said to them, "Man shall not live by bread alone." (Mathew 4:4)

They murdered and also wanted to kill Moses, just because they lusted for the smell of meat, although they did not eat meat in Egypt. They craved melons and garlic that they didn't satisfy by Me, so is it wrong to eat and fill their hunger? It is not about 'right' and 'wrong' but it is against My will; to refuse to fight for the purpose for which I created them. They didn't understand the story of life; they didn't ask, or want to know. They didn't seek the light, so they remained in darkness and were perished in the wilderness.

From long ago, I've been teaching you this, "Man shall not live by bread alone" (Mathew 4:4 NKJV) this is the way that brings you back to Me. In the end, I came by Myself to show it to you, so whoever walks like Me, and traces My steps, he will live and rise with Me. It is not only by believing in Me and eating My body, that you shall live. If you don't die with Me in the likeness of My death and are buried like the seed, then all of the 'fertilizers' like the living water of My body and all the liturgies, will not benefit the soil in your heart, because the soil doesn't contain a dead seed. This is also if you want to be free from bondage to lay in me. And don't forget that if the seed, even after a long period of growing, comes out the soil, it will die too as happened to Samson.

You must stay crucified all the time, not only during fasting, if you want to reach Me. That is the way all saints walked through. They were lost in the wilderness, mountains and cracks of the earth, motivated by the profound desire to reach Me.

Time is very short, the world will vanish, the hard way is long and with many steps. A new born child cannot think if he eats all the food, he will become a man in the same day because the phases of growth are many. But this is for those who realize that it is a worthy endeavor and these are the ones that have tasted my beauty.

Moussa the black (a monk lived in a monastery in Egypt), and many others cried from all their hearts asking to know Me to reach Me, and so I gave them discernment to know the truth. They willingly went to walk the way which I lit for them, to enjoy being members in Me forever, you too, I want you to be in Me, as I

said when I was in the flesh, "That they may be one just as We Are one." (John 17:22)

The angel of the church of Laodicea's was pure angel, filled of me, because he went through the way of fighting, otherwise how can he became an angel and I testified for him too, but when stopped in the way and thought of himself that he became rich in spirit, increased with goods, and have need of nothing, I rebuke him strongly saying to him, "I counsel you to buy from Me gold, refined in the fire, that you may be rich, and white garments, that you may be clothed; so that the shame of your nakedness may not be revealed. As many as I love, I rebuke and chasten. Therefore be zealous and repent." (Revelation 3:17-19) Despite he was an angel, a spiritual man indeed. Just as he thought of himself that he became something, he stopped growing and obeying the Bible and My word, so I told him, "So then, because if you are lukewarm, neither cold nor hot, I will vomit you out of my mouth." (Revelation 3:16) I wrote all these that you may realize what sin is, and the proof is that I told him, "You have to repent."

I have rebuke six angels that you may realize and understand, even angels need repentance in My sight according to the truth! Even the angel of the church of Thyatira, which means the continuous sacrifice and the one who is bearing many afflictions, I said to him, "I know your works, love, service, faith and your patience; and as for your works, the last are more than the first. Nerveless I have a few things against you" (Revelation 2:19 NKJV). I rebuke him, because he sinned according to the truth, by not fulfilling the commandment completely to be the light of the world.

I said to the rest of the angels, as the angel of the church of Pergamos, **which means the high thing, fortified, immersed, bound and adherent to God**, I recommended him also saying I know your works and labor, but you should repent, despite all the fighting he did, and living where Satan's seat is, and didn't respond the evil of the whole world, but I asked him to repent, just because he didn't fight the good fight according to the truth, he committed sin, he should repent.

The beloved angel of the church of Ephesus I told him, "you have preserved and have patience and have labored for my name's sake, and have not become weary." (Revelation 2:3 NKJV) Despite of this, I blamed him according to the truth of the Bible "Remember therefore from where you have fallen; repent and do the first works, or else I'll come to you quickly and remove your lampstand from its place, unless you repent." (Revelation 2:5 NKJV)

Now you should understand what sin is, sin is to choose not to fight to reach the purpose, I told you this to know the purpose of your life and to fight for it. Even the saints, I've blamed them, that you may awake and compare yourself to Me and to them, like a mirror to see yourself in it, as written "but we all, with unveiled face, beholding as in a mirror, the glory of the Lord, are being transformed into the same image from glory to glory, just as by the Spirit of the Lord." (2 Corinthians 3:18 NKJV)

I have created man to be fully content by My life in him, to achieve that goal; you should be a member in Me. I told the souls, who became like angels, that they have fallen and need repentance, what do you think your need? I've committed you to be perfect, as I AM perfect, and I won't ask you to do anything unless I provide all what you need, as it is written, "but may the God of all grace, who call us to His eternal glory by Christ Jesus, after you've suffered a while, perfect, establish, strengthen and settle you." (1 Peter 5:10 NKJV)

Out of the absolute wisdom, it was impossible to immediately make man a member in Me from the beginning, in other words this means that man find himself part of me at once. But out of the perfect wisdom, I have to make man completely free to make his choice, and he will have advantage to become part of Me and partner with Me, and to deserve that honor which is inexpressible, he have to fight the perfect fight. So I have to put him first in **temporary temple** to be as **a source of life to him**, this is the earthly body to live by. But Adam has to know that this body will disappear for it is a temporary body for the time of his presence in that body, it was as a testing period. And when I've breathed in that dust, part of My Spirit came out. This Spirit existed and worked in the dust. This all is about making man able to abide in Me as a member in My body, if he chooses to walk in that way.

Then, this dependence on his flesh for feeding and as a source of life will decrease, and will start to join Me to be filled and satisfied of Me, and I become the source of his life, and when he fulfill My will, I become His head and brain that way he become a member of My being and a dwelling place for Me. Of course this can happen if he fought to achieve that purpose. This means, to reach that purpose it is conditional on man's **fight**. Consequently it is conditional on and up to the will of the man to be filled of Me to abide in Me and become a member of My body, otherwise he continues abiding in his flesh to live and move by it.

Man need a head to lead him and a body to live by, this is the way I created the man to be a member. If man took his orders from his will not by becoming a member

of My body, and becomes an independent being; he refused to let Me his head from whom he take orders, as Adam did precisely. The moment he obeyed his own will, his flesh, Eve and the prince of the world, he took many resources to receive his orders from, having many gods as I wrote to you, "You served those which by nature are not gods," man becomes abiding in the flesh, lives, moves and be by his flesh," and this is the curse of the law which I told you. So the first condition to come back to Me is that man denies his flesh and stops worshipping himself.

Now you have born under this curse and bondage and the only way to be free from this bondage is to stop obeying and worshipping anything and to fight in the difficult road, which I Myself walked and fought through, in order not to have any excuse in knowing the way to the legal fight (1 Timothy 2:5 NKJV), and the way which I con secreted for you to walk through. (Hebrew 10:20 NKJV)

As the seed continued to be buried, by its death to the world, the connection with water will continue, and grow day by day until be filled of Me, the same for you, if you stopped obeying your flesh, or yourself or the world or people, as the permanently buried seed. Also if you died in the likeness of my death as it is written, "for if we have been united together in the likeness of His death, certainly we shall also be in the likeness of His resurrection, knowing this, that our old man was crucified with Him, that the body of sin might be done away with that we should no longer be slaves of sin. For He who has died has been freed from sin. Now if we died with Christ, we believe that we shall also live with Him. Therefore do not let sin reign in your mortal body." (Romans 6:5-8, 12 NKJV) I heaven there is no intellectual or manual work forever, only Me, and only who became a member in Me will stay with Me and enjoy My company forever, this is the life I created you for, to be with Me, in me, enjoy My presence, the full satisfaction, the full joy forever.

But is anyone refuses this life, didn't fight for freedom from the body in which he was born a slave to it, and so not becoming a member in my body, live by me as I fought and all other saints.

This person when he come to me, he can't be in me, he can't live with me, because he didn't become a member in me, so it doesn't work, even he is not capable to stay with me because he didn't live on earth as in heaven as I taught you, beside he didn't know me truly, as he didn't communicate with me, as he lake the conditions for communications with me, by being buried and continuously crucified, consequently didn't be filled of me, the prove is that he still live in flesh, if you didn't get food for

some days you will die., but they whom became members in my body, here in earth, they didn't need food all the time.

Didn't you hear about those saints whom were in continuous fasting? As Bishop Bejemy the wondering and many other wondering things. They didn't live by flesh and when they eat they eat once a week, or after many days they eat herbs in the wilderness, or I send them small loaf of bread, after all this fasting.

This is because they became in spirit; members of My body. MY spirit was feeding them, because they soaked in light. They were human beings exactly like you, some of them were kings and princes. When they diligently soaked in the light when they saw it and desired to reach Me, I gave them strength and they left everything. I asked every man to be holy even I commanded all people to be holy as I Am holy, anyone wants to be My son should be holy for the son like his father. So, anyone isn't holy, how can they deceive themselves, and consider themselves My children?

I was a partaker of the same nature as yours, honestly I carried the same earthy flesh, human weakness, and I shared everything, I fasted forty days in my fight as a human, didn't you ask yourself why I did so?! I told Him, God I thought you have fasted on our behalf as I heard. The Lord said to me "I didn't come to fight and walk the difficult road on your behalf, but I came to save by showing you practically how to fight, this is what I told you. As I did, you also do, I give you an example, "For Christ being put to death in the flesh," "therefore, since Christ suffered for us in the flesh, arm yourselves with the same mind." (1 Peter 3:18, 4:1 NKJV)

So where is the Bible, the road and the light in your life?! You should live only as the Bible says, for there is no other purpose in this life, except the fight to reach Me, by fighting the flesh during fasting and not obeying it, then you go back on other days to worship your body and you call these days "Days of joyful feast", much more joy should be towards Me, for I Am the true God, and not the flesh. That means you should make Me happy that day, because I'm the true God, and not as you seek to make your body happy in that day, this approve that your body still your god, actually celebrating the feast should be for God, that you seek to make your God pleased, and be pleased with him. At Christmas time, you should be happy for My birth, but what actually happens during these days is that you become occupied completely by making your body pleased, by giving it all its desires and pleasure, this is the big evident that your god is still your body, and you are not aware while you are doing it. Haven't you read about the Levi who cut his wife into twelve pieces which a symbol

of the man who wanted to truly come to Me, and he found light and soaked to save himself, so he has done away his body according to God's commandments and the light, and because the hours of the day are twelve hours. So the twelve tribes eradicated the tribe of Benjamin, which supposed to be the right eye, that should see the truth, instead it became a stumble for the body and I said, "If your eye causes you to sin, pluck it out." (Mark 9:47)

So this battle was a symbol for the conflict between man and himself, until this organ, which was once a stumble, becomes of no effect. Whoever doesn't understand this case absolutely has no excuse, also who didn't ask himself why I'm here in this life? What is the purpose of my life, will not seek to fight to reach the goal, so he shall live without purpose like many, then they will lose everything, and there is no excuse for their ignorance because I said, "everyone who asks receives," (Matthew 7:8 NKJV) you are truly members of My body, so how come if any man asked Me, how to bring back this separated member and I wouldn't answer him. Every soul remains away from Me, causing severe pain to Me. The only way for anyone born in bondage, to be a member in Me and enjoy My presence forever, is to stop worshipping any other god by fasting and praying. Then I will give you My grace, which is My spirit, that acts like a root through which you can communicate with Me and be filled of Me, as it is written, "For it is God who works in you both to will and to do for *His* good pleasure." (Philippians 2:13)

As you start burying your flesh, your outside man starts to dissolve and the inside man renews day after day, while you are fighting the good fight and the legal fight till blood. I will work in you even you are not aware because you choose me to be your God and your head that moves you and deny yourself; not seeking anything of this world, as you realize that this world is vain, then you will find the truth.

Saul hated David, because he was a symbol of Christ the king for he wanted to be the king, Jonathan the son of soul means the gift of Jehovah, he is the symbol of the gift I gave you, my spirit, who acts like the root, the only way to be in communication with me. As David was communicating with Jonathan and loved him as himself. Saul is the soul who I gave from my spirit as a gift and grace to encourage that soul to communicate with me, but he wanted to kill David because he refused to confess him as a king. David was a symbol of My kingdom, it was marvelous that Jonathan loves David despite he was the son of Soul. This is that you may understand what I Am doing with you, I can't communicate you without the spirit, like the seed can't reach the living water without the root, but if the seed refused to be buried, it will stay alone and dead. But if it accepted burying, meaning that it refuses the world,

that you refuse anything from the world, and deny yourself having no other will, only the truth which is the purpose I have created you for, then you can have such communication, and by this, life starts in you.

If you still desire anything of this world and seek to have it, you will be like the seed which refuse to bury and die, so it can't reach the living water, has no root. So many refused Me to be the king, the God and the head of their lives, as was happened during the time of Samuel, when they asked for a king to reign on them, so they refused Me, "They have forsaken Me, the fountain of the living waters, and hewn themselves cistern, broken cistern." (Jeremiah 2:13 NKJV) In the same way, the people cried at the time of My crucifixion saying, "We have only one king, Cesar." It is written, "Don't love the world or the things of the world." (1 John 2:15 NKJV) Also I said, "Whoever of you does not forsake all that he can't be my disciple." (Luke 14:33 NKJV) Even the young man who wanted to follow Me but he asked only to say goodbye to his house members, I said to him, "No one put his hand to the plow and looking back, is fit for the kingdom of God." (Luke 9:62 NKJV) I have commanded you, "If anyone comes to Me and does not hate his father and mother, wife and children, brothers and sisters, yes, and his own wife also, he cannot be My disciple." (Luke 14:26 NKJV) "There is no one who has left house or parents or brothers or wife or children, for the sake of the kingdom of God, who shall not receive many times more in this present time, and in the age to come eternal life." (Luke 18:29, 30 NKJV) I have drawn for you the map for the kingdom, I also put the condition for the way. Those who don't follow it can't reach the purpose; this is the difficult way. It is the only way that leads to me, by this way only you stop worshipping your will, yourself and your flesh, and this is the only way by which you can worship me to be born again by water, to be restored to the image of Adam after you have been **freed**. Then you will be born of the spirit, and become member of Me; exactly having the same nature of My body, then you become after My image and example.

For no one can serve two masters, didn't you hear these words before? It is written, "But even if our gospel in veiled, it is veiled to those who are perishing, whose minds the god of this age has blind, who do not believe, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them," (2 Corinthians 4:3,4 NKJV) "Cursed is everyone who does not continue in all things which are written in the book of the law, to do them." (Galatians 3:10 NKJV)

Who isn't living the Bible is not worshipping Me, and who wants to worship Me and lives the Bible must know the Bible and understand every word, because every word comes out of My mouth gives life to man. I with if you understand the

truth and the light which is My will, and I wish also if you could open the bible and ask Me for the meaning of every word. So many until now didn't understand what sin is, in fact, disobedience in minor things is sin, therefore many commit sins without being aware, I kicked Adam out of the garden, because he didn't obey Me and I told him not to eat the fruit, but he did. Look, how many commandments, you don't live by them? I have said, "Pray always, 'Let your light so shine before men.'" (Mathew 5:16 NKJV)

When you are not praying, you disobey Me, so you commit sin, also not seeking to come near me by fighting in the difficult road is sin, as you are not growing in the spirit is also sin, as I said every tree doesn't bring fruit shall be cut though the tree is alive but is not bringing fruits, that is an evidence that it was not growing in Me all that time. In that time it was not in obedience to me, so I cursed it. I did so that you may understand what I mean. Look at yourself, how many commandments you break? As you are not bringing fruits, you are disobedient, you are a rebel.

Whoever not doing good, positive and constructive deeds, the judgment of justice for this man is death, that is why I said, "Therefore, to him, whom to do well and does not do it to him, it is sin." (James 4:17 NKJV) I meant by good deeds to obey every edifying commandment. For example, "**Whoever hates his brother is a murderer**" (1 John 3:15 NKJV) as written, and he will stay in darkness and death, as you don't love your brother, you must die as justice require, you become a murderer, and every murderer of soul cannot inherit kingdom of heaven.

Did you read this before? There is no excuse for anyone, who didn't read the Bible or didn't understand or didn't live the Bible and didn't reach holiness, you are in disobedience to Me, you are not worshipping Me **if you are not praying always**, you are not obeying My commandment, if you are not always fighting till blood to be free from bondage, you are not worshipping Me. Then, what do you think about Adam? And what he did? He just didn't obey Me, in that moment his nature changed completely, because he refused Me to be his head. He didn't become a part of Me, I Am the only source of the true life, so he didn't receive life, and became like the dead seed, consequently he lost pureness and light and the eyes of his flesh were opened as it is written. Because he became in a complete hunger, he started by his eyes to seek satisfaction to fill this endless gap, so he looked for another body to satisfy his hunger, that is how evil entered the world because of his disobedience, he wasn't satisfied by Me, so man lost life, light, strength, true satisfaction, joy, and peace. Adam was like a child who can't understand the things of the flesh, or evil. His eyes

were immediately opened because he abode in the flesh and as he obeyed his flesh, he suffered a complete hunger.

As the lost son said, "I'm starving to death," and became like a part of another body, other than me, and his own will became the head that drives him. So all his deeds came out of his own will, he became a law unto himself, which control him, all his deeds became sin because he worship another god, all his works act against My will. Sin entered the world by one man's mistake, when he disobeyed me, and became a slave to many other gods, as written, "But then ,indeed, when you didn't know God you served those which by nature are not gods," (Galatians 4:8 NKJV) "therefore, just as through one man sin entered the world and death through sin, and thus sin spread to all men," (Roman 5:12 NKJV) **"You are one's slaves to whom you obey."** (Romans 6:16 NKJV) If you are not crucified with Me as I said through Saint Paul, "I have been crucified with the Christ, it is no longer I who live," (Galatians 2:20 NKJV) that way you are not living with Me, the more important you are not obeying My word, and this is the sin, and as you are not dying with Me every day in the likeness of My death and as you are not walking like I was walking on earth, you shall not rise with Me. You are not living in obedience to Me and not worshipping Me but yourself, and this is the sin.

Anytime you do not obey the commandments and you are not struggling to apply the commandments, it is a sin. For when you are not seeking to fight in the hard road, you are not fighting to worship Me, so you are surrendered to the god under which you born and controlled, even if you want to fulfill My words and be pleased with, you will find another law in your body: war against the law of mind. You will find yourself doing the evil that you hate, as saint Paul sensed that, and was crying because of the sin. "Oh wretched man that I'm, who will deliver me from this body of sin." (Romans 7:24 NKJV) "For we know that the law is spiritual, but I'm carnal," (Romans 7:14 NKJV) you see it need a continuous struggle to prove that you want to worship Me, and refuse to worship the other god that you born under his context, which is the flesh from which you live, this is what the saints did, and made it their concern all their lives, because they soaked the light through which they recognized the sickness clearly, so realized their continuous need for therapy which is the continuous death, but being not living for the Bible, as the saints fought, this is the big evidence that you are not living in the light. Now look: how many person transformed like Moussa the black, an African monk lived in monastery in Egypt, especially those who always attend churches, why they didn't became saints, perfect and after My image like Moussa the Black became, who was the most evil person in

the world, and why now there are not many whom sold their possessions like the kings who had left their palaces, even their relatives? This is the most apparent evidence that you didn't see the truth, the truth is, and the bondage is very strong and needs a big fight. Also the truth is that the world is like a dream or shadow that will pass away in a while, and will leave everything.

The truth is that you will not find satisfaction in anything because I designed man to be satisfied only by My presence in you. If a man tries to satisfy his hunger, even if he owns the whole world, will not be satisfied, as Solomon tried and finally discovered that everything is vanity, and as a man, he was trying to grasp the wind.

Paul the saint after he baptized, and his life changed, and I born in him, started to do miracles by My Spirit, in My name he said all these words, because man cannot be free suddenly, that is why all saints fought for decades, haven't you hear this? Didn't you ask yourself why this entire struggle exists? They are not from other world, after all these years, they said, "we didn't reach yet, we are sinners." Because they were comparing themselves to my example and image, which the purpose to which I invited you, they were always felt delinquent, when they are not growing at any point of their life they feel something wrong and when they are not praying to me, they felt disobedient or sinners, all this happened because they were living in the light, looking continuously to the mirror and seeing themselves, the apostle Paul said, "But I discipline my body and bring it into subjection, least, I have preached to others, I myself should become disqualified," (1 Corinthians 9:27 NKJV) also "For Your sake we are killed all day long," (Romans 8:36 NKJV) he was trusting God, but not himself.

Then I said to the Lord: I didn't know the difficulty of the way, I thought trusting You, attending sermon, and eating from the bread (Your body) is the way to salvation, then the Lord said to me: I've told you how narrow is the gate, and how hard is the road leading to the life, it is not only narrow but how narrow it is?! Therefore I committed you to walk through the narrow gate. Of course going through the baptism rite or practicing the communion or attending the sermons are not the narrow gate and not the difficult way. Not even a few found it. Everyone comes to the church finds its gate always open and it is so easy to attend the sermon, also going through the rites is so easy, the most important about the difficult road is that it can be seen by all, remember what I told you, the door is before everybody, but a few who find it, and this is a big evidence that the way is hard [the only condition to reach Me], and is very different than exercising the rites, but it is the personal struggle through fasting and praying. It is like the dead buried seed underground, it is the

principle thing to the growth of the seed without which water, or fertilizer, or the nature of the ground, or heat, or light, can do nothing, I Am the living water, rites are the fertilizer that strengthen the seed, the church and monasteries like the weather providing heat and light. With all; My power as the living water, I can't save a man who didn't fight, as water cannot benefit the seed unless it is buried. If I Am the source of life and the giver of life like water, the seed will not benefit any. Man who was not crucified, buried and died with Me, and refused to obey and worship Me because he still worships his flesh and the world, and refused to submit himself and fight in order not to obey any other god. Do you think liturgies, which act like the fertilizer, will benefit him? And you see the congregation practicing different liturgies and attending churches but try to find which of them become worthy, perfect and after My image and example. Of course there are sheep and saints that belong to Me everywhere, but why don't all the people become the same? Because few who accept to enter the narrow gate.

You have eyes, but you don't see, so a few who found the door. Someone asked me, after I have said that, "Lord are they few who are saved?" (Luke 13:23 NKJV) I didn't say to him My cross will save you, My redemption will purify you and wait for My death and trust Me, that you shall be saved, or practice all the rites and you shall be saved, but I told him, "**Strive to enter the narrow gate.**" (Luke 13:24 NKJV) Truly, truly I say unto you many wanted to walk with Me, and asked for, but they could not. I didn't mean by that to make it hard for him, but I intended to explain to him the truth clearly and perfectly, stimulate him and make him aware that the way is difficult.

Indeed I have said who believed and baptized shall be saved, but this only the beginning of the way leading to salvation at the end, and not the end of the way. So who practices the rite of baptism should not think that he becomes holy and perfect, but it is the beginning of his obedience to me and receiving the earnest, as written that you will receive the spiritual credit, which enables you to walk the way: the spirit of help and not the spirit of richness or satisfaction. Because the bondage in which you were born is very strong, for the destruction was enormous, for you are originally part of Me, I Am the unlimited. When the first man became a slave and destroyed his temple, he destroyed part of Me, I Am eternal and unlimited. That is why the destruction was so big, so it needs a big fight, in spite you will be saved by My grace, and gives everything else. But fighting until blood is the turning point of your salvation.

It is the condition for my spirit to work in you for I move on the face of the water and knock the door of the heart of each person which is my home and say let be light, who open the door for me, the light will enter, and I have told you in Genesis that the earth was without form and void and darkness was upon the face of the deep, this is the case of everybody and this what prophet Jeremiah have seen and wrote in chapter four, but as I say let it be light, I want every man to see the way he became. This is the secret of the fight of the saints for decades, they are in purity and discipline also by the new nature like "Maximos, Domadios, Ibria and Ana Simon", and as they born again with the new nature, they realized under My light that they are nothing and far away from My image and example, this moved them to escape even from their relatives without counseling them as saint Paul said, "I did not immediately confer with flesh and blood," (Galatians 1:16) because My Spirit was leading them powerfully because they called upon me and found the purpose and realized that the way that lead to that purpose requires to strive till blood, not because they were sinners and need a powerful repentance to be born of water, but to be born of the spirit and this also needs a great fight. The greatest evidence for this is what I mentioned in the Bible about saint John the Baptist, who started to worship Me even before he was born, not to be free from a bondage of something committed or to repent of an evil he did, but he fought for thirty years as he was in another world while he was a very pure vessel. His fight was not to be free from any bondage, but to completely reach to My image and example, and he didn't relent for a day or an hour to run the race.

What do you think about that? If the greatest man in history and the greatest among whom born of women needed to fight for thirty years while he didn't commit evil, how much more you or anybody else need in your opinion?

While I was listening to the Lord, I didn't know what to say, I felt how great was the darkness, ignorance and madness in me, I felt lower than animals which didn't mistake and sadden the heart of their God, and I felt that any animal is better than me. Silence was over whelming for a period of time. The Lord was waiting till his words work in me, and in the midst of this silence, I raised up my heart and the Lord continued His speech, I don't know for how long this speech lasted.

The fight of anybody is a proof of your desire to return to your place in Me for whom is able to appreciate my value. When Paul realized what have been realized by all saints, he said, "For I know that in me, (that is in my flesh) nothing good dwells, Evil is present with me." (Romans 7:18, 21) I have said to you, "So likewise you, when you have done all those things which you are commanded say, we are

unprofitable servants.” (Luke 17:10 NKJV) Not doing evil, as assumption, does not mean you worship Me. Also as you are not always fighting to fulfill the commandments and to reach the purpose for which you have been created, you are not living for Me.

This is like a king, who found a naked and sick man, in the way, between life and death, and brought him to his palace, saying to him: I want to rescue you, and give you life to be My servant, and I'll make you heir of me but you have to apply my instructions and commandments, and after he healed him, and fed him, he gave him the freedom to choose if this man stayed in the palace watching the beauty of the palace, and didn't move from his palace, and didn't go to the king. What do you think? If he didn't commit evil or even didn't do anything, the king had to fire him, here he didn't commit sin, that require to fire him, but there is a purpose the king brought him for, if he didn't achieve that purpose, wisdom and justice say he have to be fired, the same way I brought you from the pit, to fulfill one purpose that you should be for Me, and be filled totally of Me, to fill all the space in your heart and mind, to love Me from all your heart, all your mind and all your soul, until you become after My image and example, and to be a light for the world, so everybody see Me in you. I created you to be after My image as if I still on earth or appeared another time. This is achieved by being committed to Me continually. If you are seeking the purpose, even if you didn't commit any apparent sin, even if you don't do anything, you are committing sin as you are not fighting for that purpose.

When I realized that this king is the Lord, I said to him : Lord, I was always praying to You in the church since I was young, I was a deacon since I was young, I was fasting every time, all my life, even during my sickness with heart problem. In the midst of the winter, I used to go early in the morning to the church, Isn't this considered a prayer to you? And be filling of you? And fulfilling Your commandment through worshipping You?! The Lord said to me: ask yourself, did you feel My presence before? As a real person you know him? Did you feel my fatherhood? Did you taste My compassion before? Or have you felt My sufferings before? As you feel and see now? Did you notice any change or transformation in your life? Did you feel your spirit is growing as your body growing? Did you feel how narrow is the gate and how hard is the road? Are you crucified and died with me? Did you feel the struggle inside you and with the evil spirits as Paul the apostle when he said, "For the good that I'll to do, I do not do, but the evil I'll not to do that I practice." (Romans 7:19 NKJV) You had to stand before the mirror which is the Bible to see yourself. Can you pray always and not faint? Can you sell all your

possessions? Can you love your enemy? If someone slap you on your check, can you turn the other to him and bless him while he is cursing you, and continue praying for Me?

If your enemy is hungry, do you go for him, feed him and do well for him? Are you living on earth as in heaven? Are you not concerned about what to eat or drink and even what to wear with complete faith that I'll feed you as the birds of the sky believe? **Devils believe and trample, do you even have the faith of the devils?** Or where are you standing from the way and from Me? I could not answer the Lord, I discovered I was blind, as if I didn't read the Bible before, I thought I was Christian, though I didn't live any of the words of the Lord.

The Lord proceeded and said: you only heard about Me as Job when he said, "I have heard of you by the hearing of the ear." (Job 42:5 NKJV) Because Job didn't lay the foundation, he didn't die as the buried seed, so he didn't know Me personally, the root was not formed in his life, there was no a strong personal relationship which is the rock, and the foundation on which his house should be founded, that was, impossible to be affected by wind or storms or rivers, as I told you, "Therefore whoever hears this sayings of mine, and does them, I'll liken him to a wise man who build his house on the rock; and the rain descended, the floods came, and the wind blow and beat on the house; and it didn't fall, for it was founded on the rock." (Mathew 7:24, 25)

Aaron the high priest, I did a lot of miracles by his hands, never happened before in history, he also didn't know me, so he give up on Me and worshipped an idol to satisfy the congregation, just because people asked him so, and he fashioned it by his own hands for them, and bowed before it saying "this is your god O' Israel," not only that but he said, "tomorrow is a feast to the lord", I have no place in his life, he was not a deacon like you, but more he was the shepherd of the shepherds but he didn't build his house on the rock, There was no foundation in his life which is the personal relation with Me which can't be established except through the root which springs out after he buries himself and die, it means to stop worshipping any other God, in order to start worshipping Me, and remain long time in communication with Me while he is crucified and dead, when all conditions, which are needed to spring out, became available in his life, that is why I told you, "Consider the lilies of the field, how they grow." (Mathew 6:28 NKJV) "Most assuredly, I say to you, unless a grain of wheat falls into the ground and dies, it remains alone; but if it dies, it produces much grains" (John 12:24 NKJV)

The buried seed indicate to the breaking of the human self and will, and it also means he stopped obeying his flesh, as all the saints who followed Me did. Because I am the only way and door for salvation, no man can lay other foundation than that was laid.

There is no other way for salvation except fighting as I came and showed you. Therefore all saints escaped from the world when they understood this matter and discovered that the only way to reach God is permanent death, crucifixion, burning with Me, they became as a sacrifice placed on the alter to be completely burnt by fire till it turns into dust. So the old man died and they became My dwelling place, that is what I taught you in the old testament, even Peter and Juda sold Me because they didn't know Me, it is not only they saw miracles like Aaron, but also, they saw Me and they were living and sleeping with Me, but because there was no foundation in their lives when the rain falls and as a weak wind blew immediately their sandy houses collapsed.

Mary the Magdalene who was very sinful, she knew Me personally in a real strong way, because she laid down the foundation, nothing could stands in her way to reach Me. She is the one who went to preach My disciples, when they were scared and were under bondage subjected to fear and loving themselves more than Me.

I wish if you are awake to know the truth and catch the light and the truth of the gospel, knowing that the only way to reach me is through the difficult way. This is what the saints realized, the kings, the young men whom left their thrones, their parents and also their countries, becoming aliens to the world, because they have found the truth that this life is like a steam that will pass away and whoever strives in this life for Me will gain satisfaction and permanent joy forever. **How come, you do not strive for a while to gain the eternal life?** What is the use of the mind, if you don't strive in this life? All saints are not from other world or another nature, they are normal people like you. I committed you to be holy, whoever seek not to be holy cannot see the kingdom and cannot worship Me. I Am your true father who created you, your carnal father, didn't create you, but he married, because he could not control his body, because he is a slave to his body, in his weakness brought the fruit of the flesh, which is another flesh, that is you, birth by flesh. All this came as a result of weakness, hunger and seeking to take rather than giving, so the natural father cannot give life to another man, because he is dead that is why I told Nicodemus, "Except a man to born again, he cannot be My son." (John 3:3 NKJV) My sons whom were born, not of the will of the flesh, nor of the will of man, but of Me, I Am the true Father, who gives life, I Am who brought you into existence and gave you this

life, being born of Me is the fruit of love and the purpose is to give life, joy and permanent satisfaction. The purpose is to live by Me, and this will be accomplished if you lived for Me, to fight until you become a part of Me, and I will be the source of your life. Nobody can lay another foundation except what was laid, which is My life, who did not understand or did not reach holiness, has no excuse. The whole thing depends on the will of man, not the circumstances or time. While I was on Earth, I was doing miracles, raising the dead, though the Jews wanted to stone Me. In the Old Testament, there are Elijah, Daniel and Enoch, they didn't see any of My works, but they had known Me and were filled of Me to the fullness because they asked.

I can show Myself to the whole world now to blame and frighten it, but it will have no effect, as the whole matter depend on the will of man.

When you accept the cross and have faith in Me; this is not salvation, but the first step to salvation and that for whom did not born again, because for whom has been born a Christian, there is no advantage in that faith. I have committed you to walk through the narrow gate, which is like the hole eye of the needle, and that is the beginning of the difficult road. I have healed every sick person came to me, this means they were aware of their illness. So whoever do not realize that he is sick, will not come to me to heal him, consequently he will remain sick. So at first you need light and discernment to realize your real sickness, then you will know, that you need Me. And do not forget that many wanted and asked, but they could not. Do not forget that, I have told you, you are not from this world, because I wanted you to start to live from here on earth, as they live in heaven, to start training your selves from here, that I am the life for you, for that reason I have created you, in such away to have satisfaction from Me, for all your being: mind, heart and body.

In heaven, there is only me forever, so whoever refused this life in heaven to love me from all their heart, their mind and their soul, to be for Me as whole he cannot be with Me there.

For your soul, and everybody else is a temple for Me, part of Me, I gave you a stewardship for it.

You should have allow only Me to enter to fill the gap of your heart and your mind, to be a member in My body, to receive satisfaction for all your being. This happens when you die for the world and refuse to satisfy your mind and your heart by anything of this world, as it is written, "**Therefore, if you died with Christ from the basic principles of the world, why, as though living in the world.**" (Colossians 2:20) "If then you were raised with Christ, seek those things which are above, where

Christ is, sitting at the right hand of God.” (Colossians 3:1) It is also written, “Even though our outward man is perishing, yet the inward man is being renewed day by day.” (2 Corinthians 4:16) Unless your outward man is perished, there is no way, I cannot dwell in you. Every man was given a free will. After all that speech, the lord closed His eyes and started to meditate, He seemed sad once more.

Suddenly, I found a young man beside me, about 14 years old, he was very beautiful, lights were radiating out of his face and his hand, and as a shooting star coming out of his hand, he was looking at me firmly. He came close to me and said to me: "I am Mesaeel from Al – Qalamoun", are you not happy because of the cross and the disease, God want to heal your spirit!! God want to heal your spirit and purify you, He wants you to suffer with Him that you also may be glorified with him (Romans 3:17). HE wants your old man to be crucified for God Himself, be suffered and afflicted in the flesh, yet He opened not his mouth and He lived being put to death in the flesh to show us the way to life in revival of the spirit, the true miracle is the recovery of our soul and being changed. Raising Lazarus from death is not the biggest miracle, but changing the Egyptian Mary's heart to be a member of Christ, and this is the miracle you should ask for. Until now, you are not living according to the gospel, so you are not Christian, you are not worshiping God. It is written, “You are that one's slaves whom you obey.” (Romans 6:16) Until now you are not obeying God because you are not also walking, just as He walked (1 John 2:6). Since Christ was 12 years old, he started to teach us, how to walk in the difficult road, He was growing and empowering by the spirit and He left His mother to teach us that we must be about Our father's business, why didn't you do like that, with all whom called by His name?! As for me I started to walk behind the shepherd and to walk, just as He walked, as it is written, “HE lived being put to death in the flesh.” (1 Peter 3:18, 21) [giving us **an example** to follow His steps] You did not follow God, you did not walk as the He walked, you did not follow His steps, you and also many others and this is not the grieving thing, but the grieving thing is that you think you are Christian, in Christ's image (though you are not walking as he walked, even He started to teach us the way when you was 12 years old, not many walked as He walked) and you think you are his servants, even you do not obey his commandments. As you are not praying always, and you cannot sell all you possessions, you do not love your enemies, you do not live as they live in heaven, even you are not trying to exercise the heavenly life from here on earth, as He taught you in the Lord's prayer, this is His will to begin to live here as in heaven, what do you think? What will be in heaven forever? There is no any manual or intellectual

work there forever, only praise and prayer as it is written, "They shall see His face." (Revelations 22:4)

Who is not practicing this true life, how can he think and imagine that he will be able to be with those whom going to see His face. You should have known that our life on earth is only a period to choose, to show your will if you want to live that purpose; to live only for Christ as written, "For to me, to live is Christ." (Philippians 1:21) Therefore, up till now, you have not yet become in His image and likeness, and you do not even realize that you are His enemies..!!! This is the greatest proof that you do not you walk in the right way.

Because friendship with the world is enmity with God, and the carnal mind is enmity with God and you love the world and care about the flesh so you became enemies with God, and you do not realize this, though the first commandment the Lord has given us in His first book "Do not worry about your life, what you will eat or drink, for the pagans run after all these things .. But seek first His kingdom and His Righteousness, and all these things will be given to you as well". Because you do not obey God and His commandments you are not worshipping Him, and moreover, it is very sad that you do not realize that you do not worship Him, that you are not His servants but you are still living the illusion that you are worshipping Him, and many of you deceit yourselves thinking that you are also God's sons, you are slaves to the one you obey..

We should have known that every man born in the flesh was born in the bondage of the flesh and the self as long as he sins, as the Lord said "everyone who sins is a slave to sin," (John 8:34) and there is a difficult way, he who fights through it will be free from his slavery. This is the fight that God Himself came for, showed it to us and He himself had struggled through it as a human, as if he sought His deliverance. In this way, man crucifies his flesh with its passions and desires. You must also be wasted outwardly if you want God's spirit to be free in you, and you have to know that he who will chose this way and walk in it, will surely grow day after day. So, ask yourself are you growing today more than you did in the previous years?! If you are not growing every day then you are dead, and if you are not bearing good fruit, as John the Baptist said, you will be burnt, for every tree that does not bear fruit is cut down and thrown into the fire" .. Didn't you read these words in the Bible? Or you have eyes that do not see and minds that do not understand?! Till when you will be blind?! Because the tree that does not grow is dead. Every man must know how many steps did he take in the difficult way, and how many steps there remain until he reaches God and reaches His image and be like Him, to be

wholly filled with Him, to reach the measure of the gift of Christ. And this is the value of the cost without which no spiritual work will be completed.

So wake up to the goal for which God created you, and the way that makes you reach your goal; fighting in the difficult way, just like the Lord fought, as it is written "in a death like this" (Romans 6: 5) and this is the legal fight, there is no excuse for not understanding the Bible, as it is written: "But if our gospel is hid, it is hid to them that are lost," (2 Cor. 4: 3) I have been following the shepherd since I was twelve, for I wanted to be after His likeness and wanted to worship him truly in order not to regret the gift God has given me. You should know that every man is given the grace and the luxury to be in God's image, which is quite clear in the two Dinars given by the Samaritan to the man who was cast on the ground half dead, like every man born enslaved, he was not alive, but there was hope for him to rise from the dead, therefore he was not actually dead, and any man who do not walk in the richness of God will regret very much that he sacrificed God's presence for a mirage, and instead of asking the Lord to heal your body you should have asked to save yourself. I have left the world since my childhood, that's why I won, and by then I was twelve years old... So you have to consider your age!!! And how many years you lived for God?! And what good fruits did you bear for the Lord... What's the worth of the Bible and the Gospel if you don't live them?! You will be judged by every word written in the Bible, "for it is written, cursed is everyone that continues not in all things which are written in the book of the law to do them," (Gal. 3: 10) and you will also be lost as long as the Gospel is hid to you. (2 Cor. 4: 3)

I also want you to behave like Christ did, otherwise you would not benefit from His incarnation, so do not waste time because time is short. Ask for the kingdom of God and his righteousness and trust that He will give you what you need and will also give you more. That's why I did not care about anything but the kingdom of heaven. I trusted the Lord and believed that he will provide everything for me, for if He promised to take care of birds, how come He won't care for us?! So why don't you trust the Lord of glory, the real source of life, who created you for Himself in order to live for Him and to trust that the plants and creatures that God has created will give you life. I wish you remember the words of the Lord: "How long do you refuse to keep my commandments and my laws?" Ex 16: 28. The Lord is sad for your lack of faith in Him, and this is what the Lord does not bear, as Christ said to His disciples "O faithless and perverse generation, how long shall I be with you? How long shall I bear with you?" (Mathew 17: 17) The lack of faith in God and the lack of trust in Him means denying the divinity of God, as Martha said to the Lord 'If

you had been here, my brother would not have died", as if she was saying to the Lord, "You were not present yesterday"!!! And so she denied the divinity of God, which made Jesus sad and cried. I wish that you believe in the Lord, to live for Him only, to ask for the Kingdom of God and not to worry about the other things of this vain world, and trust that God will give you more than what you need, without asking Him. If he cares about the number of hair on your head how much more he will care for your life?!!!

After all this rebuke, as if I was blind and now I can see, I felt I did not need anything but my salvation and forgot even my illness, I felt it is not my right to ask for healing, and that this is not even according to truth and the commandment because I did not ask and cared for the kingdom of God, so I lifted my eyes and looked at the Lord once more, he was still standing and I intended to tell him "I want nothing but You."

Then suddenly the Lord lifted his right hand and a giant man appeared at once, he was at His disposal. He had a long book and gave it to the "man who was the King of that place" whom I felt was a King. He opened the book that, as I guessed, was the book which contained the names of all the humanity. Suddenly, he lifted his head, opened his eyes and looked at me. I stood still. At the beginning His eyes were closed as if he was contemplating and thinking about things that made him depressed, but now His eyes are half open. He looked at me and said: "It's Ok (my name), we have changed your filiation's papers".

I wondered how this King knew my name?! I was so happy to know that this great king knows me and calls me by my name, but I did not understand the meaning of his words: What are the filiation's papers he was talking about?! He knew immediately what was on my mind and answered me saying: What was your name?! I told him: My name is "so and so", He said to me: This was before. I asked Him, so what is my name now? He answered: now your name is "..... the son of God". Then a great queen came at that moment and she was carrying a baby whose beauty was indescribable; his eyes were of bright Turquoise. She did not go up the stairs but remained on the same ground level. He said to me: Do you see this woman?! I answered: Yes. I was looking at the baby who caught me with his beauty and I became distracted and did not know where to look: was it to the King or to that baby whom I believed was not a human baby? I became captivated by the baby as much as by the King. Then the King said: this woman is your mother. I asked him: Who is this beautiful baby?! He said: it's her son. I told him: So, is he my brother?! He said: No, it's her son... But she's your mother too. I said to myself: so my filiation to this

woman differs from the baby's filiation to her. Then the Lord pointed his hand to St. Messaeel the Pilgrim and said I want you to look at this saint, he is the one who will help you to reach me, as he walked the whole way, so put your hand in his hand walk with him through the difficult way. I told him: Lord, there are many saints especially that I saw a group of Pilgrims who reached the highest degree of holiness, such as Saint Takla Hemanot, whom I used to see as a burning fire with six wings out it. Also Pope Shenouda the Archimandrite and President of the Salt of the Earth, also Saint Karas, about whom the Lord said that he is honored and blessed by all the people, and St. Ana Simon who became the leader of the pilgrims and who was served by giant angels. However the Lord told me: I don't want you to look at this saint. I was very much surprised and I realized that he was fully filled, faster than all the others, he is the best saint that God can use to rebuke any man. The Lord also told me: your true illness is slavery and the sin you were born with, and this saint will help you to be truly healed. Then the Lord said to me: Put your hand in his hand. I was terrified because a fiery meteor was coming out of his hand and he was not standing on the ground but was carried on the clouds and his appearance was solemn. I did not know what to do, but I realized that the Lord wants me to learn from him and this is how I will be healed from my real illness.

I looked to the Lord the King once again and saw him crying, I wondered saying: why are you crying?! Did I make you cry? I knew that I was the reason that made the great king cry and his tears were of a blue cyan color. I told him: Please forgive me and I will never make you sad again. I promised you and I will do my best to keep this promise. I asked him to let me get closer to him because I found myself very much attracted to him in a way that I could not resist it... He then shook his head slowly and sadly. Immediately I started to go up the stairs because I felt that I wanted to relieve his grief that was because of me and I saw his abundant tears in a very surprising way, I found myself attracted to him in an indescribable way like a magnet, I could not resist it so I went near him and I was shivering out of fear, but his attraction force was stronger than my fear. I said to him: Forgive me. Please forgive me and allow me to hug you. He shook his head again lightly without opening his eyes. So I hugged Him and kissed Him on the cheek; his chin hair was golden and very light and his skin was delicate as the skin of a newborn child, I was afraid to have scratched his skin and I felt unworthy, so I moved away from Him a little but he put His hand on my head, and I didn't understand why!! And immediately He was turned into a spectrum and disappeared. I fell down on the ground as I was very sad and was shocked for his disappearance. Then a giant man appeared before me, I realized that it was Archangel Michael, he helped me to stand up and told me how I

can be with the king. He also gave me a silver plate with three apples in it that I have never seen before, and a bunch of grapes, and said to me: The King left this plate for you. I tasted an apple and was surprised as it tasted like honey, and I said to myself: I will leave it to my sister [because it was my habit, whenever I find something nice I do not keep it for myself] .. After tasting the apple I felt very strong. Then Virgin Mary came to me and started to explain how can I ensure being in the presence of the king all the time and feel His presence. She told me I had to accept any Cross and made me see the shepherd's picture in her hand, and she said to me: You are a sheep, if you follow him without any debate, you will ensure access to the pasture. I accepted everything from him, followed him and denied myself till the end and did not open my mouth, therefore I'm here now in His real house and beside him and forever I will be as I became a member and even a part of him. You too, he created you not to become an image of me but an image of him, to be like him in everything, and this is how it should be; when a man becomes a part of him because any part of the body has the same nature of the whole body, it also lives by this body and does not need anything else from outside, and the body is controlled by the head. And thus we will be a branch of the vineyard, and the branch does not need anything outside the vineyard.

The whole world will be shocked when he comes here and will discover that they were given the same grace that was given to the saints but they did not benefit from it. God is not unjust to care about one member more than another, and it is not natural for a man to care for a member and neglect another; for God came to the earth and lived the way he wanted us to live, so it will be a great loss for those who lost this chance for nothing but moments, as your life on earth is nothing but a blow, and this will determine your eternal fate.

The whole world bargain the existence with God and in God for nothing but delusions, that's why, my son, I hope you don't imitate the people of the world, look at Black Moses who was very far from God, but once he really wanted to follow God, he lifted his eyes to heaven and sought the true God, and the word of God, he was shown the way, and his eyes were opened, for God said, "let it be light" (Genesis 1). God knocks on every door, whoever wanted to open the door for the Lord, there will be light in his house, and these are the first words of God in the Bible; every man born in sin is like the earth that had no form and void, with darkness on the face of the deep, but the spirit of God was hovering over the face of the waters saying "let it be light". So, whoever wants to open the door for Him, his insight will be opened as it happened with Moussa al Aswad and Saul, for it is written that all people will be

taught from God and the anointing will teach you everything you need. Look at Mary of Egypt at the end of her life, you and many others in the churches were not transformed like them, and you are born in grace and in the light and you have everything you need, so you had to ask yourselves: Why didn't you reach their level of holiness and perfection?! That's because you did not put the ax to the root of the tree, the ax is the power of God's work in the soul to take the old man off, and the tree is the tree of the knowledge of evil that has taken root in you, so whoever will ask, the Lord will start working in him as it is written "My people are destroyed for lack of knowledge". I saw the place where Virgin Mary was, it was hard to describe the beauty of the greenery or the river, which was already in front of us, it was like Crystal as it is written in the Bible, and even the mountains from afar, I do not know what is that exactly, but it seemed there were unparalleled mountains and colors, such as scarlet and golden degrees. Those mountains seemed to be filled with jasper, diamonds and agate. However, to tell the truth, I was not dazzled by the beauty of nature although I was surprised by the beauty of the Virgin Mary and the light emerging from her, but all this did not worth anything compared to the feelings and emotion I felt when I was looking at the face of the Lord, it was captivating to the mind that one cannot think of anything else. Then the angel carried me from the gown I was wearing and got me out of this palace that seemed to have no end as it was too long and this is what the angel told me, therefore I couldn't walk on foot. Then he carried me away to somewhere in the world where there are poor people and said to me: if you want to stay with the King, go inside the poor houses, take care of them as a start to serve the Lord. Train yourself on compassion, which is the first characteristic of God. In order not to elaborate much, because the revelation is too long as I saw heavenly Jerusalem from afar and saw the place where the Virgin lived, and saw John the Baptist and realized that he and the Virgin reached the top of all human degrees. So I will summarize and explain what happened when I woke up.

When I woke up I started to open my eyes and started to realize what I was seeing, because what I really saw was not a dream, especially when I hugged the Lord and the sense of touch was so strong. While I was thinking about these things I found a pillar of light in my room (this was real and I was awake not in the revelation). Then a human hand was out of the light pillar to stay on my head and I really felt its touch, and I heard a voice saying to me: enough..... (my name) , you will not feel any pain from now on, and I like to tell you that you were really dead according to the humans' measures and concepts, as your spirit was not in your body all that time, you were not sleeping, therefore you felt everything in a natural way and your senses of touch, smell and taste were the same, and the land you touched with

your feet, and the fruit you tasted were true, as the soul feels everything; I put the soul in a body and this body after Adam's fall asks and craves for the world and is attracted to it. Because Adam refused to settle in Me like a branch in the vineyard, he was infinitely hungry. So if you resist the world, crucify it and disobey it, you won't feel hungry and you will start to calm down. Then the voice and the light disappeared and I was very surprised. I was totally awake and it was the first day in my life to breathe without pain, for since my birth I could not take a strong breath, and of course I could not climb stairs quickly or run or go up a mountain, and even every pain and every joy I had was slaughtering my heart, and perhaps every heart patient can realize the amount of suffering I had. However, when I heard the voice of the Lord which was the voice who talked to me before, I realized the one I hugged was Jesus Christ and the woman I saw was the Virgin, I also realized that the Lord has already healed me. I was in amazement when I woke up that the world had become a very strange world for me, and I remained like that for days as if I am not from this world, I could not see anything in front of me except the face of the Lord, and I could not hear any voice except his voice, and when anyone talked to me I could not concentrate with him, I was in this condition for days and wished to die during those days so I can go up again to be with the Lord who captivated me with his love. I was on kind of a person when I slept, and when I woke up I was a completely a different one, a very strange person, not because my heart had healed, but as it is written, "transformed by the renewing of your mind" (Romans 12: 2) meaning that my mind had completely changed and now I started to realize and know and be mature in the truth, and I woke up to find that what I cared for before was only vanity and grasping for the wind, I understood why the Lord let me suffer from all that pain, because I realized that it was the treatment of all diseases.

After this situation in which I was praying because I wanted to feel the Lord again, I felt like a baby who was deprived of his mother. To make sure of my healing I began running in the streets of this foreign country, especially that the hospital was near a forest as it was at the end of the city. I climbed a mountain that was close to me, and did that very quickly. The surprise and the miracle was that I was really healed. I did not even get tired like any other human who was running, as if I didn't run at all. In order to make sure also of my healing I did not eat any food on that day although heart patients should not fast as they need energy and food. Days had passed and I kept fasting for one week without eating or drinking, because some people made me doubt my healing and even doubt the whole revelation I had, especially my close friends who were making fun of me... Therefore I wanted to make sure that something really happened to me. Though I fasted for a whole week without water, I

felt as if I have just eaten hours ago, and was not hungry at all. I was in tremendous joy, it was hard to describe it, and I still can hardly believe what happened to me, I was crying out of joy, I felt unworthy of what happened with me; whether seeing the Lord, being healed by Him, and given the ability to fast... However, the real surprise was not this miracle, there were **two other wonderful surprises**: the first was that I escaped from the hospital without telling any doctor, I thought no one will believe me when I tell them of what happened. The second surprise is that I went with a very close friend in that foreign country to a specialized cardiologist to examine me. The surprise was that the disease is still there; the heart valves were in the same condition, and the rheumatism was the same; besides my heartbeat was not regular, and because I was fasting for a whole week my blood pressure was 50/60, and this of course was very weak. I was surprised and doubted at first, and the doctor: You are considered dead, how don't you feel any pain or weakness?!! But the surprise for me and for him was that my blood analysis was outstanding, like that of man who was very well nurtured. My hemoglobin was even high; it was 13.8 per cm³, this result was unbelievable for a man who did not eat for a whole week, even the blood analyst said: "As a doctor, I take care of the food I eat, but even though my hemoglobin ratio is just 8.5". I didn't feel any fatigue from the fasting at all, and I remained very confused for days. Then, I saw the Lord once again in a Revelation, and he told me: You are completely healed, do not worry about anything, not the physical things or the worldly things... do not care for your life or your body because it's Me who takes care of you .. I the Lord have spoken... I want to show my wonders with you... but be careful to follow me or your grace will be taken from you, my commandment was: "Be anxious for nothing, but seek first the kingdom of God and His righteousness and all these things shall be added to you", for you have died with Christ, why then live as if you're living in this world?!! If you were raised with Christ, seek those things which are above, where Christ is". Then I woke up and realized that the Lord wanted to show His mighty power, and indeed after 10 years and up till this day I do not feel any pain, and did not take the injection of penicillin and the Aspen tablets I used to take, and even did not care about food.

The other wonder is that when the Lord put His hand on my head he corrected my eyesight which was weak and I was wearing eyeglasses. The first day I woke up, the miracle day, I did not need to wear my eyeglasses, as I noticed the sharpness of my eyesight. My skin which was dark became lighter, even the way I looked has changed that when I got back to Egypt my relatives did not recognize me. I was even detained at Detroit Airport on my way to the US after the miracle because my photo did not look like me, with respect to my skull and my face which was oval and now is

in the triangular shape, and my face features has totally changed. However, thanks to God's wisdom and arrangements, a very close friend of mine abroad bought a video camera few days before the miracle and recorded some videos for me before my form has changed. The Lord permitted this to happen so that everybody can see a live photo of the sinful man before God totally and radically changed his heart and the way he looked. Even the doctors in America did not believe that the person in the video was me, they said that there are heredity genes that cannot be changed whatsoever, such as the eyes' and skin colors. However, the things that are impossible with men are possible with God (Luke 18: 27). The Lord wanted me to grow in faith first, then anyone else who wants to believe in Him, it's up to him, because the purpose of this miracle is to change me.

However, during these years, whenever I did something that made the Lord upset, my hair returned to its old nature, and I started to feel the heart pains once again, and sometimes I had a heart attack for days to remind me of my old nature, of course in such case I keep crying and praying for God to forgive me, especially that I was at first afraid that God would not give me back this grace again, but then in a few days, the pain stopped and my hair returned to its good state, and that's why the Lord left the disease in me so I can always be careful and "keep my heart with all diligence" as He told me in a revelation, and so that everyone today would believe that I was a heart patient, because anyone can say that he was a heart patient and God did a miracle for him and healed him, but the decisive proof for this miracle is that the disease is still present and any doctor can make sure of this .. However, I do not feel any pain at all, and my health is improving and better than any other ordinary man, as I previously said no ordinary man can fast for one whole week and go up a mountain running. What was also surprising is that after the first week, I started to feel some fatigue so I had a cup of water with sugar and continued fasting for another week with no food or water. My appetite was totally satisfied from God, especially after the mass. Then, after the second week of fasting, I repeated the same thing; I drank a cup of water with sugar on Saturday and started fasting again for another third week, and here I was totally sure of God's wonderful work.

I also had a very important revelation, I saw myself once at Eden Paradise, as if the revelation was true, I found myself in front of the tree of the knowledge of evil and wondered how did Adam accepted to put himself to death after the Lord's warning to him "you shall surely die", then suddenly the snake that tempted Adam appeared, it was of 10 meters long approximately, and her head was in the size of man's head, it was terrifying for me, it tried to tempt me first to eat a fruit from the

tree, but when I refused, it tried to scare me by hurting me so I called on the Lord and at once Christ appeared next to me with the cross that I saw before and it was very bright, and said to me: with this you shall be saved, so when the snake came close to attack me I hit it with the cross and it was burnt at once.

I thanked the Lord and started to ask Him why were we born in sin and slavery, what didn't You Lord test every person individually like you did with Adam? How can I be punished and carry another person's guilt while it's not my sin?!!! And I know very well that you are fully just and wise, for it is written " therefore, just as through one man sin entered the world, and death through sin, and thus death spread to all men, because all sinned" (Romans 5: 12), but in fact we are born with this penalty and we did not sin, but Adam did. I know Lord that your redemption casted away the penalty, which means it solved the problem and eliminated the disease. However, why was I born with a disease initially, while I wasn't the one who sinned, and a man like St. John did not fight for years to know you as we do now? and he didn't burry the seed and crucified himself for some time to be able to be in real contact with you, to start feel you with the spirit that is growing within him as a root, but even before his birth he knew you and knelt before you and felt you!!! So how could this be fair and just, though I trust that you're fully just? If this is grace, why didn't you give this grace to another person?!!

The Lord said to me: I knew what would every soul would do if it were in Adam's place, for it is written "according to the foreknowledge of God the father, He predestined us for adoption", which means that I knew what you would do if you were in Adam's place. Therefore, John the Baptist started to worship me while he was still in the womb, and his mind was not yet captivated by the slavery of the flesh and the self. He didn't need to wait until his body matures to be mature in his mind; he knew me while he was just a fetus". I would need a lot of time to explain what the Lord was telling me; as if I had been listening for those truths for days. The Lord explained to me why some babies are born so modest and calm like angels while others are born just the opposite, it is because of God's foreknowledge and according to the divine justice. He said: "I knew every soul before the foundation of the world, I knew who it was going to worship. Moses' mother symbolized my compassion and mercy when she hid Moses for three months, Moses symbolized the beautiful soul that I knew it would be back to me, the river is the world and Pharaoh's daughter is every mother in the flesh I put a soul in her hands. When Moses became of age, he refused his mother in the flesh because he knew who were his real parents, so he refused to be called the son of Pharaoh's daughter. For Moses' birth and beginning of

the story was not when Pharaoh's daughter took him, it was rather before he went into the river, it was there the true beginning of his story, and this is the hidden secret that was discovered by Paul when he said: "You may understand my knowledge in the mystery of Christ (Ephesians 3: 4), for the Spirit searches all things, yes, the deep things of God. (1 Cor. 2: 10), and your continued contact with me will make you grow in my knowledge and in every knowledge... knowledge of the way... knowledge of your disease and every part of your weakness... knowledge of the treatment that makes you return to the first image of Adam."

Then the Lord started to appear to me in many revelations, to show me the way and my weaknesses. I've seen many saints such as Saint Karas, Saint Antonios, Pope Kirolos and Moussa Al Aswad, every one of them explained a topic from the Bible. In one of the revelations, I saw myself standing by the door of a cave in the desert and a very shining awesome person was getting out of it, when I bent down to pay him homage, I knew that it was Saint Karas the pilgrim and the first words he uttered were: "having been born again, not of corruptible seed but incorruptible, through the word of God which lives and abides forever" and he started to explain to me that to build a temple there should be a cornerstone first, and told me "You also, as living stones, are being built up a spiritual house a holy priesthood to offer up spiritual sacrifices acceptable to God through Jesus Christ". He told me that to reach God one should have a true will before seeking God. He also told me about the Hebrews book in the Bible, and what was in it, I felt as if I was with him at his time, and this was very strange, but the Lord sought what really builds, as it is written "given to edification", then how much more God sought our edification.

The Lord then showed me some people whom I did not know but He wanted me to know, they were from Holland and America. He wanted me to get acquainted to them especially that they belong to Him, and the Lord wanted us to comfort each other with what the Lord had done with me, so I went to them and they were wondering how I knew them by face and by name. Whenever I went to meet anyone, something falls over me while sleeping and I become terrified beyond description and know right away that it was the devil, and that something real had fallen over me and not a revelation, and in the revelation, the devil keeps threatening me with many things, only because those people started to know the way, therefore he wanted to tear me into pieces.

My family lived in Michigan and I stayed in the US for two years as commanded by the Lord then I got back to the foreign country where I had my studies before. The Lord started to show me how evil prevailed in the world. I saw

the Lord crying, especially for churches and some monasteries too. I saw some ruined churches and some dark monasteries. The Lord made me acquainted with some people who were seeing the same things I saw. I saw the Virgin once crying and weeping while sitting on the earth; she was crying for the churches. The Lord told me: All this because people did not walk in the difficult way and do not fight or live the cross, they did not walk as I walked, they did not call for preaching or praying or fasting or for crucifying the body. Then the Lord said: what is the use of my incarnation then if you do not walk as I walked, I came to give you an example to follow, for I am the way and whoever does not live the way I lived, and walk as I walked, and die as I did, will not walk in the right way, and hence will never reach the destination, because no other foundation can anyone lay than that which is laid, which is my life, the only way of salvation, I did not need to grow in the Spirit, neither was I compelled to pray and fast, but I showed you an example to follow my steps... so where is that now?!!! When Adam gave his body what it wished for, a very small thing, one bite of fruit, his nature was changed completely and his eyes were opened to the things of the flesh, so what about the people who are living luxuriously in the monasteries; eating the best food and enjoying luxurious facilities such as air conditions, .. etc.!!! Where are my commandments to you?! Is this the difficult way and the narrow gate I commanded you to fight to get through them?! Is this the gospel I lived?!! You are slaves to the one you obey (Romans 6: 16). I commanded you not to worry about your life, what you will eat or drink, for the pagans run after all these things... but seek first His kingdom and His Righteousness, and all these things will be given to you as well, so why didn't you believe what I said and obey me?!! You are not worshipping me then, as it is written "you are slaves to the one you obey, and "He who has my commandments and keeps them, it is he who loves me. (John 14: 21). So, as long as you do not obey me you are not even my slaves.

Therefore, while I was in a retreat in one of the monasteries, the Lord said to me: "the owners of this place are not all Christians, because the Christian walks as I walked and lives as I lived, and obey my commandments, for you are slaves to the one you obey only, those who do not obey me do not worship me, especially now, no one loves his neighbor as he loves himself". I've seen many revelations, and the Lord said to me: "In this monastery there are many people who are not Christians because they do not follow me, do not obey me do not live the gospel and do not follow the difficult way that I showed you. The lord was crying for the shepherds... and I was not the only one who saw that, the Lord showed me some people who had also seen Him so sad. As for myself, I saw him many times.

Once, I saw the Lord on a cloud, he was crying and the devil, the ruler of this world, was in front of him. The devil said to the Lord: "who do you think is greater, me or you? Look how many people worship you and how many worship me!!! I'm a god that is greater than you. So the Lord started crying and there were two angels; one on his right and one on his left, they were holding him up as He was very weak. Then, one of the angels looked at me and talked to me very firmly saying: Shame on you... you made your God sad!! He couldn't answer His enemy, tell people to worship the Lord or they will perish. The revelation was too long. The Lord gave me many revelations about the devil's deeds and how they tempt people to eat the best food and provide their bodies with all means of comfort and luxury, which makes the body hungrier and more enslaved. Therefore the Lord said to me many times: "The first step in the way of returning back to the first image of Adam and to God is fasting, to "discipline your body and bring it into subjection" (1 Cor. 9: 27), to crucify the flesh with its passions and desires (Gal. 5: 24) as I did and was an example for you, because fasting means stop worshiping the flesh and starting to worship God: because firstly, obeying the desires of the flesh means worshiping it "you are slaves to the one you obey" (Rom. 6: 16), secondly, no one can serve two masters (Matthew 6: 24). So as long as man obeys even a small desire of his body he is thus worshiping it, like Adam when he ate from the fruit of the forbidden tree, though it was only one bite he became at once a slave of his hungry body, which led him to the change of his nature and his eyes were open to the body issues. This is what all the saints realized and therefore lived in constant crucifying of their bodies, even though their outward man is perishing, yet the inward man is being renewed day by day (2 Cor. 4: 16) as I showed you myself when I was growing and became strong in spirit while living in flesh for 33 years, to show you that man lives by spirit.. So for whom did I fast and withdrew in the wilderness?!! Why was I put to death in the flesh?!! To show you an **example** to follow. Therefore, those who have not yet resisted to bloodshed and died like me will never be saved, for the nature in which you were born, which is slavery, cannot be defeated except by prayer and fasting. If the people of Nineveh prayed for years without fasting I wouldn't have forgiven them. They had to remember **how narrow** is the gate and how difficult is the way which leads to life, that the conditions of resurrection and life from the death you were born with, are resisting to bloodshed, disciplining the body and perishing our outward man. (2 Cor 4: 16 / Rom. 6: 6), and if this way is difficult, and it really is, so the man who can appreciate My value and the value of being with me permanently, like the saints, will accept this fight in killing his flesh all day long (Rom. 8: 36 / Ps. 44: 22). So, you need to see the value

of being with me permanently until you are convinced to be united with me in the likeness of My death." (Rom. 6: 5)

However, the Lord showed me that he was very sad for the denominations and the divisions; he said to me: "Where envy and self-seeking exist, confusion and every evil thing are there" (James 3: 16) and told me that He greatly misses the church, and many other things. He told me what will happen in Egypt in few years to come; he told me that there will not be any divisions within the denominations later, but everyone will worship God according to the Bible, which means they will walk in the way in which the Lord our Shepherd had walked, as this is the true ritual as per the Lord's words, and here is the true denomination: to live the Bible and every word in it, to walk just as the Lord walked, and this is the way that the Lord had dedicated to us, the difficult way in which all saints had walked, though they wandered in deserts and mountains, in dens and caves of the earth, such as Saint Pola, Saint Karas, Mary the Egyptian, and many other saints. The Lord told me about celebrities in the world who were far from the spiritual road and the true worship of God but God will change them and they will become filled with Him to the point that they will rebuke the Christians in the churches and monasteries for not truly worshipping God and for their lack of faith. Among those celebrities there will be presidents, such as a very famous President who is totally far from God; the Lord told me in long revelations that he will be light for the world and a model for many to follow. Moreover, he will judge most Christians for not fighting in the difficult way. It wasn't me only who saw those persons especially the President who will attain the highest degrees of holiness, but others saw it too. For years, the Lord showed me these revelations and my spiritual guide was always supporting me and confirming to me that what I saw was true, in order to implement what the Lord was asking me to do in the revelations. Everything the Lord had told me years ago had happened exactly as I had seen it in the revelation. Whenever the Lord tells me about anyone in any country, I go there to see that everything the Lord told me is true, and that made me completely assured that every word the Lord had told me is true, first because of the miracle which is still going on, and second because everything I saw was true. The Lord also told me about some stuff from the Bible and explained many things to me that were not written in any Bible commentaries, even when I asked some researchers about them they knew nothing of them and even told each other: We have never thought about these meanings!! For instance: Why was the Lord risen on the third day? Why wasn't He risen on the same day or in 10 days? Why did the Lord give us His words in four gospels not just one?! Why did Joseph store $\frac{1}{5}$ (one fifth) of the harvest and did not store half of it? Why did the unjust steward also pay $\frac{1}{5}$ (one fifth) of the harvest

which was 20 measures of wheat but half of the oil debt, which was 50 measures?! And tell me what are the two denarius (Luke 10: 35), the two fish (Mark 6: 41), the two mites (Luke 21:2), the two Dirham (Matthew 17: 24) the two spies (Joshua 2:1) and the two ships (Luke 5: 2). The angel said in the revelation: "A quart of wheat for a **denarius**, and three quarts of barley for a **denarius** (Rev. 6: 6). What did the two denarius mean? Why were the six days of the creation? why did God command Noah to take the birds, seven each of every clean animal, a male and his female, but two each of animals that are unclean (Gen. 7: 2), however, Noah entered into the Arc with only two of each animal and bird (Gen. 7: 9)!!! Why the accuracy in specifying days.. After 150 days the water receded (Gen. 8: 3), why it was 150 days?! And after 73 days exactly, the top of mountains started to appear (Gen. 8: 5)!!! The Lord also told me "you should live every word in the Bible because every word gives you life". These are not stories to be told but the Book is sealed with seven seals (Rev. 5: 1) especially the Book of revelation. However, in the Spirit, we can know and examine everything (1Cor. 2: 10) because "they shall all be taught by God" (John 6: 45 / 1 John 2: 27). As He taught Mary the Egyptian He will teach every willing soul.

All those years I asked the Lord to allow me to go to a monastery and stay there. The Lord told me: Not now. However, He showed me the place where I should go, but in the time that God had chosen. One year ago, while I was in Egypt, the Lord asked me to stay at home, and to remain in my room. I thought it would be like a quiet time for few days, but months had passed then I realized that the Lord wanted me to live in isolation. During those months, the Lord taught me many things from the Bible far more that what I learned in all my past years, and many saints have appeared in my room, including Virgin Mary who used to come to me quickly whenever I had tough times.

And she appeared twice in my room for real not in a vision, also Isaiah the prophet and Elijah, they appeared to encourage me for such burdening cross that keep loading me increasingly. And finally Paul the apostle appeared to me before my nook ended several months ago and said to me:

My beloved Son, the real miracle is not raising Lazarus from the death after being stench, but it is the transformation of the heart, like what happened to Mariam the Egyptian, whom has been far away from the right way, but now has been filled to the top (she is the same Mariam whom appeared to me in a vision earlier with a tremendous light to rebuke me of my dereliction towards my spiritual fight).

And then Paul said to me: The Lord has made me write with my own handwriting the following, "till we all arrive to the unity of the faith and of the knowledge of the Son of God, to a stark man, to the quantity of the height of the richness of Christ," (Ephesians 4:13 NKJV) but I grieve sad that I didn't get to that fullness before my chance ends, but you still experience the prospect and also you should proclaim that to whomever the Lord will assign in your path. I also want to stimulate you for a hidden truth that the ruler of this world has made the verses of Ephesians 4 hidden for the people that said, "... to a perfect man, to the measure of the stature of the fullness of Christ," (Ephesians 4:13 NKJV) so my beloved son, God's affection and mercy, God's optimum goal from creating the man is for the last to be an example and a picture from Him, and Jesus was that perfect picture that God is demanding all His people to be on, He lived under the same pressures and temptations so we have no excuse to understand and reach that perfect picture of Jesus's fullness of perfection, and so He equipped us to reach that fullness of the Christ, even the Christ himself has appeared to me holding the New Testament opened on Ephesian 4 and told me, **"I'll condemn whom will not reach the fullness,"** as My divine power has given to all people all things that pertain to life and godliness ..., that through these you may be partakers of the divine nature (2 Peter 1:3-4). I want you to become one as Me and the father are one, I want you to be perfect as I Am perfect, That is my aim for you to live such rules, for many people has reached that fullness like Enoch, Elijah, John the Baptist, and virgin Mary. Those people are not from another world, but from the same world you are, suffering like you, but they fight the legal fight till the bloodshed, died day and night, till they become unified with Me in My death and so they reached that aim, which you can reach as well like those saints. **It shall be an enormous regret when you reach the eternity and realize you've missed that same chance, gift and grace,** which were given to virgin Mary and John the Baptist. I'm not showing partiality to anyone, otherwise I would not be just, wise or perfect!

So I urge you My son to fight till the blood to reach that aim you have been created for, which is to become like Me, an example of Me in all My characteristics, that is the perfectness I Am demanding with My help. Tell all you have heard, as the evil is rising to the maximum, and the true worshipers are so few. Because man is that one's slaves whom you obey and time is very short.

The Lord has showed me the outer darkness as if I'm still in the flesh, and I've seen some of my relatives and the monastery monk, I've also saw my uncle who was not evil person but he didn't live for Christ, when my uncle saw me he hugged me

strongly and cried so hard and told me "I have not ask for the truth and the aim, I wish I've asked! But lucky you as you've searched". Although he was not suffering as he was in the same waiting place as the foolish virgins whom have not fought the good fight but they were not evil that is why they are not suffering, but they are in the eternal darkness and will stay there forever. And then my uncle said, we have an indescribable regret for not fighting before, we have **compromised the eternity and the Lord's glorious presence with some fake things, more like mirage and wind!** And **"I've not been given as I've not asked"** (Luke 11:9 NKJV), so please My son fight with all your power.

Then the Lord has brought a man to look at his son while the last inside a sea of mud, as that eternal darkness have many levels cause God's just is absolute for all people. Even the level where my uncle was the easiest: clean and empty, but what is the benefit?! I've also seen my grandfather from my mother's side whom was Christian by the witnesses of the people around, he was not sanctified as the known saints whom are known with their Christian fights and having the Christ is the center of the life. Then I've where the Hermit Fathers present like Saint Ana Simon, who was been served by giant angels. Also, I've seen Saint Tekla Himanot who looked like a firebrand, so while I was astonished, he introduced himself to me asking "why do you wonder?! Do not ask or try to be like me, because you've been created to be like God and be after His picture, **not to be my picture**, so concentrate your efforts in your own fight". I've also seen Father Abdelmassih Almanahri with little angels flying around him, then the Lord has directed me to Saint Mesaeel the Hermit, whom was carried by clouds, and the Lord was flattering Saint Ellaria and told me: "there is none like her, and non like her love, cause she sacrificed the most, even more than anyone on the earth". I have not seen Saint Ellaria but Just the Lord told me that about her, and that she is very blessed.

The Lord told me: "Focus on living the gospel, not on the ritual and seen objects which have been even worshipped by many people, but those never reach the perfectness. **Although the rituals are a strong mean that help the Christian beginners to be stronger, but the rituals are not the aim itself** if the rituals are not leading the man to the perfectness so it is useless. The rituals are like good fertilizers but it is useless without a buried seed in the ground!!! The method is not important, but the fight itself to reach the purpose, many people have lived all their lives in churches with the rituals without reaching the holiness or perfectness, on contrary the saints whom lived in deserts and mountains like John the Baptist and the Old Testament prophets. For the rituals are only the mean helping people in the way but

they are not the way itself, that is why many people can't reach the, "holiness, without which no one will see the Lord," (Hebrews 12:14) perfectness is a divine demand (Matthew 5:48).

There is a very important thing needs to be mentioned again, "For circumcision is indeed profitable if you keep the law" (Romans 2:25 NKJV), as there is no circumcision in the New Testament, but it refers to the ritual practices which are useless, like the strong fertilizers combined with water but without a buried seed in the ground, and so the baptism and sharing the holy communion is not useful for whom is not living by the gospel, for the baptism is a spiritual credit need to be used in the spiritual fight to reach that optimum goal of being on His picture. Moussa the black is a great example of burring the seed (his flesh) in the ground (by spiritual death) so the water (baptism) was able to work in him by the grace, we need an awakening; so we always look to that mirror and fight like those holy people of God; so we can walk towards our goal, "But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as by the Spirit of the Lord." (2 Corinthians 3:18 NKJV)

So the circumcision is useful if you obeyed the law, and the Baptism and the Holy Communion are useful if you lived by the gospel. But if you chose not to live by the Gospel you will be judged even more because you've knew the truth and you had spiritual credit but you have not used it. And so when a man chooses to be baptized, he is choosing the narrow hard road, he is choosing the death and grave, he is choosing a new way of being a Christian, "Therefore, if an uncircumcised man keeps the righteous requirements of the law, will not his uncircumcision be counted as circumcision?" (Romans 2:26 NKJV)

The martyrs whom their blood was shed and believed Me, and did not practice the rite of baptism, I said about them, "If a uncircumcised man keeps the righteous requirements of the law, will not his uncircumcision be counted as circumcision," as if he is baptized, because he lived the baptism and the communion indeed. He died with Me and is satisfied by Me, not just practicing the rite of communion, but living it, those will judge who practiced all the rites but did not live the Gospel, because they did not fight through the difficult road and die with Me all the way, as it is written, "And will not the physically uncircumcised, if he fulfills the law, judge you who, even with your written code and circumcision, are a transgressor of the law?" (Romans 2:27)

Then, **the circumcision is useful only for who obey the law**, and so the Christian whom is sharing the holy communion and being baptized but not living for the gospel is like a man whom has been given a wonderful land to make a wonderful garden, so he started with putting a powerful given fertilizer, then pour a pure given water but he refuses to bury the seeds in the ground, is a foolish Christian, and will lose everything, exactly like the rich young man, whom didn't commit any sin, but he didn't give the needed care for the way of the truth and so Jesus Said, "What are you doing, silly?!" Many are Christians, but they do not obey Me and do not walk as I walked. So they are not real Christians, as it is written, "For he is not a Jew who is one outwardly, nor is circumcision that which is outward in the flesh, but he is Jew who is one inwardly; and **circumcision is that of the heart, in the spirit, not in the letter**, whose praise is not from men but from God." (Rom 2:28-29)

"What advantage then has the Jew, or what is the profit of circumcision?" (Romans 3:1) , that is to say what is the advantage has the Christian who born in grace and have been given high spiritual account and has signed a written confession that he will die with Me and will be crucified with Me, and will walk as I walked, but he was not honest and refused to fulfil that confession, so he will be like the Jew who is one outwardly, and circumcises only outward in the flesh, Abraham believed Me and it was accounted to him righteousness and I told you in the Bible, "How then was accounted? While he was circumcised, or uncircumcised? Not while circumcised, but while uncircumcised. And **he received the sign of circumcision, a seal of the righteousness of the faith** which he had while still uncircumcised, that he might be the father of all these who believe, though they are uncircumcised, that righteousness might be imputed to them also." (Rom 4:9-11)

Of course I'm not talking about the conditions of the circumcision in the covenant of grace, but I am speaking generally about the liturgies, that you may understand, that Abraham lived in righteousness before he practiced any liturgy, but I told him to do circumcision which is the sign of circumcision to be a seal of the righteousness of the faith and the seal is the end of the subject and the speech, because after the seal, there are no words. Just as a document signed by someone to ensure that he agrees to fulfill it. In the same way, who wants to become Christian, must come to the church and declare that he wants to die with Christ, so he announces, before God and the church, his faith, his insistence and his strong desire to walk all the way through the difficult road, then I come by My Spirit in water and oil to support him, and I will work in him by the power of My spirit which I will give to him as long as he wants to fulfill that purpose. So the core of the case is the will of

man and his strong desire, insistence and seeking to reach and accept anything, and this is the death of the seed, then I start by giving the fertilizer which is the spirit I gave him by the living water which is My body and My blood. Abraham believed God, and it was accounted to him for righteousness, and he did not practice any liturgy. Many Christians called on My name were murdered without practicing any liturgy. Just like the uncircumcised man who keeps the righteous requirements of the law, his uncircumcision will be counted as circumcision (Romans 2:26). And Abraham because he became the father of circumcision to not only those who are of the circumcision, but who also walks in the steps of the faith which our father Abraham had while still uncircumcised. (Romans 4:12) "Neither circumcision nor uncircumcision avails anything, but a new creation." (Galatians 6:15)

As I told you, look at Saul how his eyes were opened and knew the sickness in which he was born and realized how to be healed, and what is the way to fulfill this purpose when he said, "But God forbid that I should boast except in the cross of our Lord Jesus Christ, by whom the world has been crucified to me, and I to the world. **“For in Christ Jesus neither circumcision nor uncircumcision avails anything, but a new creation.”** (Galatians 6:15) "And as many as walk according to this rule, peace and mercy be upon them, and upon the Israel of God," (Galatians 6:16) so "Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. Resist him, steadfast in the faith." (1 Peter 5:8-9) Finally My son who are the compassion of My heart, what I said to all, I say to you and to all of you once more, "Look up and lift up your heads because your redemption draws near look at the fig tree and all trees. When they are already budding, you see and know for yourselves that summer is now near. So you also, when you see these things happening. Know that the kingdom of God is near. Heaven and earth will pass away, but My words will by no means pass away. **But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life**, and that day come on you unexpectedly. For it will come as a snare on all those who dwell on the face of the whole earth. **Watch therefore, and pray always** that you may counted worthy, **to escape** all these things, that will come to pass, and to stand before the Son of Man." (Luke 21:28-31, 33-36)

Another extremely important thing, and many avoid it, that any liturgy or any arrangement in any church of any dominion, is an **instrument** that helps you to reach the purpose. That means, in order to fulfill the purpose, to be My members, the only way is to bury the seed, and be in a dead state always, by disobeying the flesh, the self and the world by complete obligation, with obligation to pray always, that is the

only way to reach Me, but liturgies are not the way, they are like fertilizers, which aid and strengthen you along the way, so it is helping whom fight the legal fight, which is the only way to fulfill the purpose. Without the death of the seed, all the fertilizers of the world cannot help, not even the living water which gives life like the body and the blood, which cannot profit whom wasn't crucified and died with Me. So the method that helps you, does not matter, but the more important is to walk through the difficult way. The most important thing is **to reach the purpose, whether by practicing liturgies or without any other way**, or to enter your room and close the door and be separated as I did, as I gave you a practical example and as many saints did, whom were lost in the wilderness, desolate places and cracks, they were being destitute and afflicted, and they did not practice any liturgy or arrangement while they were fighting in the way, but finally they have reached the purpose powerfully.

There is only one way to reach the purpose, by burying the seed and watering it continually, through fighting in the likeness of My death, and to stop obeying anything and praying. The **method** you use in the **difficult way**, that bring you to Me is not important, but what's more important is to walk through the way because it is the only mean to reach the purpose, **the most important is to reach the purpose of the end.**

Every man have to ask Me to guide him to the suitable method that help him in the way, don't waste time and life for the time is very short and the shape of this world will disappear, every man have to ask and cry always to see himself and where he is standing in the way and be assured from his being in Me, did he start the way or didn't yet? This happens where he ask honestly to put the **mirror** in front of him to see his image as it is written, "But we all, with unveiled face, beholding **as in a mirror** the glory of the lord, are being transformed into the same image from glory to glory." (2 Corinthians 3:18)

Do not get mad each one with his brother, or each dominion or group with another, thinking that they are in the right faith and doctrine, as I told you, "For where envy and self-seeking exist, confusion and every **evil thing** are there," (James 3:16) "what advantage then has the Jew, or what is the profit of circumcision," (Romans 3:1) "neither circumcision nor uncircumcision avails anything." (Galatians 6:15)

As it is written, "Therefore, leaving the discussion of the elementary principles of Christ, let us go on to perfection, not laying again the foundation of repentance from **dead works** and of faith toward God, of the doctrine of **baptisms**, of laying on

of hands, of resurrection of the dead and of eternal Judgment. And this we will do if God permits." (Hebrews 6:1-3)

"And we desire that each one of you show the same diligence to the full assurance of hope until the end. That you do not become sluggish, but imitate those who through faith and patience merits the promises," (Hebrews 6:11-12) also it is written concerning Me, "who, in the days of His flesh, when he had offered up prayers and supplications, with vehement cries and tears to Him who was able to save Him from death and was heard because of His glory fear, though He was a son yet He learned obedience by the things which He suffered. And having been perfected, He became the author of eternal salvation to all who obey Him." (Hebrews 5:7-9)

After My baptism in front of John the Baptist, I went to apply what I have confessed before the church and believers, so I went to fight in the actual difficult way to practically teach you the death and burying, so I remained 40 days in the wilderness crucifying My body completely, honestly, I was in the same earthly flesh human nature, which you have.

What was written, is the chief evidence, that the way needs and depends on fighting, but baptisms and laying on of hands, these only are a beginning, like the fertilizer which strengthen the ground at the beginning of sowing the seed. But without the difficult way, nobody will arrive. It is also written, "Therefore, since a promise remains of entering His rest, let us fear lest any of you seem to have come short of it," (Hebrews 4:1) "let us therefore be diligent to enter that rest, lest anyone **fall** according to the same example of disobedience." (Hebrews 4:11)

"For we do not have a High Priest who cannot sympathize with our weaknesses, but was in all points tempted as we are, yet without sin. "**Let us therefore come** boldly to the throne of grace, that we may obtain mercy and find **grace to help** in time of need." (Hebrews 4:15-16)

After the will, comes fighting which is seeking God, as I told you in the beginning of chapter 12 of Hebrews, when I said: therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensures us, **and let us run with endurance the race that is set before us**, looking into Jesus, the author and finisher of our faith, who for the Joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of god. For consider Him who endured such hostility from sinners against Himself lest you become weary and discouraged if your souls." (Hebrews 12:1-3). About that fighting which mentioned in verse 4, it is the fighting,

in response to the working grace, which the bible spoke about it, “you have not yet resistant to bloodshed, striving against sin. And you have forgotten the extortion which speaks to you as to sons:

“My son, do not despise the chastening of the lord, Nor be discouraged when you are rebuked by Him: for home the lord love He chastens, and scourge every son whom He receives. If you endure chastening, God deals with you as with sons; but if you are without chastening of which all have become partakers then you are illegitimate and not sons,” [you are not legal sons but foundling] which means it is not important who practice liturgy and who does not even the latter walk in the way and reach the purpose, it is not important how he fought in the difficult way or if there any particular manner, but it is more important to reach the purpose. For a man practicing a certain procedure or method, how he thinks that he is walking in the right way and the truth?! Who is in the truth, he will reach the true purpose, not because he is practicing a certain method. The truth is not the method, but reaching the truth is the purpose. So a person is born Catholic or Orthodox, he cannot say I live in the truth because he is practicing a special liturgy!!! Firstly: what is the advantage of this man? Did he embrace that doctrine? Or I arranged for him to be born in it?

Secondly: the truth means to reach the truth, not applying a certain method and you imagine that this is the truth or the true way. Worshiping the self makes man thinks that everything he does is the best. The truth is to fight in the likeness of My death to reach the truth at the end. And not imagining that everything belongs to him is the truth and the best, and anything else is wrong, or any man does not practice the same liturgy and same arrangements, he is not in the truth.. Where are your minds? The important matter is to reach the truth.

How can a man imagine that he lives the right and true faith while he didn't become after My image and example till now?! Where are your minds? How could a man rage with selfish ambition on others because he is born in a certain dominion? Did he embrace this dominion and doctrine? I have told you in the Bible, “Let not him who eats despise him who does not eat, and let not him who does not eat judge him who eats; for God has received him.” (Romans 14:3) The key is to become a new creation and the fruit of the spirit is the sign for this life. Any man instead of raging, arguing and trying to prove that he is of good deeds and that he is in the right faith, let him stand in front of the mirror to see if he is obeying Me or not. Did he become after My example and of My likeness, when I was on earth? Is My light in him and became shining to the whole world? Does he love his enemies, bless who curse him and do good to those who hate him? Can he **sell all his possessions**? Does he have

not where he can lay his head? Can he pray for his enemies? Does he pray always? Does he hate every human love from all his heart whether his father, his mother, his wife or his children and love me from all his heart, from all his mind and from all his soul?! Can you fast for 40 days honestly, as I did while I was in the same nature as you? It is written, "Therefore bear fruits worthy of repentance, and do not think to say to your selves. We have Abraham as our father. For I say to you that God is able to raise up children to Abraham from these stones, therefore every tree which does not bear good fruits is cut down and thrown into the fire. I wish if you walk in light and seek to be in light, **lest darkness overtake you** be in My image, follow My steps, for I'm the only way and door for salvation and nobody can lay another foundation except what was laid which is My life, it means there is no any method or way to reach the purpose except the fight which I have fought. Do not forget that I have made Myself of no reputation, to the end, I am the creator God, I accepted to be sin for your sake. Because I love you, and accepted to take the shape of the serpent, look what you offered not for Me, but for your salvation; what death, what burying, what sacrifice you offered to be stained after My image?

Not to struggle together, even to boast on each other. Thinking that you are walking in the truth. The truth is to be stained after My image, and this is the true baptism. Everybody is completely free to do what they want. He who have ears to hear, let him hear!

The people of Israel had crossed the sea, indeed, it was the greatest symbol and indication for baptism in the bible, even the first strong symbol to experience the liturgy of baptism.

They have walked on a land which did not see the sun except just before the time of crossing this happened after they had been circumcised and after they have ate from the lamb of the Passover which is a symbol of the liturgy of communion. **But did the people of Israel actually become free?** Is it because they went out of the authority of Pharaoh and crossed the Red Sea, they became out of slavery? Of course, the answer is as clear as the sun, it does not need any comment. The people of Israel remained in slavery, after all these symbols they had completed – circumcision and crossing the sea. They were about 6 million person (600,000 men = 600,000 families) but only two entered the promise land!! Even Aron the shepherd of the shepherds through whom God had made the greatest and the most amazing miracles in the human history, in spite of that, he made a calf by his hands and led the whole people to worship it, though he was circumcised and have eaten from the lamb of the Passover which was an indication to the communion and to liturgy of communion.

Even Moses about whom it is written, since then there has not arisen in Israel a prophet like Moses and was talking to God face to face, whom God also used to liberate the people, but he also did not enter the promise land, despite he was not a slave and was a free man, but holiness and drawing near to God (the promise land) has many degrees. The people stayed in bitter slavery, though the people were far from Pharaoh by many miles, months and years. However they were slaves for their bellies and selves, the slavery increased more and appeared strongly when they became away from the gods they were worshipping which are the food, the money and the rest, **Crossing the sea, did not change their nature and bring them to holiness for the Father, and did not bring anyone to know the love of the father personally**, even they became extremely aggressive and repellent, their slavery and lusts increased more and more, all of these because circumcision is neither the freedom itself nor the staining by the picture of holiness. Crossing the sea also symbolized the practice of the Baptism ritual, though the people had gotten away from Pharaoh's slavery and had left the land of slavery and were far away and years away (40 years), that was how it seemed to be but in reality they were **still slaves**.

Although the apostle Paul was baptized (practiced the Baptism ritual) and was filled with God's Spirit, and had enlightened the whole world, he said that there was another law in his members that was still fighting the law of his mind and **captivated him** to the evil law that was present in his members **O wretched man that I am! who will deliver me from the flesh of death?!** How come the greatest evangelist say such words after obtaining the secret of Baptism and growing in the knowledge of God for such a long time?!! That flesh was the reason for his death and it was the evil present in him as it was **still subject to slavery** and it was the law that was fighting his mind, meaning that slavery was still present and controlling him too, and he was under its power, context, and ruling, for it controlled him and captivated him until that moment, and moreover it made him act in a way he didn't want to and not to act the way he wanted, so how was that?!! after growing in his relationship with the father.

That was because **the Baptism; being imbued with the image of God the Father** is, in fact, **the end of the difficult road** which means that man becomes an image of God after fighting, it was a man's image transforming into God's image and this is the meaning of Baptism; that any man after being born as a slave of his flesh and his self, and after living in them, he can become a member in God the father, becoming an image of Him and like Him in everything, but that happens after he gets rid of his slavery and after defeating the flesh of sin, and that was for those who died

like Him... Apostle Paul said: "for to will is present in me.... with the mind I myself serve the law of God" .. meaning "I want and long to serve God only and won't serve my flesh, yet **"with the flesh I serve the law of sin"!!** meaning that he was still a slave because Baptism was the end of the road not the beginning. Because if Baptism makes man return to the image of Adam there would have been no need to fight in the difficult road, to fight to bloodshed, to fight legally, and there would have been no need for me after being baptized - and the father acknowledged that I am His beloved son who delights Him, and after the Holy Spirit descended in the form of a dove on me - to fight for 40 days with fasting and praying ... so what was all that suffering for (as a human) .. but I wanted to assure you that being imbued with my image comes at the end of the fight according to consecutive steps, not by practicing the ritual, which is man's decision to die with me for the world .. If he doesn't actually die he will be a transgressor **and his circumcision will become uncircumcision**. Without the death of the seed there will be no use for water, the seed should be buried as it is like a man who refused to crucify his flesh and his self and still obey them, which means **he still serve them**, so he hadn't yet started the road of truly serving God the father, for no one can serve and worship two masters at the same time, hence we realize that burying the seed and being buried with me is the beginning of the true baptism, the beginning of being imbued with my real image, and not practicing a ritual that symbolized the image of the father that should have been in you if you have fought by dying like Me...

I was encouraging the people of Israel and motivating them with a visible and tangible thing that was clear to them; dividing the water of the sea, which was the first and greatest miracle that showed my super eternal power, to assure them that I really want them to **pass from the land of slavery to the land of comfort** and that was a symbol to assure them that I want them to be spiritually free, and I let them be circumcised and that was another symbol for the Baptism ritual and it is man's declaration and acceptance of God to appear before God and not to hide like Adam did. That's how I arranged for the Baptism ritual, to assure you that I will be with you and that I actually want you to be free, and with a tangible and clear think I assure you that I will descend in my Spirit and stay with you, as the Holy Spirit descended like a dove over me, but if man do not start fighting as I showed you myself when I stayed for 40 days in the wilderness, you will not be able to follow me and you will not be able to defeat the flesh of sin and slavery and you will not be free, as it happened to the people of Israel, so do not forget how narrow is the door and difficult is the road leading to life. For the circumcision and the baptism will be of no use for those who transgress and do not live according to the gospel, their circumcision will

become uncircumcision, for I was not explaining the conditions of the circumcision in the new testament but I was speaking about rituals, and I assure you it is a **symbol** of something that should be lived, and if man does not live the thing symbolized, the ritual of circumcision will be of no use. Moreover, he who did not practice the ritual, the symbol, but lived the thing symbolized by that ritual, meaning that he lived the life of death with me then **his uncircumcision will become circumcision** ... which means he was actually baptized and imbued with my image as I told you: if the uncircumcised keeps the law, his uncircumcision will become circumcision, and this man (who did not practice the ritual at all) will judge those who practiced the ritual and did not live the life symbolized. It is written "And will not **the physically uncircumcised, if he fulfills the law**, judge you, even with your written code and circumcision, are a transgressor of the law?" (Rom. 2: 27)

So do not forget that all I did to the people of Israel was of no use because the ritual (the symbol) did not and will not change man, because the whole issue depends **first** on the will of man, then on his fight to show credibility of his will.

How can the father grant change .. purification .. and freedom without the full fighting I told you about?!! the fighting I myself had went through?!! I took for you the step that no human being could take, the actual death for all sins, and to take away the eternal punishment, and this was what was meant in the Bible when it was written "For by grace you have been saved through faith, not of works, lest anyone should boast", but this is only for those who die like my death, not for those who practiced the ritual of communion thinking that they became free and that their sins were lift too..!!

I wonder what more do you need, I lifted your burdens, your grief, your pains, and the eternal punishment, I died for every sin .. so the least I can ask you for is **to stop serving anything else** and this is how you can show the credibility of your will; that you honestly want to serve me.

I did not tell you that **practicing the ritual is the road to life** nor did I tell you that believing in my death on the cross is the road to life!! for believing without doing is like a dead man (James 2: 20 & 26), because man can believe and this is the beginning of the road, but he was not crucified and did not die with me, which means he did not live the gospel or did not follow the law, so his circumcision will also be considered uncircumcision (Rom. 2: 26). I told you that **narrow is the door and difficult is the way leading to life** and that only few find it, for crucifixion and death only are the beginning of the real service and worship that will lead to life... So how

then you think that anyone who practice the Baptism ritual or the communion will enter the Kingdom of God, without burying the seed and stopping to worship the flesh and the self, which means they still serve another God ..?! So wake up my children and walk the way I walked, for I am the only door for rescue and the only way for deliverance, and there is no other road or basis except the life I lived (1Cor. 3: 11), or for whom then I was fasting and praying?! I only did that to teach you the road to go to be free from the slavery you were born into.

So walk in the light that says "Circumcision is nothing and uncircumcision is also nothing" (1Cor. 7: 19) but what matters is the new creation that bears the fruits of the Spirit, so everyone of you have to look at himself in **the mirror** (2Cor. 3: 18) to see the fruits he bears and the growth he achieved. Everyone should ask himself, before it's too late: Am I now in His image? Do I follow His commandments? can I pray all the time and live on earth as in Heaven, can I sell everything I own and leave my house, my father, my mother, my way and hate even myself?! Isn't this what is written in the Bible that you believe in, and that will judge you on the last day of judgment?! It is the mirror without which you will not be able to know yourselves because **it is the light that leads to real life**, for everyone who walked in it, and without which you will stay in darkness and he who walks in the darkness does not know where to go (1John 2: 11), so walk in the light to be children of the light, because it is written about me: "In Him was life, and **the life was the light of men**. And the light shines in the darkness".

for the ultimate purpose is to be filled with Me to become an image of Me and to become members in Me, and thus you will reach the goal for which God had created you for, which is to fully enjoy Me and be filled with me, this will be achieved by being **in continuous contact with me** and this is prayer; the link that will be between you and me, and this is the means that is not accomplished or achieved except by stopping to obey anything else...the purpose of all the rituals was **to help you achieve this means**, to build a true relationship between me and you, to be fully filled with me, for praying is the only way that helps you reach your goal, and it should also be achieved through certain conditions such as the link between the seed and the source of its life which should be achieved through some conditions such as its burial so that the water of life starts to reach it and work in it. Even the rituals, such as masses and baptism, are not the main means, but they are rather **a helping aid that ensures achieving the real means**; which is helping you to have a real link with me. what is most important is that you should meet the link conditions and be in real relationship with me, for I am the one who arranged for everything to

help you contact me, and if man can contact me by himself, without practicing any rituals, such as those who were lost in the wildernesses and the deserts, he then met the conditions and achieved the means as I told you "When you pray, go into your room, and when you have shut your door, pray to your father who is in the secret place" as I used to withdraw into the wilderness and pray. I didn't pray with my disciples but rather compelled them to go and leave me alone, to teach you the real road that ensures your arrival at the father's and your being fully filled with Him, then I told you that "where two or three are gathered in My name, I am there in the midst of them" (Matthew 18: 20)

"This ritual and system is only to help the means and not the basis, for the basis is your personal relationship with me with your fighting in prayer with me only in secret, and any other arrangement **will help this basis** which without it (any personal relationship is like the root that emerges after burying the seed) no fertilizer or even the water of life, which is the flesh and the blood, will be of any use.

So do not take sides with the helping means, as long as an arrangement is practiced by someone in a certain way, he was born finding himself practicing it .. so if he continues to do so **the means will replace the purpose** and what the Pharisee did will be repeated; they worshiped the Sabbath and asked to stone me because their strong worship of the letter became insane and would not achieve any goals, so I told them that **the Sabbath was made for man and not man for the Sabbath** (Mark 2: 27). I have arranged for a system on the Sabbath; that no one works on it - not only because someone keeps this system and obeys it he is worshipping me and is in contact with me - but I arranged for this ritual so that man remembers me amidst his busyness and finds the time in which he can achieve the means that will reach the goal; which is **contacting me**. As I made the Sabbath for man to help him (and did not make man for the Sabbath), I also arranged every system and ritual to help man achieve the means and **ensure its achievement**, not to see that you practice and worship a ritual and thing that this way you are obeying me and worshipping me.. When you are obedient only for the sake of obedience in implementing the ritual this is not considered obedience, which means it is not the true worship, and if any man does not work on the Sabbath this doesn't mean he is worshipping me..!! there is a commandment for obedience, when you obey it you are actually practicing and achieving the means that leads you to the goal, such as "pray all the time" or "love the Lord your God from all your heart", these commandments are direct ones, whoever obeys them and implements them literally will be really obedient to me .. I did not mean by not working on the Sabbath that you do not work at all literally but I want

you to realize that there is a reason for it, it is not a commandment but **an order** to make you realize that there is a purpose beyond it when you implement it; which is to stop being busy, to start thinking and praying, and so this commandment is to make you obey me, it warns you about something I couldn't advise you with except after implementing this first; not to do anything specific on the Sabbath. However, any arrangement or ritual such as not to do anything on the Sabbath, or as the commandment I gave Adam which was not to eat from the fruit of the tree. This commandment is not a means in itself, but a helping aid for the means to guarantee the achievement of the means, Adam refused to worship me or **to be with me... I had to** give him a commandment not because if he followed it he would be worshipping me and in relationship with me, but rather to let him realize that he didn't worship me, and that I wanted him to start obeying me and to realize that I'm the God who should be obeyed and worshipped, and so I would have helped him and put him on the beginning of the real road, which is the means that will help him reach me, this also applies to the Sabbath or any other ritual such as the mass which aims only at **guaranteeing that you will stay for hours before me to ensure your contact with me**, and I will help you to be accustomed to the real relationship with me, and thus **the means is achieved, which is the real prayer.**

I hope you understand that any arrangement is only **a helping aid to guarantee the achievement of the real means**; the prayer that leads you to the goal, also Baptism and masses, the circumcision, the Passover lamb, for all these rituals and arrangements are means for me to use to assure man that I am with him and will not leave him until he is encouraged to pray and fight to meet the prayer conditions; death for the world, stop serving anything. By being filled with me in the continuous prayer only, which is the real link between you and me, you will reach your goal. I hope you remember the light that you should follow and that says: "therefore, leaving the discussion of the elementary principles of Christ, let us go on to perfection, not laying again the foundation of repentance from **dead works** and of faith toward God, of the doctrine of **Baptisms**, of laying on of hands, of resurrection of the dead, and of eternal judgment. And this we will do if God permits. (Hebrews 6: 1-3) for circumcision is useful only in case we live the Gospel and keep the law.

I wish you act like me, my dear children, and may you walk as I walked and ask me to become a member in me with honesty and persistence and I will open your minds to the truth and to the right road and will shed my light on you as I said in my first book "**Let there be light**" (Gen. 1) and I'm standing and knocking on every

man's heart .. he who opens to me he will let the light in his life and his mind, and everyone will learn from me.

As in every ritual I allow certain tangible visible things to remind man and assure him that I'm with him and work through him, that I will carry him on eagles' wings as I did with the people of Israel; when I divided the sea for them, also in Baptism I divide the heavens and get down with my Spirit as it happened with me and the Spirit descended on me as a dove, to assure you all that I'm with you and that I'll always carry you on eagles' wings, but this work of mine will not set you free of your slavery in a moment, or do you think that you became in my image and my likeness?!! The people of Israel were not set free from their slavery after their circumcision, their crossing the sea and their eating from the Passover lamb, as the ritual was like a symbol from my part, it was a practical proof that I will be with you and will not leave you, and that **I will work in you with My Spirit** as I promised through Paul when he said "may the God of all grace, who called us to His eternal glory by Christ Jesus, after you have suffered a while, perfect, establish, strengthen and settle you". (1 Pet. 5: 10) For the real baptism as a life means **being imbued with my image**, but the baptism ritual does not discern whether the one who practiced it is free, or in my image and likeness, or a saint filled with all the fullness of God, this will happen with those who fought throughout the whole difficult road, and the proof is clear in you and in everyone who practiced Baptism and Communion. So ask yourself: Have you really become in my image?! The ritual is the beginning of the road that will help them to reach their goal and not the end of the road, and it is my promise for you that **I will grant you my Spirit** and that He will continue to work with you and in you, only if every man fights, dies like my death, all the time, all day long, and before he becomes a living sacrifice .. for circumcision is useful to those who work according to the law, and those **who do not live the gospel their circumcision will become uncircumcision** (Rom. 2: 25). Any uncircumcised man who keeps the gospel and live it, his uncircumcision will become circumcision such as the martyrs who did not practice any ritual but their baptism was counted as they were really baptized as a life, for they died with me "for his not a Jew who is one outwardly" (Rom. 2: 28) and any man who practices any ritual, such as keeping the Sabbath, is not my slave because the circumcision of the heart **by the Spirit** not by the book is the real circumcision (Rom. 2: 29) for he becomes imbued with my image, for "what advantage then has the Jew, or what is the profit of circumcision" (Rom 3:1) in all these many aspects?!! What advantage for him who practice a certain arranged ritual just like the Jews in the past; when they kept the Sabbath and did not work on it, and they didn't understand what I commanded them to practice

this arrangement, and that it was a symbol. "Circumcision is nothing and uncircumcision is nothing" (1 Cor. 7: 19) ... in other words, anyone who will not practice any ritual but what is important is the new creation, to walk as I walked and to die as I died .. This is how the understanding is achieved... He who has ears to hear, let him hear.

The account of a divine miracle recently published on our website has received feedback expressing questions and doubts. For accuracy and honesty, these questions have been addressed by the person who experienced the event. Here is his answer:

“For the Spirit searches all things, yes, the deep things of God. For what man knows the things of a man except the spirit of the man which is in him? Even so no one knows the things of God except the Spirit of God.”

(I Corinthians 2:10-11)

Dear Reader,

The Lord says, “He who speaks from himself seeks his own glory; but He who seeks the glory of the One who sent Him is true, and no unrighteousness is in Him.” (John 7:18). The Lord asked me to tell the things which He did for me. He said to me, “This is for My sheep and My people whom will recognize My voice, for I have many of them in affliction and pain, and they wait to hear My voice to console them.” But for me, when I finish telling my story, I consider my mission is accomplished and I don't want anything else from this world. I even did not mention where I live now whether in my own country or abroad. For the Spirit searches everything, and nobody knows the things of God except the spirit of God whom dwells in man. So, who have the spirit of God, who knows and searches the truth and knows the things of God? And he who needs the word of God, he will delight in the word and the truth, because the Lord told us, “He who is of God hears God’s words.” (John 8:47) and “Everyone who is of the truth hears My voice.” (John 18:37).

Truth is truth whether you believe it or not. God wants His Truth and Word to reach His people. **God knows beforehand to whom His truth will reach and who will accept it with joy.** I believe He has asked me many times to write down and share what He did in me.

I have been sustained on my journey by God's word to me, as well as by the help of my spiritual mentor. As a spiritual father, my mentor confirmed that I should record the word of the God to me. I am thankful to my spiritual mentor who has helped me on this hard road through this dark world. With that help and the comfort of the Lord, I would not have survived (or had been destroyed).

Because of our weakness in this physical world, God sometimes allows the presence of saints in this world to be a tangible support to us. There are many who have sent me letters telling me that I'm a liar, while others said, "You want to be known to all." Others said, "It is the devil who is appearing to you and who deceives you." Their responses as understandable as I know that indeed the devil as many tricks. There are also those that worship their ego—desiring to be famous or to satisfy themselves.

I want to ask a question: "What is the devil's main goal?" The devil desires to draw the world away from the truth, eternity and knowledge of God. God, on the other hand, wants everyone to know Him. Sometimes, he chooses to use one of His sons, to whom He reveals Himself, to tell others about God that they may know Him. As for me, I did not ask to be well-known. I did not even mention my real name or initials and I prefer that no one knows about me personally. God wants to console people by His words through me. Those people are His sheep who recognizes His voice and waits for Him.

So, what I will gain from this disclosure while I am nobody before the world? Consider that I did not ask to be known or that anyone should know my name. Nobody saw or knew me. I even refused being in this world, and moreover cried bitterly every day to return to the desert monastery where I stayed for a year. The experience was a paradise for me, even Eden itself, because God told me about **the way to salvation**, when He said to me, "Whoever **loses** his life for My sake will **save it**. For what profit is it to a man if he gains the whole world, and is himself destroyed or lost?" (Luke 9:24-25) "Assuredly, I say to you, there is no one who has left house or brothers or sisters or father or mother or wife or children or lands, for My sake and the gospel's, who shall not receive a hundredfold now in this time—houses and brothers and sisters and mothers and children and lands, with persecutions—and in the age to come, eternal life." (Mark 10:29-30) Then the Lord reminded me of the person who wanted to walk with Him but he asked first to farewell his family. And the Lord said to Him, "No one, having put his hand to the plow, and looking back, is fit for the kingdom of God." (Luke 9:62) "Vanity of vanities, all is vanity."

(Ecclesiastes 1:2) “And indeed all was vanity and grasping for the wind. There was no profit under the sun.” (Ecclesiastes 2:11)

Because God put a great assurance in my mind about **the truth** of His coming at any hour, my mind became continually aware of this truth, as He commanded us, “Therefore you also be ready, for the Son of Man is coming at an hour you do not expect.” (Luke 12:40) God always reminds me to warn everyone I meet about this truth. He said, “But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come on you unexpectedly.” (Luke 21:34) “Do not labor for the food which perishes, but for the food which endures to everlasting life” (John 6:27). The Lord told me that the prince of this world seeks, with all his strength, to make people forget about it especially in His first sermon on the mount. “Do not worry about your life, what you will eat or what you will drink; nor about your body, what you will put on. Is not life more than food and the body more than clothing? “Therefore do not worry, saying, ‘What shall we eat?’ or ‘What shall we drink?’ or ‘What shall we wear?’ For after all these things the Gentiles seek. But seek first the kingdom of God and His righteousness, and all these things shall be added to you.” (Matthew 6, Luke 12)

God didn't allow me to continue my devotion in the desert of that monastery which was like a dream to me. So He put me on the altar as a **burning sacrifice**, not only a sin sacrifice [which indicates the death of sin], which must be done by continual repentance to be born of water. That root of sin, that causes man to sin continually, which is his self, has to die. As Paul says, evil is present with me (Romans 7:21). The Lord worked in me that everything which belonged to the world should die, in the same way that the burned sacrifice, when the priest put it on the altar, and was burned **until it became dust**. The Lord told me that I should live according to the Bible, not just knowing old ceremonies, because the Bible is a life that should be lived by every man; that's why I commanded, “**Only let your conduct be worthy of the gospel of Christ.**” (Philippians 1:27) Man must walk in this way because living practically according to the word of God is the way to God. Now, I don't need anyone or money or anything of this world, because I realized that everything in this world is vain, and I choose to be in God forever and not to live for vain things. [The Lord put in my hands a lot of money and many estates which the Lord and my spiritual mentor asked me to keep for ministry--many people, whom God has brought in my way, come and live with me.] Please, my beloved ones, think about these things, what is the purpose of this work? So, you can easily know that

I'm telling the truth and also by asking the guidance of God, He will give the desire of your heart.

I have no personal agenda except helping everyone to know God, and this is what He asked me to do, for God searches the heart and this appears clearer in not mentioning my name or where I live. **When I finish telling what God has done with me, my role will be finished.** Through the word of God and His work, the faith of many people may grow and their joy may increase. The devil wants to attract people towards him or towards his followers in order to keep the world away from seeking God and eternity. But any wise man will realize that there is no profit from writing this story, while the world does not know who I am, but I write to comfort anyone carrying their cross and to strengthen their faith, as the Lord asked Saul and many others in old times or recently Nahed Metwali (Febi Abdel Massieh) who was Muslim and came to Christ, God asked her to tell others what He did in her life, not to become famous but to comfort all people and strengthen their faith. The difference between me and her is that I'm not known to anybody.

Whoever reads my testimony should focus on the purpose. I'm still nobody so why should any man think that the devil is deceiving me or that I want anything? In what way am I to take anything from anybody? Many have said to me, "This is a work of the devil because the devil can appear as an angel of light." I don't blame them. For me, the devil cannot appear to me because I know God very well and by truth. Does the devil want me to know God well and leave the world? Does he want me to lose interest in things which are seen, even my body? There is a difference between delusion and the truth. There is tangible evidence that still remain from God's work: my hair was curly and became soft, I used to wear glasses but now I don't, and I don't feel heart pain anymore even if I stay without food for a month despite the continued presence of the disease. How did this happen?! There is a difference between illusion, delusion and the truth.

The most important thing of all of this is that I don't care about the reactions of the world or what the people say, because my main concern is to know God well, and this is the purpose God has succeeded achieving in my life through knowing Him and bringing me close to Him. Whether the world believes it or not, **what will change this reality?** Actually I don't feel my presence in this world and life, for me now, is Christ. Whatever happens, I don't care. When God sends me to someone and he does not believe, I don't try to convince because this is not my role; I stop seeing them because I don't want anything and I leave them to God.

My beloved ones, my desire is that you concentrate on all these things. When Paul said, "I labored more abundantly than them all," (I Corinthians 15:10), and "**Imitate me,**" (I Corinthians 11:1), he did not intend to be proud of himself but God **asked him to speak thus**, even if he was seen to be proud. By focusing on the purpose, you will find that Paul didn't desire anything for himself and was not attracting attention towards himself; instead, he was attracting the whole world to Christ. I wish we remember Gods' words, "He who speaks from himself seeks his own glory; **but He who seeks the glory of the One who sent Him is true, and no unrighteousness is in Him.**" (John 7:18). Of course this is not the devil's desire and also there is a great difference between the circumstances of Saint Paul and mine; I'm still nobody to the world and no one sees or knows me.

There is a difference between delusion and the truth. God really healed me to raise my faith in order to be a witness for Him in a world that lacks spiritual truth especially in the West. Regarding visions, these days God visits many people in visions because the spiritual level of many is very weak, so the Lord has to visit people by Himself, as He promised, "And it shall come to pass in the last days, says God, That I will pour out of My Spirit on all flesh; Your sons and your daughters shall prophesy, Your young men shall see visions, Your old men shall dream dreams. And on My menservants and on My maidservants I will pour out My Spirit in those days; And they shall prophesy. I will show wonders in heaven above And signs in the earth beneath." (Acts 2:17-19) I think you have read the story of Nahed Metwali, to whom, while she was Muslim, God started to show visions. The devil cannot change the nature and the shape of anyone. If what happened was from the devil, **what is his aim?** Does the devil want man to know Christ and love Him very much as God did with me?! This is impossible. I came close to God and I truly knew Him. This, of course, cannot be the aim of the devil because I left the world and I don't feel its presence anymore. I'm sure about one thing; that is, when I speak about myself, even as a nobody, I feel uncomfortable and feel like God puts me in front of a gun. What comforts me is that people don't know me in person and, most importantly, that I have no personal desire to take anything from the world. The devil and the famous people in the world desire to satisfy themselves and refuse to let God be known to the world, so my beloved ones, think carefully about this idea: **one who seeks to make Christ be known to all and help people come close to God cannot be motivated by the devil?**

The Bible says, "**For the Spirit searches all things, yes, the deep things of God.**" (I Corinthians 2:10) This means you can ask God by yourself to understand the

things that belong to him and to believe all His word because it is written, “The God of Israel grant your petition which you have asked of Him.” (ISamuell:17) God promised that whoever asks, shall receive and He promised, “I will not leave you orphans.” (John14:18) Because God is real, even if we don't see Him or feel His presence sometimes, we know in our minds very well that He is hearing us. You can ask Him personally to show you whether any man is honest or not and you can ask Him to show you His thinking in order to recognize which things are from Him and which are not. That way you can recognize **the presence of God in their lives** and you will truly know them. God gives man the desire of his heart.

In some countries, people asked me to give them a videotape containing pictures of my face in the past. When they saw it, they couldn't believe that these pictures belong to me--my skin was dark, I was wearing medical glasses and my hair was curly--but now everything is changed. The Lord asked me several times to send this tape along with my graduation certificates and my passport containing different visas to some people, to prove that I'm not a liar. **This wasn't my desire**, because I asked God to allow me to be alone with Him only and leave the whole world not seeing anybody, **but I didn't want to hinder God's work or to be a stumbling stone to anyone** and let His will be done not mine.

I wish now that you seek God to know Him and know His ways, for He is inside you and He dwells in you; He is omnipresent.

Listen to me now, all I want you to do is to focus on God alone and make Him your only comfort. **It doesn't matter who is the true one and who is the liar**, the important thing is to know Him personally before the end of the world because “time is very short.” (I Corinthians 7:29) If the whole world is full of liars and evil, it won't be your responsibility or guilt but theirs and they will lose.

Whoever comes close to God and is born again will win everything, but whoever is not filled of God will lose everything. It is written, “**Be anxious for nothing** but in everything by prayer,” bringing every thought into captivity to the obedience of Christ,” “pray without ceasing,” “He who called you is holy, you also be holy in all your conduct,” “you shall be perfect, just as your Father in heaven is perfect.” God will ask about your salvation and your fight in the difficult road which is the only way to Him.

It is important for every man to know God personally before it is too late as our holy fathers did when they escaped from the world; they did not waste their time thinking about vain things but turned to God and He saved them. When someone gets

a miracle from God or a revelation of God in a church, we ask God to examine this in His light because He promised that anyone asks, shall receive. That is in case if anyone is concerned.

For me, as I finish telling what God have done with me, my role will be finished. I'm still nobody to the world and that's what I want. I want everyone to focus on God and be filled of Him to fullness and to love God from all their hearts, from all their minds and from all their souls because God is near at doors.

“Now we have received, not the spirit of the world, but the Spirit who is from God, that we might know the things that have been freely given to us by God. These things we also speak, **not in words which man’s wisdom teaches but which the Holy Spirit teaches**, comparing spiritual things with spiritual. But he who is spiritual judges all things.” (I Corinthians 2:12-13,15)

Dear Beloved Reader,

With the Lord's help, and after a lot of insistence, we managed to convince the one with whom this miracle happened to publish it with all its details for the benefit of everybody, to change and to be comforted by God's work in his life, and to understand the purpose for which God brought us to this world; that we should no longer be carried about with every wind of doctrine by the trickery of men, but rather know the truth and be free of every chain. Let's all pray that God grant us discernment to realize the truth and understand and know the purpose for which we were brought to this world.

God be with you...
